Report on
“Visited to Flood affected areas in North Karnataka”

School/Department: National Service Scheme (NSS)

Venue: North Karnataka

Date: 15th August to 17th August

Year: 2019

Description of Event:

We all are aware that the state is experiencing devastating flood situation (Natural Calamity) in 12 Districts including Belagavi, Uttar Kannada, Kodagu, and so on in Karnataka. The residents of these areas are put to hardships and the disaster has results in loss of property in large scale. An appeal is made to render a helping hand to the needy, donate voluntarily on humanitarians grounds for the cause of undertaking rehabilitation activities and to join hands with government in this dire need

In this regard REVA University has taken initiative for this social cause “Disaster Relief -REVA University”

REVA University Team visited most affected places of Gokak, Ramdurga of Belagavi District. We tried our level best to assist them in all aspects by giving medicines, Biscuits, needy things for a families

Report on Community Outreach Program at Bangalore rural area.

Devanahalli Taluk.

School of Architecture and NSS , REVA University

20th -22nd September 2019

Faculty coordinator: Prof. Dr. Anupama RM, Prof. Nagaraja S, Prof Madhu B P

Course: Community outreach program

Place of Activity conducted: Channarayapatana , Naganayakanalli , Janatha colony , Channahalli , Jalige , Rajagatta , Beer Sandra and Tinglu village.

Students: 3rd Sem B.Arch

No of Students: 42

We are glad to inform you that School of Architecture, REVA University in collaboration with Campus 2 Community organized a community outreach program from 20th to 23rd September 2019 at Channarayapatana , Naganayakanalli , Janatha colony .Channahalli , Jalige , Rajagatta , Beer Sandra and Tinglu village. Campus 2 Community in coordination with Art Matters and Students of different colleges organize 'SCHOOL BELL', a mass service activity across the remote rural villages bordering Bengaluru and indulge in rejuvenating 150 government schools marking the 150th birth anniversary of Mahatma Gandhi through various activities .

42 students from IIIrd sem B.Arch participated in this community outreach program.

The activities included artwork on the walls; providing awareness about environment, health, cleanliness and management, library and lab equipment's, drinking water facility, sports kit, first aid kits etc. Around 5000 youth volunteers was part of this activity and around 7500 students were benefitted. With mass campaign as volunteers we made this event a grand success with completing the painting on the school wall which was assigned to us. The student serve as a great resource by getting involved in different kind of activities.

“The Role of Higher Education in Rural Community Development and Inspection of ODF and Sanitary system in REVA University Adopted villages”

School/Department: National Service Scheme (NSS)

Venue: Shettigere and Mylanahalli Village , Bangalore North

Date: 22nd to 24th October 2019

Year: 2019

Description of Event:

The NSS unit of REVA University with collaboration with MHRD team had organized **“The Role of Higher Education in Rural Community Development and Inspection of ODF and Sanitary system in REVA University Adopted villages”** on Tuesday to Thursday, 22-24th October, 2019 between 09.00AM to 4.30 PM. Around 30 students of NSS and NCC students participated in this event lead by Prof. Madhu B P, NSS Coordinator.

Description of Event: Higher education institutions commonly play a role in community development. Rural communities may be even more dependent on the university’s investment. As higher education has looked to meet demands of stakeholders calling for greater accountability, it has become necessary for universities to be able to justify the effectiveness of these efforts. The purpose of this study was to determine the elements necessary for successful rural community development and REVA University has adopted two villages namely Shettigere and Mylanahalli as a part of rural development and MHRD team visited in these two villages to know ODF and Sanitary system . 30 Volunteers from NSS and NCC has collected data regarding ODF and sanitary system in both villages submitted a list of 10 elements they believed to be necessary for successful rural community development along with MHRD team.

“Video capturing related to improvement of sanitation and Toilet usage to eliminate Open defecation in Mylanahalli Village ”

School/Department: National Service Scheme (NSS)

Venue: Mylanahalli

Date: 21th January

Year: 2020

Description of Event:

The NSS unit, REVA University had organized **“Video capturing related to improvement of sanitation and Toilet usage to eliminate Open defecation in Mylanahalli Village”**

Tuesday, 21th January, 2020 between 09.00AM to 4.30PM Around 5 students of NSS and Media Center REVA University participated in this mega event lead by Prof. Madhu B P, **NSS Coordinator**,

Greetings for the day!

As part of its Scaling Up Rural Sanitation and Domestic Private Sector Participation programs, MHRD –MGNRE has been commissioning formative research studies among households in REVA University adopted villages. Three specific sanitation behaviors are covered in the video: open defecation, acquisition of toilets, and improvement of latrines.

Later NSS and NCC team conducted awareness program to improve sanitation and Open defecation following are the result obtained

S. No	Observations During Village Visit 1 & 2	HEI Action After Village Visit 1 & 2	Changes Observed After the Activity
1	Some households did not have toilets	90% households have toilets. For construction of remaining 10% toilets, HEI has approached the Panchayat and tracked progress of the ODF.	Total toilets constructed under different scheme (Panchayath and NGO's) increased to 94%
2	People defecated in the open in village	5% villagers OD. HEI has created awareness among those defecating in the open defecation.	Panchayath is planning to construct public toilets for tourists and visitors.
3	Faeces from the toilet was being disposed in the river	NA	NA
4	OD spot / excreta were found in the open place	HEI visited the open spot, cleaned it and conducted awareness programme for people defecating in the open.	No defecation is observed after awareness program conducted with Panchayath officials
5	Institutional toilets at Schools, Anganwadis and Public places were not functioning	Construction of toilet at second Anganwadi was tracked by HEI	Construction of toilet at second Anganwadi has completed.

