we had subscribed for this database earlier,
(3 yrs back) as we had switched ourselves to
"west law - International".

At present - "manupatra's" updated/improved
version is very much beneficial to the students
group, we have opted to cancel "west law" and
obtain access to "manupatra" again.
Manupatra online database is financially not
burdening our school, when compared to "west-
law international".
