## REVA UNIVERSITY

REVA University is established in Bengaluru, Karnataka State under the Government of Karnataka Act 80 of the year 2012 and notified in the Karnataka Gazette dated 7th Feb,2013. Located 14 kms away from the Kempegowda International Airport on the way to Bengaluru city, the University has a sprawling green campus spread over in 45 acres of land equipped with state-of-the-art infrastructure and conducive environment for higher learning. The founders of REVA University, with missionary zeal, visionary outlook and philanthropic approach coupled with four decade long entrepreneurial leadership and a decade long experience are recognized, as leading educational venture through fastest developing higher education campuses. The REVA campus has well equipped laboratories, custom-built teaching facilities designed specifically to emulate the working conditions, fully air-conditioned library and central computer center. The well planned sports facility for variety of sports activities, facilities for cultural programs and friendly campus lifestyle add to overall personality development of students. The campus also has residential facility for students, faculty and other staff.

Currently, the REVA University offers 18 PG programs 15 Degree programs in Engineering and Technology, Science, Commerce and Management, Architecture, Law and Humanities in addition to research degrees leading to M Phil and PhD in different disciplines. The University aims to offer many more PG and UG programs in Science, Arts, Commerce, Management Education and Engineering and Technology and other discipline in coming years.

## ABOUT THE SCHOOL

The School of Mechanical Engineering at REVA UNIVERSITY offers B. Tech., Mechanical Engineering—an undergraduate programme to create motivated, innovative, creative and thinking graduates to fill the roles of Mechanical Engineers who can conceptualize, design, analyse, develop and produce Mechanical Systems to meet the modern day requirements.

The B. Tech., in Mechanical Engineering curriculum developed by the faculty at the School of Mechanical Engineering, is outcome based and it comprises required theoretical concepts and practical skills in the domain. By undergoing this programme, students develop critical, innovative, creative thinking and problem solving abilities for a smooth transition from academic to real-life work environment. In addition, students are trained in interdisciplinary topics and attitudinal skills to enhance their scope. The above mentioned features of the programme, advanced teaching and learning resources, and experience of the faculty members with their strong connections with manufacturing sector makes this programme unique.

## ABOUT CAREER COUNSELLING

In recent times, career counselling has got the recognition it needed. Career counselling in India had never been much popular amongst students. However, people like parents or students now become concerned about one's career choices due to unsuccessful jobs and stressful lifestyle. Now, students are more inclined towards making a career in the field they are passionate about. And, the most reliable way to understand your career choices is career counselling. Therefore career counselling is essential for students especially for engineering students.

## OBJECTIVES

- Learn about role of mechanical engineers in IT
- Understand applications of mechanical engineering concepts in IT Companies

## OUTCOMES

- Able to discuss mechanical engineering connection to IT
- Able to explain various software related to IT

## Two Days training program on GATE (A Career Development Program)

28<sup>th</sup> & 29<sup>th</sup> February 2020

SCHOOL OF CIVIL ENGINEERING

REVA University

Rukmini Knowledge Park,  
Kattigenahalli, Yelahanka, Bangalore-560064.

www.reva.edu.in

### ABOUT THE REVA UNIVERSITY

REVA University is established based on the concept of 'Knowledge is Power' because a person with concrete knowledge knows how to control various situations in life with confidence. Established under REVA University Act of 2012, REVA is located in the heart of Bengaluru, Karnataka. REVA consistently ranked as one of the top universities in various categories because of the diverse community of international students and its teaching excellence in both theoretical and technical education in the fields of Engineering, Management, Law, Science, Commerce, Arts, Performing Arts and Research Studies.

REVA offers 28 Undergraduate Programmes, 22 Full time and 2 Part-time Postgraduate Programmes, 18 Ph.D Programmes and other Certificate/ Diploma/ Postgraduate Diploma Programmes in various disciplines. The curriculum of each programme is designed with a keen eye for detail by giving emphasis on hands on training, industry relevance, social significance, and practical applications. The University offers world class facilities and education that meets global standards.

### ABOUT THE SCHOOL

The School of Civil Engineering is headed by highly experienced Professor and is supported by well qualified faculty members. The school has the state-of-art class rooms and well-equipped laboratories.

It offers B. Tech and M. Tech programs in various specialized streams. The school also has research program leading to doctoral degree. The curriculum of both graduate and post graduate degree programs have been designed to bridge the gap between industry – academia and hence they are industry application oriented.

The B. Tech program aims to prepare human resources to play a leading role in the competitive construction field and excel in their endeavors. The Master's Degree programs focus on research and design in the core and Computer Aided Structural Engineering & Transportation Engineering & Management, Construction Technology & Management to supplement and create a sustainable world and to enhance the global quality of life by adopting enhanced techniques of design and application. This is reflected in various core subjects offered within the program. Currently Civil Engineering teaching was limited to planning, analysis, design and execution of different types of infrastructure like buildings, roads, bridges, dams and power plants. However, due to increase of technological sophistication and demand for higher living standards geared up by economic growth and concerns about environmental impact have changed the scope of Civil Engineering. The challenges of today's Civil Engineering infrastructure are much more complex and interdependencies between resources.

