# Media Laboratory & Studios

## Media Laboratory & Studios

REVA Media Centre, serves as the creative platform not just to the students of Media Studies but to the entire university at large. It has state-of-the-art infrastructure with sound-proof rooms and is equipped with multicamera production facilities, a teleprompter, light units, recording equipment and editing suite. The university ensures high quality licensed software for the quality functioning of the centre. The centre is not just limited to video production and photography, but also serves as a research centre for various projects in the domain of Media Studies. The REVA Media Centre has four prominent sections – a studio, production control room, voice booth, and a multimedia lab to train the students in creative productions thereby, supporting them develop industry skills. The in-house productions required for webinars, advertisements, live events, promotions, short films, musical albums, documentaries, etc. are done at the REVA Media Centre. The facility is open 24/7 to fulfil all the requirements of the students and staff during the Covid19 pandemic.
