1. Introduction

The Examination and Evaluation Department at REVA University is governed by REVA University Regulation. Controller of Examinations heads the Examination and Evaluation Department. The Examination and Evaluation Department offers efficient and quality services to the students and has secured systems and processes. As per the approved minutes of the last BOG dated 08th October 2020 and the AC dated 06th October 2020 that the program codes and course codes will be changed for all constituent schools from the year 2020 onwards in a phased manner. The Examination Department has ensured that the changes have been done in a phased manner for Non Technical Schools. (Annexure: Legend)

2. Examination and Result declaration dates

The seating plan is prepared well in advance. Appropriate numbers of invigilators are appointed to ensure one invigilator over thirty six students. The Controller of Examinations appoints the Centre Superintendent and observers, flying squad members and other staff, to smoothly conduct the examination.

3. Setting of Question Papers

The list of paper setter along with the course handouts and the patterns of question papers is submitted to the Controller of Examinations by the Directors of the respective Schools. At least two sets of question papers are prepared by the paper setter(s). The questions are framed in a way that the Student Learning Outcomes of the course are adequately assessed. The weightage given to each module of instruction is properly reflected in questions. The question papers have different formats depending upon the nature of the course subject. The quality check of the question paper is done by the subject experts for which list is provided by the respective Director. The Controller of Examinations selects the question papers for the exam. The Assistant Controller of Examinations along with officials nominated by the Controller of Examinations then prints the question papers at a secured venue of examinations department. The questions papers are sealed in the envelope and are kept secure in the strong room's almirah with a double lock at the examination center in the presence of an observer. One key remains in possession of COE and the other with Assistant COE.

4. Examination Committee

4.1 Assessment Advisory Committee

The members of the Assessment Advisory Committee (AAC) are Vice Chancellor as Chairperson, Controller of Examination (CoE) is member Secretary, and all School Directors are members. The Committee holds meeting during the beginning of each semester before finalizing the calendar of events for the year and approves the schedules for-IA, SEE examination, guidelines for conduction of examinations, evaluation, moderation and analysis of results and announcement of results. The BoEs, Chief Superintendents who conduct the examinations, Evaluators, Moderators, Tabulators, PAC Committee members follow the schedules and guidelines approved by this committee while executing their responsibilities and adhere to the schedules.

Agenda

1. Scheme of Evaluation of Technical Paper Writing
2. Organizing odd semester examination (2021-22) as per the Govt. of Karnataka order due to Covid situation
3. A one-time permission for 2014 & 2015 batches of UG students to apply for SEE. Due to the pandemic this is a special permission after the completion of double duration of the batch – COE Office

Agenda 1

Scheme of Evaluation of Technical Paper Writing

The Curriculum for the students of fourth semester MCA and M.Sc Post Graduation Programs mandates publishing of one Research or Technical Article of 2 credits, in any of the Q1, Q2, Q3, Q4 rated Journals (Scopus / Non-Scopus) / UGC Indexed Journals / Google Scholar Indexed Journals / Scopus or Non-Scopus Indexed Conference. The students are mentored with the process of coming up with the Research Article, starting, right from choosing the Domain, having access to the domain related papers that are published in the Journals of repute, focusing on the key points to be kept while reading the papers until the final draft of the Technical Research Paper.

- Structured Rubrics
- Transparent graded scale 9 marks
- Research culture enhanced

2 Credits – 50 Marks

Agenda 2

Organizing odd semester examination (2021-22) as per the Govt. of Karnataka order due to Covid situation

As per plan all exams were scheduled to be held offline in pen and paper mode. However as per Government instructions, due to surge in cases of COVID all examination are shifted to online mode on MS Teams.

The University has retained the same calendar of examination and time-table. No schedules have been changed

Agenda 3

A one-time permission for 2014 & 2015 batches of UG students to apply for SEE. Due to the pandemic this is a special permission after the completion of double duration of the batch – COE Office

It is decided to make provision for a one-time permission for students from UG batches of 2014 & 2015 to apply for their semester end examination. This is to ensure that students who have backlogs can get a chance to appear for exams of those courses. This provision is made in view of the pandemic scenario to enable students who may have missed out applying for their examinations and lose eligibility due to the completion of the double duration tenure of their academic programs.