### ABOUT WORKSHOP

The Graduate Aptitude Test in Engineering (GATE) is an examination that primarily tests the comprehensive understanding of various undergraduate subjects in engineering and science. GATE is conducted jointly by the Indian Institute of Science and seven Indian Institutes of Technologies at Roorkee, Delhi, Guwahati, Kanpur, Kharagpur, Chennai (Madras) and Mumbai (Bombay) on behalf of the National Coordination Board – GATE, Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

The GATE exam can be used to obtain admission into M.E. / M.Tech./ M.Sc. programs of the top institutions of India such as IISc, IIT's, NIT's, etc. Studying in these institutions is an enriching experience as they provide a conducive environment for intellectual satisfaction as well as future financial security

### OBJECTIVES OF THE WORKSHOP

The objectives of the workshop are,

- To highlight the importance of GATE competitive examination for career development.
- Relevance of GATE for higher studies in IIT, NIT other university colleges for pursuing higher education such as M.Tech./Ph.D.
- Relevance of GATE in research institutes.
- Relevance of GATE for studies in foreign universities.
- Relevance of GATE in Public Sector Units (PSU).
- Relevance of GATE in job recruitment.
- Highlight the syllabus portions of Civil engineering, Aptitude & Mathematics.
- Solutions to previous GATE question papers by Subject experts.

### WHO CAN PARTICIPATE?

Undergraduate students from various universities and institutions are invited to participate in workshop.

### REGISTRATION FEE

Participants	Fee
Students	Rs. 200

### IMPORTANT DATE

**Last Date for Registration: 26<sup>th</sup> February 2020**

Spot Registrations facility will be available for enthusiastic participants with prior information.

**SCHOOL OF CIVIL ENGINEERING**

**Date: 15/09/2019**

The Director

School of Civil Engineering

REVA University

**Dear Sir,**

**Subject: Regarding Organizing an Awareness Talk**

As above concerned subject we are planning to conduct an awareness programme on "Career Opportunities" by School of Civil Engineering in association with VANI Institutes, Bengaluru on 25<sup>th</sup> & 26<sup>th</sup> September 2019 to enhance the students' knowledge on career building and its importance, so we request you to give the permission to organise the program.

  
Co-ordinator

  
Director

## REGISTRATION FORM

(Use Photocopies for Additional Participants)

**Two Days training program on GATE**  
25<sup>th</sup> & 26<sup>th</sup> September 2019

**Name:**

**Institute/University:**

**Address:**

**Mobile Number:**

**E-mail ID:**

**Signature of Participant**  
with date

**Signature & Seal of**  
Institution Head

**Co-coordinators details for Correspondance:**

1. Mrs. Shanthisree +91-9652847350
2. Mrs. Rajani Akki +91-9742326164

**Email Address:**

rajanivakki@reva.edu.in@reva.edu.in

### Workshop Contents:

**A brief note on content & importance of GATE by:**

1. Dr. P C Pandey, Professor Emeritus
2. Smt. Shanthi Sri, Asst Professor

**Pattern and Solution to GATE question papers of Civil engineering by:**

### About resource person:

Dr. Sreekanth, Has cleared ESE exam in year 1992. He has guided students in right path by offering coaching class frequently. His inputs has helped in overall development of the students successes. Nearly 8000 students he has trained them in this regard till date. He is best recognized with many awards in his name for his valuable contribution

### Organizing Committee

**Chairman:**

Dr. Y. Ramalinga Reddy, Associate Dean,  
School of Civil & Mechanical Engineering

**Convener**

Dr. M. A. Nagesh, Professor

**Co-Conveners**

- Mrs. Shanthi sri, Assistant Professor  
Mrs. Rajani Akki, Assistant Professor  
Mr. Rajshekhar S. L., Assistant Professor  
Mr. Ajaybhaskar Reddy, Assistant Professor  
Mr. Chandraprakash, Assistant Professor  
Mr. Nanjunda K. N., Assistant Professor  
Mrs. Bhavana B., Assistant Professor

## ABOUT THE REVA UNIVERSITY

REVA University is established based on the concept of 'Knowledge is Power' because a person with concrete knowledge knows how to control various situations in life with confidence. Established under REVA University Act of 2012, REVA is located in the heart of Bengaluru, Karnataka. REVA consistently ranked as one of the top universities in various categories because of the diverse community of international students and its teaching excellence in both theoretical and technical education in the fields of Engineering, Management, Law, Science, Commerce, Arts, Performing Arts and Research Studies.

