

Proceedings of the R&I Ethical Committee meeting

Date: 5th March 2019

Venue: G04: Conference hall, Admin Block, RU

Meeting Called by: Dean R&I

Attendees

Sl. No.	Name	Designation
1	Dr. B.P. Divakar	Dean R&I
2	Dr. N Ramesh	Dean, Planning & Placement
3	Dr. Sunil Kumar Manvi	Director, C&IT
4	Dr. R C Biradar	Director, E&CE
5	Dr Rajashekhar P. Mandi	Director, EEE
6	Dr Shubha A	Director, Commerce & Management studies
7	Dr Payel Dutta C	Director, Arts & Humanities

Agenda:

1. Review of Publications and grant proposal

Dean welcomed all the members and requested them to present the status of publications and the procedure adopted in schools on ensuring that the ethical practices are being followed. Members informed that the schools are following a strict procedure to enforce the ethical practices laid out by the university. They informed that the respective schools are mentoring faculty members to adhere to the listed activities.

The list of proposals submitted were reviewed and found to satisfy the ethical practices laid down. The members informed that the plagiarism requirement for the submission of the research articles is being taken care by the journals to which the articles are presented.

Dean thanked all the members and concluded the meeting

Proceedings of the R&I Ethical Committee meeting

Date: 10th October 2018

Venue: G04: Conference hall, Admin Block, RU
Meeting Called by: Dean R&I

Attendees

Sl. No.	Name	Designation
1	Dr. B.P. Divakar	Dean R&I
2	Dr. N Ramesh	Dean, Planning & Placement
3	Dr. Sunil Kumar Manvi	Director, C&IT
4	Dr. R C Biradar	Director, E&CE
5	Dr Rajashekhar P. Mandi	Director, EEE
6	Dr Shubha A	Director, Commerce & Management studies
7	Dr Payel Dutta C	Director, Arts & Humanities

Agenda:

1. Review of Publications

Dean welcomed all the members and requested Members to present the status on publications and proposlas. The list of proposals submitted were reviewed and found to satisfy the ethical practices laid down in the university. The members informed that the plagiarism requirement for the submission of the research articles (more than 280) is being taken care by the journals to which the articles are presented. Members informed that there were no proposals or publications involving human trials. The theses submitted have undergone plagiarism check and so are the MTech reports.

Dean thanked all the members and concluded the meeting