Agenda:

1. Discussion about mode of conduction of 2021-2022, Odd semester internals and semester end examinations.
2. Discussion about usage of tabs for internals and semester end examinations.

Agenda point 1: Discussion about mode of conduction of 2021-2022, Odd semester internals and semester end examinations.

The Committee members expressed their views and opinions regarding conduction of tests and examination for this academic year. Members opined that since COVID problem is not a major concern and all students have started reporting to offline classes therefore it is advisable to conduct offline internal and semester end examinations. The decision was also based considering the fact that online examinations may become a major concern during placements. Since, some of the companies are not preferring fresh graduates who have completed their examinations through online mode.

In case of students who are from other states and countries where COVID is a major concern and travelling restrictions are there in such cases they may be considered for taking up their internals after IA2 but before commencement of Semester End examinations. The schools are empowered to complete the process and enter their marks before commencement of semester end examinations.

Agenda Point 2: Discussion about usage of tabs for internals and semester end examinations.

Members discussed in length about the pros and cons of using tabs for tests and examinations and it was unanimously felt that tabs did not add any kind of value addition to the examination system instead lot of technical issues were faced by students and staff. During this COVID situation tabs were of no use in conduction of tests and examination as MS Teams was used as a platform for conduction of examinations. The tab-based examination has also led to increase in the examination fee and the overall expenditure incurred on usage of tab is also very high when compared to the benefits. In this regard, it is advisable to refer to the agreement and terminate the agreement as soon as possible and switch over to Pen and Paper examination.

Pen and Paper examination will not only reduce the examination fee per student but it will also reduce the overall expenditure incurred on tabs which is relatively huge burden on the university.

The members suggested that if paper-pen examinations adopted the examination fee can be fixed as Rs. 2000 per student (which excludes the backlog papers) and every school examination control room to be equipped with few systems which will support the examination vertical heads in the smooth conduction of the process.

Conclusion:

All the above points were briefed to Respected Vice Chancellor sir, who in turn concluded the meeting by assuring the members that the above points will be discussed with the Hon'ble Chancellor sir and after seeking his approval all the above decisions will become effective.

Agenda Points

1. Conduction of C3 examination of PhD – Research Scholars – Batch 2020
2. Post graduate – Semester End examination evaluation – Odd semester
3. Practical and SEE component for 8th Semester B.Tech

4. First Year 2021 batch B.Tech and previous batches – IA and SEE component for 1 credit and 2 credit courses
5. Marks Entry pattern for Semester end examinations

Agenda Point No 1

Conduction of C3 examination of PhD – Research Scholars – Batch 2020

Members of the committee discussed about the mode of conduction of C3 examination for PhD – Research Scholars -2020 batch, due to the prevailing pandemic situation members opined that the examination should be conducted ONLINE-Proctored using M S teams and as per the instructions of Honorable Vice Chancellor the examination should be smoothly conducted by Controller of Examination office in close co-ordination with Research and Innovation council. The exams are proposed to be conducted ONLINE, considering the health and safety of Research scholars due to the pandemic situation as one time measure.

Agenda Point No 2

Post graduate – Semester End examination evaluation – Odd semester

The First semester Post graduate examinations of Odd semester was conducted ONLINE – Proctored, using M S Teams for 50 marks due to prevailing COVID 19 pandemic, therefore the members of the committee decided that the evaluation should be done for 50 marks and the total marks secured should be scaled up to 100 marks and entered in the software and since as per the evaluation guidelines for post graduate programs double evaluation had to be done , one by the internal faculty and second evaluation by external evaluator ,due to the pandemic situation inviting external evaluators was not possible and it was felt that it was not advisable to share soft copies of answer scripts to external evaluators via mail , therefore as one time measure 10 to 20 % of the total scripts in each course should be moderated by Senior Professor/ Faculty in the respective schools to bring in more clarity in the evaluation system .

