Awareness Program on

“Corona Virus (COVID-19)”

School/Department: National Service Scheme (NSS)

Venue: online through MS team

Date: 6th May

Year: 2021

Description of Event:

The NSS unit, REVA University had organized awareness Program on **“How to take Safety Precautions in a pandemic situation related to Coronavirus Disease (COVID-19)”** on 06.05.2021 from 6 pm to 7 pm through MS Teams, around 110 staff and students participated in this event.

Program has started with welcome speech by Ms. Pallavi M, NSS Volunteer.

Motivated by our Registrar sir Dr N Ramesh spoken related COVID 19 Awareness

Dr.Shivakumar.T, M.D (Ayurveda) working as AYUSH Medical officer, Chitradurga briefly explained about COVID19 causes and effect.

He answered all the question raised by participants.

Coronavirus disease 2019 (COVID-19) is an infectious disease caused by severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2). It was first identified in December 2019 in Wuhan, Hubei, China, and has resulted in an ongoing pandemic. The first confirmed case has been traced back to 17 November 2019 in Hubei. As of 4 August 2020, more than 18.4 million cases have been reported across 188 countries and territories, resulting in more than 697,000 deaths. More than 11 million people have recovered.

Awareness program plays important role to avoid spreading COVID-19, in this regards, The NSS unit, REVA University had organized awareness program on “Corona Virus (COVID-19)”

A COVID-19 vaccine is a vaccine intended to provide acquired immunity against severe acute respiratory syndrome coronavirus 2 (SARS-CoV-2), the virus causing coronavirus disease 2019 (COVID-19). Prior to the COVID-19 pandemic, there was an established body of knowledge about the structure and function

of coronaviruses causing diseases like severe acute respiratory syndrome (SARS) and Middle East respiratory syndrome (MERS), which enabled accelerated development of various vaccine technologies during early 2020.[1] On 10 January 2020, the SARS-CoV-2 genetic sequence data was shared through GISAID, and by 19 March, the global pharmaceutical industry announced a major commitment to address COVID-19.[2]

In Phase III trials, several COVID-19 vaccines have demonstrated efficacy as high as 95% in preventing symptomatic COVID-19 infections. As of April 2021, 14 vaccines are authorized by at least one national regulatory authority for public use: two RNA vaccines (Pfizer–BioNTech and Moderna), five conventional inactivated vaccines (BBIBP-CorV, CoronaVac, Covaxin, WIBP-CorV and CoviVac), five viral vector vaccines (Sputnik Light, Sputnik V, Oxford–AstraZeneca, Convidecia, and Johnson & Johnson), and two protein subunit vaccines (EpiVacCorona and RBD-Dimer).[3][failed verification] In total, as of March 2021, 308 vaccine candidates are in various stages of development, with 73 in clinical research, including 24 in Phase I trials, 33 in Phase I–II trials, and 16 in Phase III development.[3]

Report on

“Tree Plantation”

School/Department: National Cadet Corps

Venue: Government Higher Primary School, Sonappanahalli

Date: 23rd September \

Number of Cadets : 26

Description of Event:

The NSS, NCC unit of REVA University in association with State NSS Cell, Karnataka and Rotary Club, Kuvempunagar had organized “Tree Plantation” in Government Higher Primary School, Sonappanahalli, Bengaluru North Dist.

Planted around 25 trees namely Tabebuia Rosea, Felicium, Silver, Neem on Wednesday, 23rd September, 2020 from 11.00 AM to 12.30 PM. Around 20 staff and NCC students of REVA University, participated in this event.

The inauguration program was presided by **Dr. K Mallikharjuna Babu**, Vice Chancellor of REVA University, Chief Guest was **Dr Ganantha Sheety Ekkur**, State NSS officer, Government of Karnataka, **Dr Poornima Jogi**, State NSS implementation officer, GoK, **Dr Kiran Kumari Patil**, Director UIIC of REVA University, **Dr. Bharathi S**, Director, School of Legal Studies, **Dr. Payel Dutta Chowdhury**, Director, School of Arts & Humanities and Rotary Club Kuvempunagar office bearer.

Nature is God’s most beautiful creation. It felicitates the growth, development and nourishment of all its creatures.

The students participated in the drive enthusiastically and helped each other in planting the saplings. All the saplings were planted in the school ground by students and Officials. The students along with the teachers also took an oath to look after the planted saplings, plant more and more trees and encourage others to do the same. Some of the students also shared their experiences and shared their joy with others.

Highlights of awareness programme:

Registrar
REVA University
Bengaluru - 560 064

- Students will surely help in fostering strong mental and social health amongst today's children so that they connect with their peers, their elders, their community and their environment.
- The importance of trees in purifying the air and maintaining the ecological balance is well-known
- Students understood importance of tree plantation and types of trees which are beneficial to maintain clean environment.
- Students realized impact of air pollution on society.