REVA offers 28 Undergraduate Programmes, 22 Full time and 2 Part-time Postgraduate Programmes, 18 Ph.D Programmes and other Certificate/ Diploma/ Postgraduate Diploma Programmes in various disciplines. The curriculum of each programme is designed with a keen eye for detail by giving emphasis on hands on training, industry relevance, social significance, and practical applications. The University offers world class facilities and education that meets global standards.

## ABOUT THE SCHOOL

The School of Civil Engineering is headed by highly experienced Professor and is supported by well qualified faculty members. The school has the state-of-art class rooms and well-equipped laboratories.

It offers B. Tech and M. Tech programs in various specialized streams. The school also has research program leading to doctoral degree. The curriculum of both graduate and post graduate degree programs have been designed to bridge the gap between industry – academia and hence they are industry application oriented.

The B. Tech program aims to prepare human resources to play a leading role in the competitive construction field and excel in their endeavors. The Master's Degree programs focus on research and design in the core and Computer Aided Structural Engineering & Transportation Engineering & Management, Construction Technology & Management to supplement and create a sustainable world and to enhance the global quality of life by adopting enhanced techniques of design and application. This is reflected in various core subjects offered within the program. Currently Civil Engineering teaching was limited to planning, analysis, design and execution of different types of infrastructure like buildings, roads, bridges, dams and power plants. However, due to increase of technological sophistication and demand for higher living standards geared up by economic growth and concerns about environmental impact have changed the scope of Civil Engineering. The challenges of today's Civil Engineering infrastructure are much more complex and interdependencies between resources.

## ABOUT WORKSHOP

The Graduate Aptitude Test in Engineering (GATE) is an examination that primarily tests the comprehensive understanding of various undergraduate subjects in engineering and science. GATE is conducted jointly by the Indian Institute of Science and seven Indian Institutes of Technologies at Roorkee, Delhi, Guwahati, Kanpur, Kharagpur, Chennai (Madras) and Mumbai (Bombay) on behalf of the National Coordination Board – GATE, Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

The GATE exam can be used to obtain admission into M.E. / M.Tech./ M.Sc. programs of the top institutions of India such as IISC, IIT's, NIT's, etc. Studying in these institutions is an enriching experience as they provide a conducive environment for intellectual satisfaction as well as future financial security

## OBJECTIVES OF THE WORKSHOP

The objectives of the workshop are,

- To highlight the importance of GATE competitive examination for career development.
- Relevance of GATE for higher studies in IIT, NIT other university colleges for pursuing higher education such as M.Tech./Ph.D.
- Relevance of GATE in research institutes.
- Relevance of GATE for studies in foreign universities.
- Relevance of GATE in Public Sector Units (PSU).
- Relevance of GATE in job recruitment.
- Highlight the syllabus portions of Civil engineering, Aptitude & Mathematics.
- Solutions to previous GATE question papers by Subject experts.

## WHO CAN PARTICIPATE?

Undergraduate students from various universities and institutions are invited to participate in workshop.

## REGISTRATION FEE

Participants	Fee
Students	Rs. 200

## IMPORTANT DATE

**Last Date for Registration: 16<sup>th</sup> September 2019**  
Spot Registrations facility will be available for enthusiastic participants with prior information.

## REVA UNIVERSITY

REVA University is established in Bengaluru, Karnataka State under the Government of Karnataka Act 80 of the year 2012 and notified in the Karnataka Gazette dated 7th Feb,2013. Located 14 kms away from the Kempegowda International Airport on the way to Bengaluru city, the University has a sprawling green campus spread over in 45 acres of land equipped with state-of-the-art infrastructure and conducive environment for higher learning. The founders of REVA University, with missionary zeal, visionary outlook and philanthropic approach coupled with four decade long entrepreneurial leadership and a decade long experience are recognized, as leading educational venture through fastest developing higher education campuses. The REVA campus has well equipped laboratories, custom-built teaching facilities designed specifically to emulate the working conditions, fully air-conditioned library and central computer center. The well planned sports facility for variety of sports activities, facilities for cultural programs and friendly campus lifestyle add to overall personality development of students. The campus also has residential facility for students, faculty and other staff.

Currently, the REVA University offers 18 PG programs 15 Degree programs in Engineering and Technology, Science, Commerce and Management, Architecture, Law and Humanities in addition to research degrees leading to M Phil and PhD in different disciplines. The University aims to offer many more PG and UG programs in Science, Arts, Commerce, Management Education and Engineering and Technology and other discipline in coming years.

## ABOUT THE SCHOOL

The School of Mechanical Engineering at REVA UNIVERSITY offers B. Tech., Mechanical Engineering—an undergraduate programme to create motivated, innovative, creative and thinking graduates to fill the roles of Mechanical Engineers who can conceptualize, design, analyse, develop and produce Mechanical Systems to meet the modern day requirements.