Agenda Point No 3

Practical and SEE component for 8th Semester B.Tech

The Internal assessment and SEE marks component for 8th Semester B.Tech and also for all students writing their backlog examination the marks allocation would be 50:50

Agenda Point No 4

First Year 2021 batch B.Tech and previous batches – IA and SEE component for 1 credit and 2 credit courses

The marks distribution for First year B.Tech 2021 batch for 1 credit and 2 credit courses would be as follows

Internal assessment – 30 , Semester end examination -20

The marks distribution for the previous batches would be as follows

Internal assessment – 25 , Semester end examination -25

Agenda Point No 5

Marks Entry pattern for Semester end examinations

The members of the committee unanimously decided that courses with only theory component although SEE is conducted for 50 marks the marks should be scaled up to 100 and entered in the software, in case of courses with practical / Laboratory component then marks to entered for 50

Conclusion

Meeting of the committee members concluded by Dr Shubha proposing vote of thanks to all members who joined and in detailed discussed, deliberated and shared their valuable thoughts and opinions in the interest of all stake holders.

Dr M Dhanamjaya, Vice Chancellor, supported the deliberations of the meeting by sharing his experienced viewpoints so that committee members could arrive at consensus.

Agenda:

1. Discussion about Revaluation and Photocopy of First semester UG – Odd semester – Paper pen examination
2. Regarding announcement of 3rd Semester PG results

3. Regarding SEE – Final time table – 6th and 8th Semester B.Tech
4. Regarding 4th Semester M.tech Exam Notification
5. Regarding 2nd and 4th Semester B.Tech – IAs, Practical and SEE schedule
6. Regarding Duration and maximum marks for conduction of 1, 3, 5, 7 th Semester B.Tech supplementary examination

Agenda point 1: Discussion about Revaluation and Photocopy of First semester UG – Odd semester – Paper pen examination

Members discussed and took the individual opinion of all committee members and finally arrived at the consensus that students of First semester UG can apply for Revaluation and also the supplementary by paying the supplementary exam fees, if students clear through Revaluation then amount paid towards supplementary examination in the respective subject will be refunded by Office of COE.

Agenda point 2: Regarding announcement of 3rd Semester PG results

All members agreed that the PG results should be announced together and in case of schools and programs where there is difference in the evaluation of evaluator 1 and 2 in such cases it was decided that instead of going for third evaluation, average marks of first and second evaluator will be considered as final and based on this Office of COE is expected to announce the PG results and permit the students to pay their examination fee, final degree certificate fee and supplementary exam fee.

Agenda Point 3: Regarding SEE – Final time table – 6th and 8th Semester B.Tech

Members have approved the draft time table sent from office of COE and requested the office of COE to send the FINAL Semester end examination time table for notifying to students of 6th and 8th Semester B.Tech Program.

Agenda Point 4: Regarding 4th Semester M.tech Exam Notification

Members also requested the office of COE to send immediately the Notification for 4th Semester M.tech Program and also to instruct JUNO team to map their fees details so that students can pay their exam fee and final degree certificate fee at the earliest.

Agenda Point 5: Regarding 2nd and 4th Semester B.Tech – IAs, Practical and SEE schedule

Members opined that the exams for all 4th semester B.Tech students to be completed before 31st July 2021 and accordingly the following schedule for IA1, IA2, Practical and SEE was decided for both 2nd and 4th Semester – Regular and Lateral Entry students

Program/Sem	Regular/ Lateral	IA1	IA2	Practical	SEE – Theory Exams
4 Sem B.Tech	Regular and Lateral entry	NA	15 th June 2021 to 18 th June 2021		
	Regular			1 st July 2021 to 9 th July 2021	
	Lateral Entry			12 th July 2021 to 15 th July 2021	
	Regular and lateral entry				19 th July 2021 to 31 st July 2021
2 Sem B.Tech	Regular and Lateral entry	15 th June 2021 to 18 th June 2021	19 th July 2021 to 21 st July 2021	22 nd July 2021 to 31 st July 2021	1 st August 2021 onwards

In addition to the above point of discussion the members also discussed that when 8th semester B.Tech examinations are conducted 7th Semester Examination to be conducted, with 6th

semester B.Tech – 5th Semester B.Tech exams , With 4th semester 3rd Semester exams and with 2nd semester 1st semester B.Tech exams to be conducted.