Registrar
REVA University
Bengaluru - 560 064

6	Waste from restaurants, public places was being dumped into the river	NA	NA
7	A prevalence of visitor/tourist OD was found	NA	NA
8	An institutional mechanism to check OD by insiders/outsideers was needed	HEI has approached panchayath to check OD on daily basis.	Every third Saturday panchayath is conducting awareness program
9	There were a few twin-pit toilets	20% toilets are twin pit toilets. HEI approached to Panchayath PDO to give permission for constructing new toilets with twin pit technology.	New toilets are being constructed with twin pit technology
10	Did the village toilets have (non-porous) septic tank common	HEI nodal officer spoke to the panchayath member and PDO about advantages of septic tank toilet	PDO gave assurance for construction of septic tank toilets
11	The village did not have a P-Trap in all toilets	Since most of the toilets are already constructed, HEI spoke to panchayath members for construction of new toilets with P-trap.	Panchayath will give permission for newly constructed toilets with P-trap
12	Water was not available All / Some toilets	NA	NA
Household Schedule			
13	Some toilets in the village were not "fly-proof" – or Hygienic	HEI created awareness to implement rain water harvesting techniques in all houses.	Few HH started construction of solar based rain water harvesting
14	The human waste was being disposed of in the Drain, a) Nallahs, b) Openpit; c) Ponds or river or streams or any water bodyetc.	NA	NA
15	Faecal sludge directly discharged to water bodies?	NA	NA
16	Garbage and litter was piled up within 10 feet perimeter outside the premises of the household being canvassed	HEI conducted awareness program on garbage cleaning and waste management	After informing from HEI , villagers and panchayath people dumping garbage to panchayath waste collection vehicle
17	People did not practice washing hands with soap after using the toilet	HEI conducted rally, on usage of soap while washing hands	More than 60 % HHs have started using soaps for washing their hands
18	Traces of faeces were found in the environment	NA	NA
19	One experienced odour of urine and faeces in some locations	NA	NA
20	Some members of the households were found	NA	NA

Registrar
REVA University
Bengaluru - 560 064

22	Child faeces in the village disposed of in open area	NA	NA
Anganwadi Schedule			
22	Anganwadi in the village did not have toilet in their premises	NA	NA
23	Water was not available in for the toilet	NA	NA
24	Some of the toilets were not "fly-proof" or Hygienic	NA	NA
25	Human waste was being disposed of in the Drain. a) Nallahs. b) Openpit. c) Ponds or river or streams or any water body etc	NA	NA
26	Anganwadi cleaners were not maintaining and cleaning public toilets	HEI approached Panchayat members and PDO for public toilet	PDO identified a place to construct public toilet
School Schedule			
27	There were no separate functional toilets for boys and girls in the school	NA	NA
28	Water was unavailable for use in the school toilets	NA	NA
29	Is the human waste disposed of in the Drain, Nallahs, Openpit; Ponds or river or streams or any water body etc.	NA	NA
30	Public toilets were not accessible to all (including Divyangs/physically challenged)	HEI suggested Panchayat to make toilet accessible for all	Panchayat
31	There were no Public Toilets in the village	HEI approached Panchayat members and PDO for public toilet	PDO identified a place to construct public toilet
32	There were no separate sections for Men and Women in the Public	HEI informed the Panchayat members to get public toilet constructed with separate sections for men and women	Panchayat agreed to construct public toilet with separate section for men and women
33	Is the human waste disposed of in the Drain, Nallahs, Openpit; Ponds or river or streams or any water body etc.	NA	NA
34	Sustainable water supply process/ method adopted for sustainability of ODF	HEI created awareness to implement rain water harvesting techniques in all houses.	Few HH started construction of solar based rain water harvesting

Village activities on

“To create awareness related health and hygienic in Bandikodegahalli Gram Panchyath-Villages”

School/Department: National Service Scheme (NSS)

Venue: Bandikodegahalli Gram Panchyath Villages

Date: 29th January

Year: 2020

Description of Event:

The NSS unit REVA University had organized Village activities on **“To create awareness related health and hygienic in Bandikodegahalli Gram Panchyath-Villages”** on Wednesday, 29th January, 2020 between 9.30 A M to 12 9M. Around 25 students participated in this drive

Sanitation and hygiene are critical to health, survival, and development. Many countries are challenged in providing adequate sanitation for their entire populations, leaving people at risk for water, sanitation, and hygiene (WASH)-related diseases. Throughout the world, an estimated 2.4 billion people lack basic sanitation (more than 32% of the world’s population). Basic sanitation is described as having access to facilities for the safe disposal of human waste (feces and urine), as well as having the ability to maintain hygienic conditions, through services such as garbage collection, industrial/hazardous waste management, and wastewater treatment and disposal. In this regard, REVA University conducted awareness program related to health and hygiene in rural areas.

“Social Outreach-NSS - 2020”

Date: 31st January 2020

Regarding to “Social Outreach 2020–THE JOY OF GIVING”, School of Computing and Information Technology took a major initiative step with an aim of participating, supporting and providing a platform for our REVA University students to be part of this prestigious social service event.

Plan: To visit an Orphanage, providing urgent medical requirements, fruits, snacks, create awareness about personal hygiene and Dance programme.

Orphanage: “Home of Hope”, NEW ARK MISSION OF INDIA, Doddagubbi Village, KRC Road, Bangalore 560077.

Home of Hope is an NGO with mission to rescue the destitute and the dying people from the streets. To enrich their lives with hope and purpose. To provide them shelter, care and medication. To impart education for children rescued from the streets. To empower such individuals with vocational training so as to enable them to become self-supporting and self-reliant. To improve basic amenities offered to the residents so that they would lead a fulfilled, noble life and death. To catalyze overall development of the homeless people. NAMI hopes to collaborate with mainstream institutions (both corporate and not-for-profit organizations) that are willing to provide support through finance, medical care, education and volunteers to help support the mission and vision of the organization. To open the ‘Home of Hope’ Centre in each and every state across the country. To transform the nation with greater and stronger values of service towards the underprivileged.