Title: Computer awareness program for children

Date: 19th February 2021

Time: 10.30 AM to 12.30 PM

Venue: Govt. Higher Primary School, Marenahalli

Mrs. Sankalpasri S S, Assistant Professor, School of Civil Engineering, REVA University presented a talk on Computer awareness program to explore creativity and imagination and also to understand current technologies in adopted school at Govt. Higher Primary School, Marenahalli on 19th of Feb 2021 between 10.30 Am to 12.30 Pm. Since students are future leaders for our nation, they are future doctors, engineers, entrepreneurs. So, it is really important to teach students in schools about computers, the internet and its benefits. Children were happy to be a part of the program. So over all presentation was about basics of computers (MS word, MS excel etc).

School of Civil Engineering, REVA UNIVERSITY adopted a Government Higher Primary School, Marenahalli, Bengaluru under Government school adoption program (REVA ABHIVRIDDI).

As part of REVA ABHIVRIDDI program, School of Civil Engineering, REVA University organized “National Science Day-2021” celebration at Marenahalli on 1st March- 2021 between 11.00 AM to 2.00 PM under theme of ‘Science of today is the technology of tomorrow’. February 28 was designated as National Science Day (NSD) by Government of India in 1987. This day is celebrated to remember the great invention by the Indian Physicist C.V.Raman who discovered ‘Raman’s Effect’. Students and Teachers of Government Higher primary school, Marenahalli, Faculties of Civil Engineering, REVA University and student volunteer’s held assembly to mark this occasion. The day began with Introduction of our Scientist Dr. C.V. Raman by Dr.P.Shivananda Professor, REVA University followed by various activities. Students from Std V to VIII participated in Quiz, and clay model making competitions.

It was indeed a very knowledgeable day in which the main motive was to spread a message about the importance of Science used in the daily life of the people.

The prizes were awarded to the winners of the competitions and the chocolates and Pens were distributed to all the other participants as well as the audience of the event.

List of students participated in Quiz and Clay modelling:

1. Quiz: All the students were participated in quiz activities. Prizes were distributed to top scorer.

2. Clay Modeling: Yamuna, Pavan.S, Pavan.P, Santhosh, Manish, Lakshminarayan shashtri, Kannan, Nikhil, Akash, Swpna, Bhagyasri.

Winners of Clay modelling:

Report on BLOOD DONATION CAMP

On 18th MARCH 2021

School: Mechanical Engineering and Civil Engineering

Venue: Sir M V Block and C V Raman Block

Date: 18/03/2021

Despite a huge population, the demand-supply gap for blood units persists in many healthcare facilities in the country. According to a 2012 report by the World Health Organization, only 9 million blood units are available annually, whereas the demand is 12 million units. Voluntary blood donation comprises about 70% of the blood demand, with the rest coming from replacement donors, whereas 62 nations in the world fulfill their blood demands through voluntary donations.

Due to the unprecedented Covid 19 situation, there is a huge demand of Blood in many Hospitals including Narayana Hrudayalaya.

In view of all the above reasons, A Blood donation camp was organized by **school of Mechanical and civil engineering** on 18/03/2021. The Blood donation camp was organized in **association with Narayana Health city.**

The students and faculties Participated voluntarily in this cause and regarding this effective awareness campaign was created among students community well in advance, As a result **more than 950 units of Blood was collected.**

The founder of Narayana Hrudayalaya, **Dr Devi Shetty** applauded the work of REVA University for the social concern and support given to Blood donation camps from many years. His motivational video to encourage Blood donation during this time of Covid 19 Pandemic was very well received from Faculty and students.

Along with the Blood donation camp, free **medical checkup** was conducted to all faculties on the next day i.e. 19/03/21, It included Sugar test, BP test, BMI, Hemoglobin test, and ECG test. And EYE CHECK UP. More than 125 staff members made use of the facility.

The arrangement for all the above activities was done systematically and the volunteers served their best to conduct the program with social distance and Covid 19 norms. The huge turnout was

due to the effective communication carried on by our volunteer student groups in all classes and digital awareness campaign in social media.

We would like to thank our beloved Chancellor, Dr. P. Shyama Raju for providing all facilities and support to conduct this program. Also, we thank VC sir and Registrar sir for their continuous support.

We also thank our Director, School of Civil Engineering, Dr. Y. Ramalinga Reddy and Asst Director, Prof. Rajashekar S.L, for their constant support and always motivating us to organize such events in School of Civil Engineering.