Agenda Point 6: Regarding Duration and maximum marks for conduction of 1, 3, 5, 7 th Semester B.Tech supplementary examination

Members also requested Office of COE to decide and give clarity about the Duration and Maximum marks to be considered for 1,3,5,7 th semester B.Tech based on which question paper can be requested from respective course faculties

Conclusion:

Meeting of the committee members concluded by Dr Shubha proposing vote of thanks to all members who joined virtually and in detailed discussed, deliberated and shared their valuable thoughts and opinions in the interest of all stake holders.

Dr M Dhanamjaya, Vice Chancellor, supported the deliberations of the meeting by sharing his experienced viewpoints so that committee members could arrive at consensus and also assured that all exams will be conducted as per schedule and in case of practical / laboratory oriented programs students will be given additional orientation and exposure when they would come for offline classes

Agenda:

1. Discussion about Semester End examination of Even Semester 2021
2. Discussion about Examination Fee – Even Semester 2021

3. Discussion about Slot 3 – Odd semester examination
4. Discussion about Convocation fee and Procedures

Agenda point 1: Discussion about Semester End examination of Even Semester -2021

The Semester End Examination for Even semester UG and PG will be conducted through ONLINE MODE only using MS teams, the decision has been taken after long discussion and deliberation of COMMITTEE members, The members reviewed the prevailing situation due to COVID 19 and also after careful deliberations regarding health and safety of students the decision was taken to conduct examinations ONLINE as a onetime solution. The members also considered the decision of statutory bodies in this regard who have also suggested that Universities should put off all offline exams due to increasing number of cases during second wave of COVID 19.

Decision was also taken that Semester exams will be conducted for TWO hours duration which includes the time for scanning and uploading the scripts, examinations will be completely proctored and clear SOP will be followed by Students, invigilators and Examination committees of respective schools and will ensure that sanctity of examination is upheld and there will be no dilution as far as the examination process is considered.

The Question paper will be prepared for 50 marks and all schools will revise the SEE question papers which is already submitted to office of COE and after revision the BOE –Chairperson (School Director) should check all the question papers to ensure that the question papers covers all units and weightage is given to all units and CO –PO mapping to be done respectively.

Agenda point 2: Discussion about Semester end examination fee – Even semester – 2021

The members discussed and deliberated on the above agenda point and decided that since during this semester all internal assessment tests , presentations, Viva-voce and also Semester end examination is happening ONLINE using MS teams therefore as goodwill gesture during these challenging times it is advisable for us to reduce the examination fee to help and support our stakeholders , Therefore members decided that all B.Tech 8th Semester students (writing exams still in paper and pen mode) shall pay Rs 1200/- and all other programs students (using tabs) will pay Rs 1500/- as examination fee. If students have backlogs then additional amount per paper needs to be paid.

Agenda point 3: Discussion about Slot 3 Odd semester end examination

During the First wave of COVID 19, decision was taken that Odd semester end examination will be conducted phase wise in different slots and as per the decision taken exams were conducted for slot 1 in the month of December 2020, slot 2 in the month of January –February 2021 and slot 3 was expected to commence with even semester SEE examinations, since now the situation has worsened and it may not be ideal to conduct the slot 3 examination through offline mode, therefore members discussed and decided that Slot 3 odd semester end examination for very few number of students who had opted can be conducted through ONLINE MODE for THREE hours duration and 100 marks only the question papers in multiple sets were already submitted to office of COE and the office of COE is expected to check on the same and if in case they need any question papers where multiple unused sets are not available then the same can be brought to the notice of School Director for needful action .

COE Office will have to prepare the Time table for Slot 3 examination and same needs to be communicated to the Schools. It was decided that slot 3 exams should be completed before the commencement of even semester – SEE 2021 .Soon after the completion of Slot 3 Odd semester – SEE ,evaluation should be enabled to individual faculty log in as per the details shared by the schools which will help in completion of Slot 3 evaluation and quick announcement of results.