The B. Tech., in Mechanical Engineering curriculum developed by the faculty at the School of Mechanical Engineering, is outcome based and it comprises required theoretical concepts and practical skills in the domain. By undergoing this programme, students develop critical, innovative, creative thinking and problem solving abilities for a smooth transition from academic to real-life work environment. In addition, students are trained in interdisciplinary topics and attitudinal skills to enhance their scope. The above mentioned features of the programme, advanced teaching and learning resources, and experience of the faculty members with their strong connections with manufacturing sector makes this programme unique.

## ABOUT CAREER COUNSELLING

In recent times, career counselling has got the recognition it needed. Career counselling in India had never been much popular amongst students. However, people like parents or students now become concerned about one's career choices due to unsuccessful jobs and stressful lifestyle. Now, students are more inclined towards making a career in the field they are passionate about. And, the most reliable way to understand your career choices is career counselling. Therefore career counselling is essential for students especially for engineering students.

## OBJECTIVES

- Learn about role of mechanical engineers in software industries
- Understand applications of mechanical engineering tools in software

## OUTCOMES

- Able to identify IT related works in mechanical engineering
- Able to use various tools of software like C, C++ etc.

## REVA UNIVERSITY

REVA University is established in Bengaluru, Karnataka State under the Government of Karnataka Act 80 of the year 2012 and notified in the Karnataka Gazette dated 7th Feb,2013. Located 14 kms away from the Kempegowda International Airport on the way to Bengaluru city, the University has a sprawling green campus spread over in 45 acres of land equipped with state-of-the-art infrastructure and conducive environment for higher learning. The founders of REVA University, with missionary zeal, visionary outlook and philanthropic approach coupled with four decade long entrepreneurial leadership and a decade long experience are recognized, as leading educational venture through fastest developing higher education campuses. The REVA campus has well equipped laboratories, custom-built teaching facilities designed specifically to emulate the working conditions, fully air-conditioned library and central computer center. The well planned sports facility for variety of sports activities, facilities for cultural programs and friendly campus lifestyle add to overall personality development of students. The campus also has residential facility for students, faculty and other staff.

Currently, the REVA University offers 18 PG programs 15 Degree programs in Engineering and Technology, Science, Commerce and Management, Architecture, Law and Humanities in addition to research degrees leading to M Phil and PhD in different disciplines. The University aims to offer many more PG and UG programs in Science, Arts, Commerce, Management Education and Engineering and Technology and other discipline in coming years.

## ABOUT THE SCHOOL

The School of Mechanical Engineering at REVA UNIVERSITY offers B. Tech., Mechanical Engineering-an undergraduate programme to create motivated, innovative, creative and thinking graduates to fill the roles of Mechanical Engineers who can conceptualize, design, analyse, develop and produce Mechanical Systems to meet the modern day requirements.

The B. Tech., in Mechanical Engineering curriculum developed by the faculty at the School of Mechanical Engineering, is outcome based and it comprises required theoretical concepts and practical skills in the domain. By undergoing this programme, students develop critical, innovative, creative thinking and problem solving abilities for a smooth transition from academic to real-life work environment. In addition, students are trained in interdisciplinary topics and attitudinal skills to enhance their scope. The above mentioned features of the programme, advanced teaching and learning resources, and experience of the faculty members with their strong connections with manufacturing sector makes this programme unique.

## ABOUT CAREER COUNSELLING

In recent times, career counselling has got the recognition it needed. Career counselling in India had never been much popular amongst students. However, people like parents or students now become concerned about one's career choices due to unsuccessful jobs and stressful lifestyle. Now, students are more inclined towards making a career in the field they are passionate about. And, the most reliable way to understand your career choices is career counselling. Therefore career counselling is essential for students especially for engineering students.

## OBJECTIVES

- Learn about Public Sector Jobs
- Understand about modes for entering PSUs through various competitive exams

## OUTCOMES

- Able to identify various PSUs Jobs
- Able to explain the importance of PSUs

## SCHOOL OF CIVIL ENGINEERING

To,

Date: 15/04/2019

The Director

School of Civil Engineering

REVA University

Dear Sir,

**Subject:** Regarding Organizing an Awareness Talk on "Career Opportunities"

As above concerned subject we are planning to conduct an awareness programme on "Career Opportunities" by School of Civil Engineering in association with "Jamboree" a leading Institute, Bengaluru on 24<sup>th</sup> April 2019 to enhance the students' knowledge on career building, so we request you to give the permission to organise the program and conduct successfully,  
Thanking you.

*K. Shanthi*  
Co-ordinator

*[Signature]*  
Director

## ABOUT THE REVA UNIVERSITY

REVA University is established based on the concept of 'Knowledge is Power' because a person with concrete knowledge knows how to control various situations in life with confidence. Established under REVA University Act of 2012, REVA is located in the heart of Bengaluru, Karnataka. REVA consistently ranked as one of the top universities in various categories because of the diverse community of international students and its teaching excellence in both theoretical and technical education in the fields of Engineering, Management, Law, Science, Commerce, Arts, Performing Arts and Research Studies.