We also thank all the faculty members of our school and Students for their active participation

Note:

The data base of all 950 donors is prepared and segregated according to their blood group. It includes name, mobile number and Blood group of the donors (Excel sheet is attached along with this report).The data is stored for the future use of needy People.The data base includes the following blood group

**Awareness campaign and Cleanliness drive of Non-Biodegradable wastes at
Lalbagh Botanical Garden**

School: School of Applied Sciences

Venue: Lalbagh Botanical Garden, Bangalore

Date: 2/10/2020

Year: 2020

On the occasion of Gandhi Jayanthi, the School of Applied Sciences and RISM MBA, REVA University organized Awareness Campaign and Cleanliness drive of Non-Biodegradable wastes at Lalbagh Botanical garden. Post the overwhelming response for Jagruti towards Voting Rights, the Chancellor of REVA University, Dr. P. Shyama Raju initiated Jagruti towards Global warming this year. The drive was flagged off by Dr. P. Shyama Raju and Mr. Chandrashekar, Deputy Director of Horticulture, Bengaluru. Around 600 volunteers comprising of students and staff of the university took part actively in the collection and disposal of Non-Biodegradable wastes within Lalbagh premises. As a part of the campaign, a survey on CO2 levels in and around Lalbagh was carried out by the students of Biochemistry. The causes and prevention of Global warming were depicted through a flash mob near the main gate. As a part of the campaign, the experts from the Wildlife Conservation Society enacted a street play on “Snake Bite: Survival Guide”. This drive is one of the many forthcoming events planned by the University.

Students and faculty members actively participated in the waste segregation program. The flash mob performed by the students made the event more meaningful. 100 participants worked with enthusiasm in the program.

**Report on Community Outreach Program at Bangalore rural area,
Devanahalli Taluk.**

School of Architecture, REVA University

2nd January 2021

Faculty coordinator: **Asst .Prof Dr. Anupama RM, Asst .Prof. Nagaraja S**

Course: **Community outreach program**

Place of Activity conducted: **GOVERNMENT HIGH SCHOOL JALIGE**

Students: **1st Semester B.Arch.**

No of Students: **18**

We are glad to inform you that School of Architecture, REVA University has adopted GOVERNMENT HIGH SCHOOL JALIGE. As part of the adoption drive, and marking the occasion of Founder's Day 2021 we conducted a drawing competition for all the students in JALIGE.

The activities included drawing competition, providing awareness about COVID-19, Mask and sanitizer distribution, talk on environment, health, cleanliness and management.

Students from 1st standard to 7th standard were part of this competition and instructed to draw & color the drawing sheets with the support of our 1st semester students. The students experienced the pleasure of teaching and making the exercise interesting for kids. Our students distributed the Art materials like Color Pencils, Paint box, Drawing Sheets for all the students. The students enabled them to understand the importance of material and they also benefited with creative thinking and imaginations.

A total of 21 students from 1st to 7th standard were part of this program.

The students were very happy being a part of this program and were having fun with learning. The competition entries will be reviewed and prizes will be awarded to encourage their creativity on Jan 6th 2021.

We are glad to inform you that School of Architecture, REVA University has adopted GOVERNMENT HIGH SCHOOL JALIGE. As part of the adoption drive, we have planned an activity at our adopted school JALIGE on 26/02/2021 that is on Friday and below is the brief of the activity.

Students of first semester, School of Architecture, REVA University as part of Basic Design and Visual Arts studio are to carry out a video exercise involving the eight prominent principles of design, namely Balance, Proportion & scale, Rhythm, Emphasis, Harmony, Unity, Variety and Contrast. They are to illustrate these principles in the form of video presentation in collaboration with students from Jalige school as part of Abhivruddhi initiative. This activity would help our students bond with the students at Jalige and could go a long way in establishing a peer bond amongst them.

Our students will demonstrate the skills of videography and making of video montages using cell phones. This will also help us identify students who have a knack for learning videography and film making in the process. The activity will not only help them learn a new

skill, but also focus on one of the many virtues of technology against the cons. This exercise will also strengthen the mentorship initiative to be taken up by our first semester students. As a part of Mathematic learning activity our students guided the kids in making the 3D model of the Geometrical shapes such as Triangle, Cube, Rectangle, Cylinder, Pentagon etc.

REVA students, were also a part of clean drive program conducted from the GRAMA PANCHAYAT to create an awareness about cleanliness of the environment and surroundings by performing STREET PLAY and SINGING by our students in the streets of the village.

And also to enrich, spread and uplift our Indian culture we made an attempt of teaching CLASSICAL MUSIC as a part of academic learning for the students.

Students were very excited and benefited by all the activities conducted.

Students from 1st standard to 7th standard were part of this activity with the support of our 1st semester students. The students experienced the pleasure of teaching and making the exercise interesting for kids.

A total of 20 students from 1st to 7th standard were part of this program.

A total of 30 students from 1st semester B.Arch. participated in the community outreach program and they were accompanied by 4 faculty Dr.Anupama. R M, Er. Nagaraja S, Ar. Divya Hemantha Raj, Ar. Mahima Jadadeesh.

I would like to thank our Director in charge Prof. Vidya Srikanth for her immense support.

I would like to extend our thanks to Dr. Kiran Kumari on behalf of UIIC department for their immense support.

I sincerely thank Management, REVA University for this initiative that helps bring our students closer to society.