Students who have opted for Slot 3 odd semester –SEE will not be allowed to apply for reevaluation or applying for photo copy of answer scripts instead they will have to take up supplementary for the backlog papers by paying the supplementary exam fee prescribed per paper.

Agenda point 4: Discussion about Convocation Fee, mode and process

All members unanimously agreed upon the fact that since the situation is uncertain and not conducive for committing on conduction of convocation ceremony, therefore it is better to rename the fee as Final degree certificate and as per the confirmation from COE office the cost of the certificate is Rs 1500/- and the same amount can be collected from all final semester UG and PG students of the passing out batch along with their decided exam fee and provision for the same to be made by office of COE.

Regarding PhD awardees for 2021, we should not collect any amount for dress (blazer and sarees) from this batch onwards as it is difficult to provide a uniform dress code during this situation and year on year the number of awardees are also increasing therefore this process can be avoided hereafter and same needs to be communicated to R & I council.

Committee decided that no assurance will be given by anybody to students regarding conduction of Convocation ceremony even on a later date as it is impossible to predict the future when we are expecting the third wave in few months to come.

In all portals wherever students pay their exam and convocation certificate fee correction should be made as Final degree certificate fee, so that we are legally right and we are not committing on any ceremony thereby.

Agenda point 5: Discussion about Notification and SEE time table from office of COE

The office of COE will notify about the Even semester examination 2021, Slot 3 examination of Odd semester , Supplementary examination , Final degree certificate fee and time tables for the said examinations only after the approval of Vice Chancellor sir and Chancellor Sir

Conclusion:

Meeting of the committee members concluded by Dr Shubha proposing vote of thanks to all members who joined virtually and in detailed discussed, deliberated and shared their valuable thoughts and opinions in the interest of all stake holders.

- Agenda:**
1. Discussion about Conduction of Internal Assessment tests
 2. Discussion about Semester End examination
 3. Commencement of Even semester classes

Agenda point 1: Discussion about Conduction of Internal Assessment tests

The Internal assessment tests shall be conducted ONLINE only using MS teams due to prevailing COVID 19 situation and increasing cases, Schools are empowered to decide the dates for Internal assessment 1 and 2 based on the syllabus coverage of their respective schools . The Schedule decided by school should be shared with Vice chancellor sir and COE office.

Agenda point 2: Discussion about Semester End examination

The decision regarding Semester End examination will be taken after reviewing the situation in the month of MAY 2021, although office of COE is also prepared to conduct the examination ONLINE if situation worsens in days to come. Whenever exams are going to be scheduled the SEE examination first preference will be given to Final semester UG and PG programs of all schools. Meanwhile schools are expected to complete all presentations, assignments, Viva – voce and any other things that could be completed through ONLINE mode.

Agenda point 3: Commencement of Even semester classes

As per the decision by the COMMITTEE in the previous meeting dated 17th April 2021, all even semester classes will commence from Monday i.e. 26th April 2021 through ONLINE mode only initially and based on the situation decision regarding OFFLINE class will be taken later.

Conclusion:

Meeting of the committee members concluded on a positive note that, situation will become better for each one of us in days to come and Teaching – learning process will commence in a full-fledged manner in the University campus.

AGENDA

1. Standardization of subject codes
2. Approval of Handbook on Examination Process (2020-21)

3. Reregistration option for students to improve Internal Assessment (IA) Marks - Process
4. Evaluation procedure for the Integrated Courses (both Theory and Practical with 2 credits each)

AGENDA 1: Standardization of subject codes

Subject codes are to be standardized centrally. Applicable for Engineering programs from 2020 and Non Engineering programs 2021 onwards. Department of Examination & Evaluation (COE Office) will provide codes and Schools need to follow the same and allot subject codes. New subject codes designed to accommodate new programs that Schools may start. The new subject codes will keep distinctness of each program and also indicate the parent School in case of Open Elective Courses. The elaborate subject codes to be presented to all Directors and Vertical Heads. All Schools to incorporate the same.