REVA offers 28 Undergraduate Programmes, 22 Full time and 2 Part-time Postgraduate Programmes, 18 Ph.D Programmes and other Certificate/ Diploma/ Postgraduate Diploma Programmes in various disciplines. The curriculum of each programme is designed with a keen eye for detail by giving emphasis on hands on training, industry relevance, social significance, and practical applications. The University offers world class facilities and education that meets global standards.

## ABOUT THE SCHOOL

The School of Civil Engineering is headed by highly experienced Professor and is supported by well qualified faculty members. The school has the state-of-art class rooms and well-equipped laboratories.

It offers B. Tech and M. Tech programs in various specialized streams. The school also has research program leading to doctoral degree. The curriculum of both graduate and post graduate degree programs have been designed to bridge the gap between industry – academia and hence they are industry application oriented.

The B. Tech program aims to prepare human resources to play a leading role in the competitive construction field and excel in their endeavors. The Master's Degree programs focus on research and design in the core and Computer Aided Structural Engineering & Transportation Engineering & Management, Construction Technology & Management to supplement and create a sustainable world and to enhance the global quality of life by adopting enhanced techniques of design and application. This is reflected in various core subjects offered within the program. Currently Civil Engineering teaching was limited to planning, analysis, design and execution of different types of infrastructure like buildings, roads, bridges, dams and power plants. However, due to increase of technological sophistication and demand for higher living standards geared up by economic growth and concerns about environmental impact have changed the scope of Civil Engineering. The challenges of today's Civil Engineering infrastructure are much more complex and interdependencies between resources.

## ABOUT WORKSHOP

The Graduate Aptitude Test in Engineering (GATE) is an examination that primarily tests the comprehensive understanding of various undergraduate subjects in engineering and science. GATE is conducted jointly by the Indian Institute of Science and seven Indian Institutes of Technologies at Roorkee, Delhi, Guwahati, Kanpur, Kharagpur, Chennai (Madras) and Mumbai (Bombay) on behalf of the National Coordination Board – GATE, Department of Higher Education, Ministry of Human Resources Development (MHRD), Government of India.

The GATE exam can be used to obtain admission into M.E. / M.Tech./ M.Sc. programs of the top institutions of India such as IISc, IIT's, NIT's, etc. Studying in these institutions is an enriching experience as they provide a conducive environment for intellectual satisfaction as well as future financial security

## OBJECTIVES OF THE WORKSHOP

The objectives of the workshop are,

- To highlight the importance of GATE competitive examination for career development.
- Relevance of GATE for higher studies in IIT, NIT other university colleges for pursuing higher education such as M.Tech./Ph.D.
- Relevance of GATE in research institutes.
- Relevance of GATE for studies in foreign universities.
- Relevance of GATE in Public Sector Units (PSU).
- Relevance of GATE in job recruitment.
- Highlight the syllabus portions of Civil engineering, Aptitude & Mathematics.
- Solutions to previous GATE question papers by Subject experts.

## WHO CAN PARTICIPATE?

Undergraduate students from various universities and institutions are invited to participate in workshop.

## REGISTRATION FEE

Participants	Fee
Students	Rs. 100

The University aims to offer many more PG and UG programs in Science, Arts, Commerce, Management Education and Engineering and Technology and other discipline in coming years.

## ABOUT THE SCHOOL

The School of Mechanical Engineering at REVA UNIVERSITY offers B. Tech., Mechanical Engineering—an undergraduate programme to create motivated, innovative, creative and thinking graduates to fill the roles of Mechanical Engineers who can conceptualize, design, analyse, develop and produce Mechanical Systems to meet the modern day requirements.

The B. Tech., in Mechanical Engineering curriculum developed by the faculty at the School of Mechanical Engineering, is outcome based and it comprises required theoretical concepts and practical skills in the domain. By undergoing this programme, students develop critical, innovative, creative thinking and problem solving abilities for a smooth transition from academic to real-life work environment. In addition, students are trained in interdisciplinary topics and attitudinal skills to enhance their scope. The above mentioned features of the programme, advanced teaching and learning resources, and experience of the faculty members with their strong connections with manufacturing sector makes this programme unique.

## ABOUT CAREER COUNSELLING

In recent times, career counselling has got the recognition it needed. Career counselling in India had never been much popular amongst students. However, people like parents or students now become concerned about one's career choices due to unsuccessful jobs and stressful lifestyle. Now, students are more inclined towards making a career in the field they are passionate about. And, the most reliable way to understand your career choices is career counselling. Therefore career counselling is essential for students especially for engineering students.