Day of visit: Friday, 31st January 2020.

Amount received for Contribution from faculty members & students: Rs. 13625/-

Faculty members, non-teaching staff and student volunteers visited **Home of Hope** on Friday, 31st January 2020. The event started with awareness program about personal hygiene, followed by donation of urgent medical requirements, snacks and fruits and other required materials to needy people in **Home of Hope**. The event concluded with Dance programme.

List of faculty members and non-teaching staff visited the place:

Prof. Gopinath R

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Ministry of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year in 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community (esp. Villages) linkage.

National Integration Camp (NIC):

The National Integration Camp (NIC) is organized every year and the duration of each camp is of 7 days with day-night boarding & lodging. These camps are held in different parts of the country. Each camp involves 200 NSS volunteers and 12 Programme Officers to undertake the scheduled activities.

Objectives of the National Integration Camp are as follows:

- To understand unity in diversity of India.
- To get well-acquainted with the historical diversity of our culture.
- To inculcate National pride through knowledge about India
- To integrate the nationality through social service.

First day of National Integration Camp 26th February 2020

On 25th and 26th February 2020 NSS troops of different part of India arrived to Aditya Educational Institution, Surampalem, Esat Godavari Dist., Andra Pradesh. NSS teams of different parts of India accommodated in the Aditya Educational Institution, Surampalem, Esat Godavari Dist., Andra Pradesh. The inauguration program was presided by Sri. N Satish Reddy, Vice-Chairman, Aditya Group of Institutions and other dignitaries on the dais.

Awareness program on

“Corona (COVID-19) causes and its effect”

School/Department: National Service Scheme (NSS)

Venue: Online

Date: First week of April –May 2020

Year: 2020

Description of Event:

The NSS unit, REVA University had organized Awareness program on “**Corona (COVID-19) causes and its effect**” Every first week of March –April –May 2020 and 100 students have participated in this awareness program session was taken by Prof. Madhu B P, **NSS Coordinator**

Program briefing

NSS unit-REVA conducted awareness program for the students to stay safe in home during Covid 19 and this program is essential for this type of pandemic situation because most people infected with the COVID-19 virus will experience mild to moderate respiratory illness and recover without requiring special treatment. Older people, and those with underlying medical problems like cardiovascular disease, diabetes, chronic respiratory disease, and cancer are more likely to develop serious illness.

Following points have discussed in this program

- The best way to prevent and slow down transmission is be well informed about the COVID-19 virus, the disease it causes and how it spreads.
- Protect yourself and others from infection by washing your hands or using an alcohol based rub frequently and not touching your face.
- The COVID-19 virus spreads primarily through droplets of saliva or discharge from the nose when an infected person coughs or sneezes, so it’s important that you also practice respiratory etiquette (for example, by coughing into a flexed elbow).
- At this time, there are no specific vaccines or treatments for COVID-19. However, there are many ongoing clinical trials evaluating potential treatments. WHO will continue to provide updated information as soon as clinical findings become available.

“Celebration of World Population Day”

School/Department: National Service Scheme (NSS)

Venue: REVA University Gate to Baglur Cross

Date: 11th July

Year: 2019

Description of Event:

The NSS unit, NCC wing UIIC Cell –REVA University had organized “**Celebration of World Population Day**” Thursday, 11th July, 2019 between 09.00AM to 11.30AM. Around 200 students of NSS and NCC students participated in this mega event lead by Prof. Madhu B P, NSS Coordinator, Lt. Arpan Dixit, Associate N.C.C Officer Dept- Administration, REVA University, Bengaluru

Greetings for the day!

As there is famous saying "Excess of anything is bad", It applies to anything and everything including population. The Human's count is increasing exponentially leaving only the habitable planet so far, Earth in tatters. The World Population day which is observed every year on July -11, REVA University NCC Wing and NSS Team Marked this day with Awareness Rally. Our Vice-Chancellor Dr. S. Y. Kulakarni sir graced the occasion with flagging off the rally in presence of Director Admin Col. Natrajsir. Along with NCC cadets, NSS Students, UIIC students, and PI Staff around 200 students participated for the event. The rally was started from REVA University gate to Baglur cross in which participants carried out the procession with banners displaying slogans on "WORLD POPULATION DAY" with the aim to generate the public awareness towards Nation building.

REVA University Celebrated RakshaBandhan Day with CRPF Jawans

Bengaluru, August 15, 2019: RakshaBandhan Day symbolises bonding and love of siblings. On this special day, brothers are taking vows to protect their sisters. Since CRPF jawans are the protectors of law and order in our country, REVA University students took the opportunity to show their gratitude to CRPF Jawans by tying 'Rakhis' to them. Lt. Arpan Dixit (ANO) of REVA University initiated the event.

This year, students and NCC cadets of 39 Kar BN of REVA University celebrated 'RakshaBandhan Day' and 'Independence Day' with CRPF Jawans of CRPF Group Centre at Yelahanka. Around 250 CRPF Jawans and officers, and 130 students took part in the event to celebrate 'RakshaBandhan Day'. Dr. Abha Saxena, Head, RCWA, GC, CRPF also tied 'Rakhi' to Dr. S. Y. Kulkarni, Vice-Chancellor of REVA University. Students were delighted with this unique experience as they got the privilege to meet and interact with the jawans.

REVA University students conducted a short programme to show their respect, gratitude and support to the jawans. Shri. Ramesh Kumar, DC (Adam.) gave a warm welcome to all REVA students. Deputy Inspector General of CRPF, Shri. Sanand Kamal thanked REVA students, staff and NCC cadets to initiate such events and said that this small gesture will boost the morale of the jawans.

Registrar
REVA University
Bengaluru - 560 064

Dr. S. Y. Kulkarni, Vice-Chancellor of REVA University also thanked all CRPF jawans for maintaining the law and order in the country efficiently to provide a peaceful life to Indians. The Vice-Chancellor also mentioned that this 'RakshaBandhan Day' with CRPF Jawans always be remembered because it inculcated the spirit of patriotism and sense of bonding in the minds of the students.