AGENDA 2: Approval of Handbook on Examination Process (2020-21)

The Assessment of Students and Examination Regulations on Assessment and Evaluation is framed as per the provisions under Section 35 (ii), Section 7 (x) and Section 8 (xvi) & (xxi) of the REVA University Act, 2012), and presented the soft copy of the Handbook to the members

AGENDA 3: Reregistration option for students to improve Internal Assessment (IA) Marks - Process

A course can be re-registered by the students during summer vacation to improve their IA marks to enable them to improve their internal marks and clear backlog due to low internal marks. Students can re-register for a maximum of 3 courses, inclusive of lab courses too. For each re-registered course, internal assessments are mandatory. The earlier marks obtained by the students under re-registration will be considered null and void. The student should give a letter to cancel the earlier internal marks before reregistering the course. He/she needs to maintain 75% attendance during the classwork. The pass criteria and other relevant rules are applicable for the re-registration. The provision of re-registration is not applicable for the improvement of the semester end examination marks.

All the members appreciated the step taken to support the students who have low internal marks and agreed to approve the proposal in the interest of students.

AGENDA 4: Evaluation procedure for the Integrated Courses (both Theory and Practical with 2 credits each)

The assessment and evaluation procedure for integrated course with theory 2 credits and practical 2 credits that has been designed. She said the procedure should be followed across all the programs which are meeting the credit structure as given below

L: T: P: C - 2-0-2-4 (Total Contact Hours 6hrs)

Total semester end theory examination and practical examination marks will be scaled down to 50

The marks distribution is - IA1 +IA2 + SEE (Theory and practical) = 25+25+50=100

The members approved the evaluation procedure adopted for Integrated Courses-both theory and practical.

4.2 Program Assessment Committee (PAC) and Analysis of Results

There shall also be a Program Assessment Committee (PAC) comprising at-least 3 faculty members having subject expertise and 1 BOE member who shall after completion of examination process and tabulation of results review the results sheets, assess the performance level of the students, measure the attainment of course outcomes, program outcomes and assess whether the program educational objectives are achieved and report to the Director of the School.

The Program Assessment Committee (PAC) shall also review the question papers of both Internal Tests as well Semester End Examinations and submit reports to the Director of the respective School about the scope of the curriculum covered and quality of the questions.

Analysis of Results:

Program Assessment Committee (PAC) of each school of the University must prepare an analysis of the results. The analysis includes how well students have performed in each course of a given semester and all the courses of the entire semester. The committee also needs to find out the reasons for students non-performance and suggest remedies and corrections that are required to be done for enhancing the performance of students in future. The office of the COE could provide the tabulated results data in the form of bar graphs to PAC for easy interpretation and to draw conclusions. In addition, it is their responsibility to report whether the question paper standard was right, and the question papers set could help students achieve course outcomes and programme outcomes. The PAC can recommend application of gracing provision if it is essential.

The observations made by the PAC members are as follows:

1. SEE for theory courses and practical examination for above mentioned programs are scheduled as per academic calendars.
2. SEE question papers were prepared as per the curriculum, in prescribed pattern including CO, PO, BTL & PI.
3. Board of Examiners (BOE) meeting was held on 13th May 2022, chaired by The Director and scrutinized all the question papers, along with an External BOE member.
4. SEE question papers were submitted to COE office, confidentially through Chief Superintendent after scrutiny, with all necessary comments indicated on hard copy of question papers.
5. The scheme of evaluation for each course was also scrutinized along with question papers.
6. M.Tech 1st semester scripts shall be evaluated by an external evaluator after first evaluation by internal evaluator.
7. Marks shall be entered on the Logisys software confidentially, as per the direction of COE Office.
8. B.Tech 6th semester course Design of Steel Structures (B18CE6010), was found to be difficult by most students. Result moderation meeting can be called for result analysis.

9. Sanctity and confidentiality was maintained throughout the process of examinations and valuation.

Recommendations (if any) made by the committee: (Applicable to COE)

The Program Assessment Committee of the School had a meeting and analysed the question papers of the semester end examination (SEE) held between 18th Jan 2022 and 10th Feb2022.