## OBJECTIVES

- Learn about details of static and dynamics
- Understand different concepts of solid mechanics
- Understand details about strength of materials

## OUTCOMES

- Able to discuss concepts of static and dynamics
- Able to elaborate concepts of strength of materials

## CHIEF PATRON

**Dr. P. Shyama Raju**  
Chancellor, REVA University

## PATRONS

**Dr. S. Y. Kulkarni**  
Vice-Chancellor, REVA University  
**Dr. M. Dhanamjaya**  
Registrar, REVA University

## STEERING COMMITTEE

**Dr. K.S. Narayanaswamy**  
Director, School of Mechanical, REVA  
University

## WORKSHOP CO-ORDINATORS

**Prof. Shivasharanayya Swamy**  
Assistant Professor,  
School of Mechanical Engg., REVA University

## TARGET AUDIENCE

UG & PG students from academic Institutes

## ABOUT RESOURCE PERSONS

Mr. Arnab Gogoi is currently holding the position of BIM Content Manager in Bentley Systems, Kolkata. He involved in the BIM consulting and implementation of Nagpur Maha Metro & Pune Metro project, India for a seamless project delivery. As a part of Bentley, along with his team are leading the BIM consulting, educating and coordinating effort for the entire ecosystem (contractor and consultant) of Nagpur Metro Rail. Engaged in providing services for Nagpur Maha Metro and Pune Metro, typically involved in providing BIM consultancy in the form of awareness program at client's site for the purposes of providing an environment for training, seminars, presentations, forums etc.

## REVA UNIVERSITY

REVA University is established in Bengaluru, Karnataka State under the Government of Karnataka Act 80 of the year 2012 and notified in the Karnataka Gazette dated 7th Feb,2013. Located 14 kms away from the Kempegowda International Airport on the way to Bengaluru city, the University has a sprawling green campus spread over in 45 acres of land equipped with state-of-the-art infrastructure and conducive environment for higher learning. The founders of REVA University, with missionary zeal, visionary outlook and philanthropic approach coupled with four decade long entrepreneurial leadership and a decade long experience are recognized, as leading educational venture through fastest developing higher education campuses. The REVA campus has well equipped laboratories, custom-built teaching facilities designed specifically to emulate the working conditions, fully air-conditioned library and central computer center. The well planned sports facility for variety of sports activities, facilities for cultural programs and friendly campus lifestyle add to overall personality development of students. The campus also has residential facility for students, faculty and other staff.

Currently, the REVA University offers 18 PG programs 15 Degree programs in Engineering and Technology, Science, Commerce and Management, Architecture, Law and Humanities in addition to research degrees leading to M Phil and PhD in different disciplines. The University aims to offer many more PG and UG programs in Science, Arts, Commerce, Management Education and Engineering and Technology and other discipline in coming years.

## REVA UNIVERSITY

REVA University is established in Bengaluru, Karnataka State under the Government of Karnataka Act 80 of the year 2012 and notified in the Karnataka Gazette dated 7th Feb, 2013. Located 14 kms away from the Kempegowda International Airport on the way to Bengaluru city, the University has a sprawling green campus spread over in 45 acres of land equipped with state-of-the-art infrastructure and conducive environment for higher learning. The founders of REVA University, with missionary zeal, visionary outlook and philanthropic approach coupled with four decade long entrepreneurial leadership and a decade long experience are recognized, as leading educational venture through fastest developing higher education campuses. The REVA campus has well equipped laboratories, custom-built teaching facilities designed specifically to emulate the working conditions, fully air-conditioned library and central computer center. The well planned sports facility for variety of sports activities, facilities for cultural programs and friendly campus lifestyle add to overall personality development of students. The campus also has residential facility for students, faculty and other staff.

Currently, the REVA University offers 18 PG programs 15 Degree programs in Engineering and Technology, Science, Commerce and Management, Architecture, Law and Humanities in addition to research degrees leading to M Phil and PhD in different disciplines. The University aims to offer many more PG and UG programs in Science, Arts, Commerce, Management Education and Engineering and Technology and other discipline in coming years.

## ABOUT THE SCHOOL

The school of Civil Engineering is headed by highly experienced professor and is supported by well qualified faculty members. The School has the state-of-art class rooms and well equipped laboratories. It offers B.Tech and M.Tech programs in various specialized streams. The School also has research program leading to Doctoral degree.