The event ended with group photographs of REVA students along with CRPF jawans.

Friendly Cricket Tournament and Dogs Show at REVA University.

On the Occasion of 144 Birth Anniversary celebration of SardarVallabhbhai Patel REVA University NCC Wing and Group Centre CRPF Bangaluru organized the Dog show and Friendly Cricket match with NCC,BSF,CRPF, and CISF , Shri G.V.H. Giri Prasad , IGP (CRPF) was the Chief Guest of the programme. Chancellor Dr.P.Shyamaraju appreciated for this friendly Cricket match in his presidential Address. The team was divide between two groups Group A and Group B , In Group A REVA University NCC Wing and BSF was there and In group B CRPF and CISF was there. The final was between BSF and CISF , this match was indeed a very closely fought match with betting finish.

The entire atmosphere reverberated with the collective sights and applause from the Audience.

Shri Sanand Kamal (DIGP) And Col.Natraj (Director Admin) REVA University appreciated both the winner

Teams. Basically this match was to bridge the gap between security agancies and educational system , it was the plateform where most of the security agancies were in one plateform with Support of REVA University.

Dog Show was an amazing program the idea behind this to boost the patriotism in students with giving the various demonstration that how our forces and Dogs play the role in concern of our national security.

REVA
UNIVERSITY
Bengaluru, India

Date- 5 Dec,2019

Venue- Kuvempu Auditorium

Number of Cadets : 26

REVA University was the Venue for the National Level Seminar on “NCC: An Instrument of Nation Building , Future Challenges and Growth” organized by Karnataka and Goa Dte NCC under the agies of Brig. D M Purvimath, VSM**, Deputy Director General, Karnataka and Goa Dte NCC on behalf of Lt. General PP Malhotra VSM, Director General NCC on 05th Dec 2018. The event took off at Kuvempu Auditorium, in the campus with an assembly of eminent personalities from Defense and Education along with NCC Cadets from all Directorates.

Smt. Mridula Sinha, H'onable Governor of Goa was the Chief Guest of the event. Dr. P. Shyama Raju, Honorable Chancellor, REVA University was venerated by Lt. General PP Malhotra for his illustrious contribution to society as an Edupreneur. Other important dignitaries, Vice Chancellors and Principals from various Universities were also present to grace the occasion.

A Panel Discussion brought forth relevant discourse on the contemporary points on NCC and its role in shaping the country and youth, that was germane to Nation building. Amongst the eminent speakers were two retired army commanders Lt Gen K Surendra Nath, PVSM,AVSM,VSM (Retd) and Lt Gen (Dr) V K Ahluwalia, PVSM,AVSM**, YSM,VSM (Retd).

One of the first of its kind, to be hosted at a University, the seminar will open avenues for the youth of the country in this field of distinction, charting out its possibilities. REVA provided the infrastructural support and smooth flow for the event, with active participation from REVA NCC Wing that was also part of the organizing committee of the event.

REPORT ON NATIONAL SECURITY DAY

School/Department: National Cadet Corps (NCC)

Date- March,2020

Venue- Vivekananda Seminar Hall

Year: 2020

Number of Cadets : 26

REVA University NCC Wing celebrated National Security Day on March 4, 2020. In this event some of the eminent personalities were present namely – Air Marshal Satish Pal Singh (Retd.), AVSM, PVSM, VM, Commodore C.D Balaji, Director ADA, (Govt. of India), Inspector General Dr. SabuA Joseph (BSF), Brigadier Amardeep Singh (Retd.), R. Shekhar, Deputy Director, IB Grid, Bangalore. Along with the panel members were present all REVA University dignitaries namely –Dr. S.Y Kulkarni, Vice Chancellor, REVA University and Dr. Laxman Kumar, Pro Vice Chancellor, REVA University to grace the occasion.

In respect of the brave hearts of our country, REVA University celebrated this day where students and faculties made the event very interactive by asking questions related to external and internal security system of our country.

In his speech, Air Marshal Satish Pal Singh (Retd.), shared his experience being in the Kargil War and also appealed the students to serve the nation by joining forces. He also urged the students to be part of the academic institutions and come forward for Nation building. Commodore C.D Balaji also took the stage and shared his experience and also shared the importance of warships in National Security. The event aroused national integration among the students to join forces.

A Visit to an Orphanage: A Call to You to Do Something – Anything

Date: 05th April, 2019

On Friday, 5th April 2019, we from School of ECE and REVA Rotaract Club along with 25 students visited an orphanage “**Sumangali Seva Ashram**” situated near Hebbal and “**Adarane Charitable Trust**” situated near Hegde Nagar, Yelahanka.

Sumangali Seva Ashram and **Adarane Charitable Trust** are Non-Voluntary organization dedicated to the facilitate services for Down trodden deserted women, Orphan children and economically weaker people in the society.

The rice grains which were collected during the “**AIKAKARMYA**” event was distributed to both the above organizations.

As the gate of the home opened, we were greeted with smiling faces of children, they all eagerly looked to see who had come into our abode. As we proceeded to the reception to drop the items we went with and to get any information or rules we need to know and adhere to while we are there. After the permission to play and interact with the kids were granted, we gathered around the kids, asked for their names and introduced ourselves. We spent around 1-2 hrs with these kids.

The Joy that radiated from the kids touched us deep down, we saw how much of a home they had, filled with lots of sisters. They were eager to play games, to answer questions, they all wanted to be carried and played with -given special attention. They all were kids full of smiles, without a care in the world. Eager to play and even to pray. They indeed sang a devotional song which was heart touching. As we left the Ashram, a thousand thoughts played and fought for preeminence in our head, a thousand words wanted to burst out of our mouth in expression of our feelings, but yet, nothing came out. Yes! We were overwhelmed.