- A. Observations made by the PAC are as follows:
- Decentralization happened at all school levels and the School of Performing Arts and Indic Studies has conducted the examination online procedure went well.
 - Level of difficulty of the question papers was maintained and the difficult questions addressed the higher order thinking of the learners.
- B. Recommendations (if any) made by the committee: (Applicable to COE)
- After the evaluation, the 1st and the 2nd evaluators should sit and discuss in case of scripts where there is a significant difference in the marks.
- C. Suggestions (if any) made by the committee: (Applicable to BOS, BOE)
- External evaluators may be invited when the selected question paper is set by internal faculty members
 - If there is no limit in the number of the questions per unit giving MCQs and match the following questions would be beneficial for performing arts subjects.

6. Central Evaluation

The evaluation is conducted centrally under the supervision of the Assistant Controller of Examination. The solution of question papers provided by experts are submitted to the office of Controller of Examination before the beginning of the evaluation. The coded answer books handed over to the evaluators. The appropriate number of Evaluators/Reviewers/Checking Assistants is deputed during evaluations. The award lists along with answer books are submitted to the evaluation section.

7. **Declaration of Result**

Marks scored by the students in their IA as well as in SEE in all the courses of a given semester must be tabulated into the software installed for the purpose by the University. The same must be done for all the semesters of UG and PG within the Specified date by the CoE.

The Controller of Examinations will announce the results of the students in each semester on the Faculty notice board as well as on the University website after PAC committee sends its recommendations to COE.

8. **Revaluation**

After declaration of the results of programs within next 10 days, if any candidate wishes to apply for Photocopy/Revaluation (only theory courses), s/he shall apply to the Controller of Examinations, by paying the prescribed fees notified by the University from time to time. The photocopies of the said answer books shall be made available within next TEN working days after the last date prescribed for receipt of the application at the Office of the Controller of Examinations. Photocopies will not be issued for practical/drawing/audit courses. During 2021-22 examination **total of 463** applications were received for revaluation and resolved.

9. **Award of Degree**

Degree is awarded at the end of the completion of the Program and accumulation of specified number of credits for the given program. Students are issued-Grade Cards/Marks card for each semester, consolidated grade Card/Marks card and degree Certificate. Such of those students who have accumulated credits by studying in more than one university, but finally completing their degree at REVA University by accumulating the required number of credits, will be issued grade cards for such of the courses completed at REVA University and a transcript by mentioning as 'credit transferred from other university' against the credits earned. Students are required to possess all the grade cards issued by different institutions as a proof to the accumulation of Credits.

Award of Gold Medal Guidelines

- The candidate with highest CGPA will be awarded gold medal. The University shall issue the certificate indicating the name of the medal awarded to the students
- If two or more students have secured the same CGPA, then the marks secured by the student in the external examination only shall be taken in consideration in awarding the gold medalist.
- If both students also secure to the same external marks then both the students should be awarded the gold medal.
- A student who has been fined or expelled from the hostel/university for any act of indiscipline shall not be eligible for the award of gold medal(s). A student who has failed in any course and has cleared the course in the repeat examination shall not be eligible for award for gold medals/certificate.

10. Examination Automation

In keeping with the requirements of transparency, objectivity and efficiency, the COE office adopts an automated examination system. This initiative has transformed the conventional examination and evaluation process to a digital platform. As a result, the entire process inclusive of registration, payment of examination fee, generation of hall tickets, computation of results and announcement of results etc. are automated. With effective use of technology, the administration and management of examination system ensures confidentiality, transparency and enhanced efficiency with minimal human intervention. Timely reviews, sound feedback system and clear guidelines from the COE office ensures strict monitoring and functioning of examination and evaluation system.

11. Examination Reforms

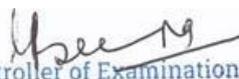

- New Course Codes for all Non-Engineering courses to be followed for the academic year 2021-2022 onwards. The course code handbook provides guidelines to generate codes program-wise and school-wise.
- OMR implementation for MCQ courses of 2 and less than 2 credits.
- Special Supplementary for NCC and Sport quota students.