The Curriculum of both graduate and post graduate degree programs have been designed to bridge the gap between industry – academia and hence they are industry application oriented. The B.Tech Programs aims to prepare human resources to play a leading role in the competitive construction field and excel in their endeavours. The Master Degree Programs focus on research and design in the core and Computer Aided Structural Engineering & Transportation Engineering & Management to Supplement and create a sustainable world and to enhance the global quality of life by adopting enhanced techniques of design and application. This is reflected in various core subjects offered within the program. Currently Civil Engineering teaching was limited planning, analysis, design and execution of different types of infrastructure like buildings, roads bridges and Dams. However, due to increase of technological sophistication and demand for higher living standards geared up by economic growth and concerns about environmental impact have changed the scope of civil engineering. The Challenges of Today's civil Engineering infrastructure are much more complex and interdependencies between resources. Due to that The REVA UNIVERSITY would like to offer Civil Engineering programme to produce quality engineers who are effective and efficient engineers in problem solving and providing economical and sustainable infrastructural solutions

## ABOUT THE WORKSHOP

This one-day intensive workshop is organized by the School of Civil Engineering, REVA University, exclusively for fifth semester students. The workshop is designed to give the students an overview of GATE AND GMAT EXAM which will aid in understanding the importance of the use of exam for higher studies in civil engineering

## OBJECTIVES

- Understanding the purpose of GATE & GMAT EXAM
- Pattern of GATE & GMAT exam
- Stages involved in this exam process.

## BIZOTIC APPLICATION – BROADCAST SNAP

The screenshot shows a web browser window with multiple tabs. The active tab is 'Bizotic' at the URL 'bizoticlearn.com/portalapi/broadcast.php#'. The page header includes the Bizotic logo and navigation menu items: Dashboard, Placement Reports, Events, Records, Messaging (highlighted), Broadcast, Company Contacts, College Contacts, Miscellaneous, and Admin Management. The main content area is titled 'Broadcast' and shows a purple header with status information: 'SMS: 82668/800000 | EMAIL: 245248/800000 | APP: 74266/2400000 | SMS REMAINING: 217332 | EMAIL REMAINING: 554752 | APP REMAINING: 2325734'. Below this is a tabbed interface with 'EMAIL', 'SMS', and 'APP' tabs. The 'EMAIL' tab is active, showing a 'Send To' section with 'All Students' selected and '2 Students' in green. There are input fields for 'From Email', 'Cc - Enter multiple emails separated by commas!', and 'Bcc - Enter multiple emails separated by commas'. A 'Subject' field is also present. A rich text editor is at the bottom of the form. The Windows taskbar at the bottom shows the date as 27-05-2023 and time as 19:58.

Mon 9/4/2017 12:49 PM

Dear Students,

TCS Digital impact Square team is offering internship for students on creating digital and smart cities , we have the registrations open till **10th Sep 2017**

Request the BE and MCA students to apply for this internship opportunity, to get an experience to deal with real life challenges,

**Location:** Nashik

**Stipend:** Discussed during interview

**FAQ's for Registration:**

- Am I allowed to sit for placements if I want to be a part of DISQ?**  
Yes, you may sit for placements, and you can still join Digital Impact Square. It is an ideal place to develop skills that you can use in your corporate job in the future. Till the time of your joining date, you can continue to work at DISQ, including an offer from TCS.
- What is the application process?**
  - Step 1:** Register on our portal on [www.digitalimpactsquare.com](http://www.digitalimpactsquare.com).
  - Step 2:** Log in and submit your latest resume, and a link to a 2 minute video on youtube or google drive, etc. telling us why we should select you.
  - Step 3:** If you are keen on being an entrepreneur/ team leader – then submit a response to an existing challenge or submit your own idea under "Think Beyond"

Once we receive this application you will hear from our team of qualifiers and interviewers within a week, and latest by October end you should know if you have been selected, and receive an offer letter from us.
- My innovation idea is not complete, it is still just a concept note, is that fine?**  
Yes, a non-working prototype, or a simple concept note are also acceptable. We realise that not all of you will have the entire solution idea in place. We at DISQ will help you get there, so share your idea, in any stage of maturity and let us take care of the rest.

Thu 10/12/2017 3:38 PM

Dear student/s,

Greetings from REVA UNIVERSITY !!

WIPRO is conducting Recruitment Drive at REVA University on 28th October 2017.

**Overview on Wipro Infrastructure Management School (WIMS):**

Wipro Infrastructure Management School (WIMS), one of the Work integrated Learning Programs offered by Wipro, aims at preparing fresh BCA and B.Sc. graduates for IT infrastructure Management services. It is an effort where training in Information Technology/System Engineering is offered to the students with practical exposure to the Infrastructure Management Service industry. These programs register every student for an 8 semester Wipro sponsored M. Tech course with one of the Top Universities. Candidates will get to work on live projects and earn a monthly stipend. Upon successful completion of the M. Tech program in four years, the students will be absorbed as full time employees of Wipro.

This is an excellent opportunity of getting associated with Wipro to elevate the standard of education as well as corporate experience. Our weekend programs have been designed such that our students can acquire the relevant hands-on work experience, while developing a detailed understanding of the IT industry.