This was our first visit ever to an orphanage home and it has left a lasting imprint in our heart.

Here are some of the glimpses into our visit,

Blood Donation Camp

Date: 28th August 2019

Venue: Open Amphi Theater, Sir C.V.Raman Block, REVA University, Bengaluru.

Organized By: REVA Rotaract Club & School of ECE, REVA University

The “**Blood Donation Camp**” was organized by “**REVA Rotaract club & School of ECE**” in association with “**Rotary Yelahanka and Jaynagar Voluntary Blood Bank**” was organized on **28th August 2019** in **Open Amphi Theater, Sir C.V.Raman Block**.

Rtn.Pradeep Rao, President, Rotary Yelahanka and **Rtn. Govindan N**, Community Service Director, Rotary Yelahanka, **Dr. R.C. Biradar**, Director School of ECE, **Dr. Bharathi S.H & Dr. P.I. Basarkod**, Professors, School of ECE were presided over the function.

All the dignitaries gave a glimpse on the importance of Blood donation and quoted “**Every Blood Donor is a life Saver**”.

The camp functioned efficiently without any flaws and we are happy to report that none of the donors experienced any sort of side – effects after donating blood.

”Around 455 members from different schools participated which includes both students and staff fraternity from REVA University.”

The doctors and all the other staff members from JVBB and Rotary Bangalore acknowledged the facilities provided by the University which helped them to smoothly conduct the camp.

Jayanagar Voluntary Blood Bank and Rotary Bangalore handed over a certificate of appreciation to REVA University.

We would like to thank our beloved Chancellor **Dr. P. Shyama Raju** Sir for providing all facility and support to conduct such programs. We also thank Vice Chancellor **Dr. S. Y. Kulkarni** Sir, Registrar **Dr. M. Dhananjaya** Sir,

Outreach Activity Report on “**Awareness on Ancient Ayurveda Treatment**”
Date: 27th Sep, 2019

School of ECE had organised an awareness program on “**Ancient Ayurveda Treatment**” on, 27th September 2019 between 10:30 AM to 2:00 PM at Room No.102, Sir C V Raman Block, REVA University.

Ayurveda literally means “**The science of life**” and it teaches us to tune into both the conspicuous and subtle indicators that there is room for improvement within—**Body, Mind, and Spirit**.

The session was given by **Dr.T.Godwin, Deputy Medical Superintendent, KERALA AYURVEDA Ltd, Bengaluru**.

Dr.T.Godwin provided the awareness on Ancient Ayurveda Treatment. He is an expertise in Diagnosing and treating any kind of diseases and condition through Ayurveda & Yoga.

Dr.Swetha and Dr.Swathi provided the free **consultation** for the Students and faculty members.

Around **130 students and Faculty members** from school of ECE attended the session.

The Session focused on following key points:

- Brief introduction to the Ancient Ayurveda.
- Awareness was created about the different types of Ayurveda treatment.
- Interacted with students and Staff Members and asked them about their problems.
- Consultation was given to few problems faced by the present Health scenarios.

**Report on outreach activity organized by
University Industry Interaction Center**

Date: 31/08/2019

**Venue: Government School
Sahakar Nagar Bengaluru**

Time: 10 AM-3 PM

The Department of UIIC, REVA University successfully organized a CSR Program of “Wall Painting at Government School” in Collaboration with NGO “Vedan Hasi”, C&IT and RU students actively participated and shown their talents in wall paintings. The programme objective was to help the students with diagrams related to science and mathematics.

It was a very good experience for our students to participate in such a good event as it was helping the society at large and for the student’s personal growth. It was a fun activity initially but later it developed as a responsibility towards the underprivileged students.

From UIIC department Dr. Kiran Kumari Patil was the Lead Head and Ms Arshiya and Ms. Vanitha were the coordinators for the event. Mrs Shylaja Thota was the coordinator from the C & IT department. Every one participated in the event and gave their best. In this regard, we would like to thank Honorable Chancellor Sir, Respected VC Sir, Registrar Sir, Associate Dean Dr. Beena madam and Lakshmanan G Sir for their Continuous support.

MODERN FOOD INDUSTRIES LTD

INDUSTRIAL VISIT

The school of legal studies had organized a visit to the regional branch of **Modern Food Industries (India) Ltd** on 28th of November 2019.

Modern Food Industries (India) Ltd (MFIL) was set up in 1965 as Modern Bakeries (India) Limited situated at Kazhikundram, Taramani (Near Tidel Park). It was set up under the Colombo plan. It got its present name in 1982. MFIL had bread manufacturing units in 13 cities spread across India. MFIL had also marketed fruit juice concentrate under brand name *Rasika* in Delhi. MFIL also produced aerated soft drinks under the brand *Double Seven*. MFIL was a wholly owned Central Government-owned PSU. It was taken over by Hindustan Lever Limited in January 2000. This was the first privatisation of public sector unit by the government of India. Modern Foods had over 40% of the bread market in India.

HUL was the sole bidder for Modern Foods. It paid Rs 10.5 million, as per the valuation exercise undertaken by its valuer ICICI, for 74% of the shares. Later the government exercised its put option to sell the remaining 26% to HUL for Rs 4.4 million in November 2002. In 2006, HUL merged MFIL with itself. Senior HUL officials said the acquisition was a complete misfit with the HUL culture and systems. The company had admitted that the acquisition was a mistake on account of improper due diligence.

In 2001, HUL referred MFIL to Board of Industrial and Financial Reconstruction. Subsequently HUL decided to sell the company to Singapore based Everstone Capital. In April 2016 Modern changed hands again, this time to Everstone Capital. Today the company is called Modern Foods Enterprises Pvt. Ltd. and is 100% owned by Everstone Capital.

The students were addressed by the Hr.Manager & Production Manager of **Modern Food Industries (India) Ltd**, who shared the hierarchy of the organisation, HR policy and Production process, Quality Mgt etc, which are the most important aspects of employees and production .

The students were taken to the various departments such as production, HR and marketing department and students were given concrete exposure to the **Modern Food Industries (India) Ltd**.

Social Outreach Programme-2019

The School of Electrical and Electronics Engineering had organized a Social Outreach Program at **Chikkasanne, Anneswara Grama Panchayat, Devanahalli Taluk, Bangalore** on **06/11/2019**, from 3rd, 5th, & 7th semester students. About 41 students actively participated in the awareness program. During this program, the students have visited all the houses in the village to conduct door to door survey and collected the energy details from each house: The students explained about the energy conservation measures that can be adopted to reduce the electrical bill and also spread the awareness on use of solar energy for water heating, solar home lighting system, solar lantern, solar cookers, energy efficient smokeless. This would reduce wood consumption as well as smoke will reduce considerably, Gobar gas plant for cooking as well as for lighting, solar pumps through MNRE subsidy scheme, etc.

DANCE OUTREACH : World Dance Day – “Little Sisters of the Poor”;
BOSCO Mane; Kidwai Memorial Institute of Oncology”

29th and 30th April, 2019

This year the school was inspired to take dance to new and unusual places which helped the school for an Outreach programme, where a total number of 12 faculty and students visited an old-age home – Little sisters of the poor during the morning half. Here students danced and sang for the residents of the old-age home who were overjoyed to have the program. The same evening, another team of 10 student dancers went to the orphanage- Bosco Mane, and performed for the vivacious little wonders there. The children had a wonderful time interacting with our team. The next day, continuing the spirit and celebration of World Dance Day, yet another team of 10 dancers went to Kidwai Memorial Institute of Oncology and performed for the patients and caregivers of the hospital. This World Dance Day truly was an overwhelming and yet, humbling experience for all of us in the School of Performing Arts.

Jagruthi Dance on Gender Equality

22nd February, 2020

SoPA presented a performance for Inspire- REVA Women's Convention on the 22nd of February, 2020. This piece was about a woman who overcame the evils of regression and emerged triumphant against all odds. It tried to depict gender equality and its benefits on society. 6 students participated in this event.

COVID Dance

14th March, 2020

Professors Sruthy Chandrasekhar, Aswini Nambiar and VrindaSadasivan, put together a powerful dance sequence with students of Bharatanatyam and Kuchipudi. The piece was choreographed in the wake of the Corona virus threat, the School of Performing Arts, REVA University, sent out a message urging everyone to be vigilant and taking all appropriate measures to protect themselves and the human race, and urging all to stand united against this threat . 8 students participated in this event. The piece was also featured on Kairali TV. The video can be found on YouTube on this below mentioned link.

REPORT

Title: "Visit to Bala Mandira Hostel"

Date: 5th April 2019

Time: 9:00 AM to 2:00 PM

Venue: Marigowda Road, Hombegowda Nagar, Bengaluru - 560029

Organized By: Smt. RukminiShyamaRaju Club for Social Service, School of Civil
Engineering

Description of Event:

Smt. RukminiShyamaRaju Club for Social Service, School of Civil Engineering organized a visit to Bala Mandira Hostel on Friday, 5th April 2019 between 9:00AM to 2:00PM. 70 students of Civil Engineering took part in the event.

A drive was organized in the college campus where donations in the form of money, clothes, stationeries, packed food items were collected for the children.

The day began with all students leaving the college campus at around 9:00 AM. They reached the hostel at around 10:30 AM. The hostel consisted of around 80 boys whose ages ranged from 7yrs to 17yrs.

The children of the hostel had gathered and welcomed the students. The members of the club then received an opportunity to interact with the children there by organizing fun activities for them.

The children were encouraged to exhibit their talent in dancing and drawing. The students also conducted a cricket match for the children. They were even taught to play sports like football and basketball.

After the events, each child was gifted with a bag which consisted of all basic necessities which included toiletries (like soap, oil, comb, toothpaste and tooth brush), notebook, pen and pencil. They were provided with fruits, chocolates and biscuits as well.

The other materials given to the children included T-shirts, shirts, nightwear, shoes, food items and stationeries. The students bid them adieu and left the hostel at 2:00PM. Lunch was organized for the students in the college campus.

The event was concluded and proved to be a memorable event for all the members of the club who took part in it and would like to thank all the REVA family members and kattigenhalli shopkeepers who stepped forward to lend a helping hand by donating good condition materials for less fortunate children's.

Title: “Workshop on Propagation of emerging trends for sustainable earth”

Date: 25th April 2019

Time: 9:00 AM to 2:30 PM

Venue: Sir.M.Visvesvaraya Block, 1st floor Seminar Hall

Organized By: School of Civil Engineering

Description of Event:

The workshop was on “**Propagation of emerging trends for sustainable earth**” conducted by Parisara Club, REVA University. Three eminent speakers have given good knowledge and information on Propagation of emerging trends for sustainable earth.

The Programme was commenced with invocation song followed by welcoming the dignitaries by **Dr. S. Y. Kulkarni**, Vice Chancellor of Reva University.

Dr.Y.Ramalinga Reddy, Director, School of Civil Engineering, addressed the gathering, briefed the objective and importance of Technical workshops to upgrade the Knowledge and Skills. With a Brief Introduction of Speaker, the First technical talk was on “**Ambient Air Pollution: Sources, Trends in Bangalore City - Local challenges and opportunities**” by **Dr.B.Nagappa**, Scientific Officer, Karnataka State Pollution Control Board, Bangalore. It was an excellent talk, explained the cause of Air pollution and to resolve the problems by adopting healthy environment, to minimize the respiratory health issues.

After the tea break the second session was commenced with the brief introduction of Speaker **Dr.Purandara Bekal**, Scientist, National Institute of Hydrology, Belagavi on “**Environmental Geochemistry- An Emerging Trend**”. It was an innovative talk covering the broad area of Geological process and formation of earth and Hydrogeological provinces of hard rocks.

The Third session was commenced with the brief introduction of third Speaker **Dr. K.V. Manoj Krishna**, Assistant Professor, Department Of Civil Engineering, Government S K S J Technological Institute, K.R.Circle, Bengaluru, on “**Introduction to Geotechnical Engineering and Recent Avenues in the Field Of Ground Improvement Techniques**”. It was an innovative talk covering the broad area of Soil Mechanics and improvement of soil.

Our students were highly motivated after the speech of the above speakers.

Talk focused on the following key points:

- Source of Air pollutants
- Status of Ambient Air Quality Monitoring Programme in Karnataka
- Air quality monitoring in Bangalore
- To take step improve the air quality of Bangalore city to BBMP, BDA , Police Dept & Transport (Co-ordination Committee).
- Developmental works after 2014-15 in Bangalore city

Registrar
REVA University
Bengaluru - 560 064

- Annual average values of PM₁₀ in Bangalore city
- Origin of magma and rock cycle
- Formation of Igneous and Metamorphic Rocks Sedimentary Rocks
- Hydrogeological Provinces of Hard Rocks in India
- Hydrogeological Investigations Carried out
- Problems associated with groundwater withdrawal
- Mapping Regional Flow Systems
- Chemical Properties of the Elements
- What is the Earth made of
- The Nature of Solids in the Geosphere
- Geosphere-Hydrosphere Interactions and the Formation of Sediments and Clay Minerals
- Conventional Laboratory Tests
- What is Shear Strength
- Influencing Factors on Shear Strength
- Construction Techniques
- Earth Pressure and Retaining Walls

Following are the outcomes achieved with this Expert talk

- A clear-cut understanding about Air pollution and Geological process
- To determine the cause for the increasing Health issues in the society
- To know all the key points to keep in mind while Hydro-geological Investigations Carried out
- Processes involved in the formation of earth
- Why geological study is important.
- What are the Construction Techniques
- An ability to understand the problems created by us and to resolve it.

REPORT

Title: Free Medical Check up Sumangali Seva Ashrama

Date: 4th October 2019

Time: 9:30 AM to 3:00 PM

Venue: Amarjyothi Colony, R. TNagar, Bengaluru – 560032

Organized By: Smt. Rukmini Shyama Raju Club for Social Service, School of Civil Engineering.

Description of Event:

Smt. Rukmini Shyama Raju Club for Social Service, School of Civil Engineering organized a free health camp at Sumangali Seva Ashrama on Friday, 4th October 2019 between 9:30 AM to 3:00 PM. 35 students of Smt. Rukmini Shyama Raju Club took part in organizing the event.

A drive was organized earlier in the college campus where donations in the form of money, was collected to organize the event.

The day began with all students leaving the college campus at around 9:30 AM. They reached the ashrama at around 10:30 AM. The ashrama consisted of around 250 children among which girls and boys are around 5 years to 15 years of age group, including few adults.

The founder of the ashrama and the children wholeheartedly greeted the students. The members of the club then received an opportunity to interact with the children there by organizing free health camp and some activities and thereby motivating the children.

Health camp was arranged in a very peaceful manner, every child was given complete necessary treatment and even doctors enjoyed by treating them. They were also provided with the necessary medicines.

At last, lunch was organized for the students by the members of the ashrama as a token of gratitude. The students bid them adieu and left the ashrama at 3:00 PM.

The event was concluded and proved to be a memorable event for all the members of the club who took part in it and would like to thank all the REVA family members and medical officers Dr. Kala S. and Dr. Abhishek Mani who stepped forward to lend a helping hand by spending the quality time by doing the checkups like general physical examination, blood sugar analysis, free de-worming and other needful medicine distribution.

Student club members are thankful to Doctors for their kind support in organizing the event.

<p style="text-align: center;">Blood Donation Camp - 2020 Organized by School of Computing & Information Technology A Brief Report</p>	
About the Event	The School of Computing & Information Technology organized a Blood Donation camp in association with Bangalore Blood Bank at REVA University.
Organized By	RACIT Committee of School of Computing & Information Technology
Date of Event	14 th Feb 2020
Faculty Coordinators	Dr. Ashwin Kumar Dr. Shanthala Patil Prof. Spoorthi Rakesh Prof. Surendra Babu Prof. Arunakumara B Prof. Chaitra B
Targeted Audience	Students and Staff members of REVA University
No. Of Participants	33 student Volunteers from School of Computing & Information Technology involved in organizing the event and we were successful in contributing around 410 units of blood from our university which will be helpful in saving around 1500 lives
Feedback from Participants	All the participants expressed their happiness in involving themselves in the social service towards the nation.

We the School of Computing and Information Technology are very happy and thankful to all the students and staff members who actively participated in the event and appreciate for donating the blood which is most valuable thing in each and everyone's life.

Glimpse of the event is shared below by few pictures taken during the conduction of the event.

Awareness Drive by DATRI Foundation

School: - Applied Sciences

Venue: - APJ Hall, Science Block

Date: - 2.04.2019

Year: - 2019

On 2nd April 2019, donor drive awareness campaign for stem cell donation was organized by DATRI in association with Dept. of Biotechnology. DATRI is a Non Profit Organization founded in the year 2009 with a mission to save lives of those suffering from life threatening blood disorders like Blood Cancer, Thalassemia, Aplastic Anemia etc.

The moto of the drive was to spread the much needed awareness on Blood Cancer and other fatal blood disorders and to register potential volunteer stem cell donors who can donate their blood stem cells in the event of a match. DATRI is registered member with World Marrow Donor Association (WMDA) and follows WMDA guidelines and processes.

V.Srinivas, Donor Drive Coordinator, DATRI Blood Stem Cell Donors Registry was the resource person for the session. Post graduate students of School of Applied Sciences, Students and faculty members from all Engineering schools, Arts and Humanities, School of CSA also have participated in the drive. Session started with a welcome address and introduction of speaker to the esteemed gathering. A thorough presentation on need of stem cell donation was given in the session by V Srinivas.

Registrar
REVA University
Bengaluru - 560 064

Many faculty members and students registered as volunteers and gave their cheek swab sample so that in future a probable match is found, they can donate their stem cells. Total number of participants is 300 and total number of registration is 170.

It was a fruitful session as there was a social cause involved to save the lives of millions of people having blood related disorders.

Report on Visit to SWANTHANA, a special care centre

**Venue: Swanthana, Sarjapura Road, Ambedkar Nagar,
Carmelaram Post, Bengaluru – 560035.**

School: School of Applied Sciences – Biotechnology.

Date: 26th April,

Year: 2019

The Department of Biotechnology, School of Applied Sciences, had organized a visit to Swanthana, as a part of social outreach activity. Swanthana, run by the Daughters of St. Camillus was established in September 2006. It houses 50 girls between the ages 8 months and 15 years, who are mentally challenged and have multiple disabilities. These young petals were gathered by the local Police, from Railways, Bus stand, roadside, dust bin, behind the compound walls of the hotels and around the market areas, abandoned by the parents. Swanthana open its door to all the mentally challenged, physically handicapped and all the other disabilities of brain which made them incapable of self care. At present we are having 50 children in Swanthana.

Five students from UG and PG Biotechnology along with a faculty, Dr. Ramya visited the organization. We interacted with the caretakers and few children. The basic requirements were handed over to them.

Report on social outreach program conducted by Genetics club

School: Dept. of Biotechnology, School of Applied Sciences

Venue: BG National Public School , Jakkur

Date:12/1/2019

Year: 2019

Students of final year B.Sc. (BBG) demonstrated biology experiments for the SSLC students of BG National Public School , Jakkur layout Bangalore -64 on 12/1/2019. The social outreach program was conducted by students, Yogitha Sagar, Sneha Priya, Chandana along with lab instructor Ramyashree K N in the guidance of Dr. Manjula.K.R.

Dr. Manjula initiated this program by explaining school children about the importance of biology by demonstrating experiments like blood typing, dermatoglyphics, egg shell change to different solutions etc., Students also actively participated in the experiments. UG students also explained the school children about cell division and practical demonstration of all the experiments created curiosity among the children. Faculty and school children and management of BGNPS thanked the organizers of the practical session.

Report on “Cleaning up of Non-Biodegradable Wastes at Nandi Hills”

School of Applied Sciences, REVA University organized an “Awareness campaign and Cleanliness Drive of Non-biodegradable wastes” as a part of Jagruti Towards Global warming. The first session of this drive was Cleaning up of Non-Biodegradable Wastes at Nandi Hills, Bangalore. It was conducted on September 14th, 2019. 200 students from various departments of the School were a part of this campaign along with 20 Faculty members. Students intentions screamed loud as GO GREEN with their green attire. Students dispersed to different areas at Nandi Hills and picked up several dry wastes including Glass bottles, Wrappers, plastic bottles, plastic covers etc. At the end of the students’ toil, we were able to collect around 25 gunny bags of waste which was handed over to the authorities for proper disposal. We are extremely thankful to Mr Ramesh, Deputy Director, Nandi Hills for his immense support and permission. We also take the opportunity to thank our Honourable Chancellor, Dr P Shyama Raju as this idea is his Brainchild. We are immensely proud about our mission on spreading awareness on Global Warming. Let’s come together, participate and make Earth a better place. It’s now or never.

Report on Global warming awareness Program (Jagruthi-2)

School: Applied Sciences, Department of Biotechnology

Venue: Government high school, Jakkur

Date: 27/9/2019

Department of Biotechnology, School of Applied Sciences organized awareness program on global warming for the students and faculties of Government high school, Jakkur , Bangalore-64, as part of Jagruthi-2 of REVA University. 1st and 2nd year students of B.Sc. Genetics students along with Dr. Manjula.KR visited the School on 27th August 2019.

Program started with a global warming awareness talk by Dr.Manjula, and followed by a song on global warming by REVA students. Children got enlightened about the theme through the skit performed by students. Competitions were held for high school children to check their interest and knowledge about the theme. Program concluded with distribution of plant saplings. We thank REVA family for the entire support extended.

REPORT ON AWARENESS PROGRAM

Report on Awareness program regarding Global warming and COVID-19

School: - Dept. of Biotechnology, School of Applied Sciences

Venue: - St. John English School, Amruthahalli, Bangalore

Date: - 10.03.2020

Year: - 2020

No. of Participants: 70

Department of Biotechnology, School of Applied Sciences conducted an awareness program towards global warming and COVID -19 at St. John English School, Amruthahalli, Bangalore on 10.3.2020. The awareness program was conducted under the Jagruthi initiative program conducted by REVA University. The program was conducted by students of B.Sc. BBG students under the supervision of Head of Department, Prof. Renuka Madhu, Dr. Prabhakar Mishra and Dr. Guruprasad NM. The awareness program initiated with the presentation about the global warming, its complicated scenario and measures to reduce this threat of global warming. Simultaneously another presentation was delivered by the students which provided the information about COVID-19, about the corona virus and all precautionary measures which would help a common man be away from this life-threatening disease.

Post presentation the Quiz competition was conducted for school children on the theme of global warming and corona virus. At last there was a short skit being conducted by university students to make the audiences understand the COVID-19 and its lethal complications, also how people can save themselves from COVID-19 through implicating the precautionary measures like regular wash of hands by soap, wearing mask at crowded place, use of sanitizer etc. At last the winners of quiz competition were awarded with different prizes and the school authority was thanked for their support towards making the program successful.