### OG Healthcare On Campus drive on 31st Oct 2017

You replied on Sat 10/28/2017 3:16 PM

**REVA Placements** (RP) To: Sandhyachinni97@gmail.com; RAJ033BN@gmail.com; ramya1297@gmail.com; guptakirti2010@gmail.com; Lakshmiadilakshmi44@gmail.com +55 others Wed 10/25/2017 4:32 PM  
Cc: Dr. N Ramesh; Dr. N Ramesh; Renuka Madhu; shilpa; hndeepa; Jayashree S

Dear Students,

OG Healthcare On Campus drive has been scheduled for B.Sc & M.Sc Life science students on 31st October 2017.

**CTC: 4.56 LPA**

**Venue: Library Seminar Hall**

**Reporting time : 10.00AM**

**Dress Code : Business Formals or Uniform**

OG Healthcare is an OnlyGroup Company partnered with Augmedix, USA. OG Healthcare has launched a massive recruitment drive to hire potential candidates for our high-value healthcare documentation process, Medical Scribing. The scope of this project is so vast that as part of our phase 1 recruitment, we are targeting to induct and train 1000 scribes over the next 2 to 4 years.

**What's the role?**

The job role will involve partnering with senior American physicians remotely and assisting them in their data documentation and medical records creation. The job is critical to the American Healthcare system and integrates several of the subprocesses in the revenue cycle thereby reducing cycle time and increasing efficiency for the entire system. In addition, physicians save 30% of the time that they would have otherwise spent in creating and managing medical records.

In short, Medical Scribes play a vital role in rehumanizing healthcare by handling all the documentation needs of the provider in real-time.

**Concentrix** On Campus drive has been scheduled on **11th January 2017**.

**Eligible Branches:** B.Com, BBA, BCA, B.Sc(CS)

Interested students kindly register with the link given below on or before 12:30 PM, 12th December 2017.

[https://forms.office.com/Pages/ResponsePage.aspx?id=wVWFR6S8lUKi9bDH2\\_JZH16nTpSPngxHrL08kHA\\_I4FUMTZORVpQR1I3TERLVFIOVkdTNTBDRThaNy4u](https://forms.office.com/Pages/ResponsePage.aspx?id=wVWFR6S8lUKi9bDH2_JZH16nTpSPngxHrL08kHA_I4FUMTZORVpQR1I3TERLVFIOVkdTNTBDRThaNy4u)

**About Concentrix:**  
 Concentrix, a wholly owned subsidiary of SYNnex Corporation (NYSE: SNX), is a leading business services company. We focus on customer engagement and improving business outcomes for over 450 global clients across many continents. Our 100,000+ staff deliver technology-infused, omni-channel customer experience management, marketing optimization, digital, consulting, analytics and back office solutions in 40+ languages from 125+ delivery centers. We serve automotive; banking and financial services; insurance; healthcare; technology; consumer electronics; media and communications; retail and e-commerce; travel and transportation; and energy and public sector clients

**A brief about the role:**  
 Currently, we require Customer Service Executives for our international domestic processes that operate in a 24x7 working environment. The job role would also let them avail multiple career opportunities within the organization and carve an amazing growth path for themselves.

**The recruitment process will include:**

- A presentation to all interested candidates, on the day of the recruitment drive
- This would be followed by a series of interviews (HR round, voice and accent round) and multiple choice written assessments on Logical Reasoning, Grammar and Computer skills

Dear Student/s,

**THE SMART TREE** is providing internship opportunities for BBA & MBA students. Interested students can directly apply in the link given below.

#### About the Company

**THE SMART TREE** brings the latest live projects and internships for graduate and post-graduate students. This year we have partnered with **AMAZON** to provide students with a first ever functional e-commerce course in India. The **ATES(Amazon Trained Ecommerce Specialist)** program designed by Amazon will develop and help youth in finding entrepreneurship opportunities in the booming e-commerce industry.

#### Benefits to the students:

- Freelance with Amazon post successful completion of the training program and work part-time and full-time earning an average of Rs.30,000- Rs. 40,000 per month.
- On successful completion of the training Amazon would hand out ATES certificates to all students. The students will get a certificate from The Smart Tree as well.
- The training provided will be based on the content/module provided by Amazon and this in turn will help the students take the certification assessment and launch 1 seller on Amazon platform.
- THE STUDENTS WILL BE CERTIFIED ONLY AFTER ONBOARDING ONE VENDOR WHO IS NOT ALREADY SELLING ON AMAZON.**
- The students will undergo an assessment test based on the training.
- The students will then be given two weeks to onboard **ONE VENDOR** who is **NOT ALREADY SELLING ON AMAZON.**
- The students will then be given an ATES Certificate after passing the assessment test and successfully getting a vendor onboard who is not already selling on Amazon.

3. Personal Interview

**A brief about the company:**

Aditya Birla Health Insurance Co. Limited (ABHICL) was incorporated in 2015 as a 51:49 joint venture between Aditya Birla Capital Limited (ABCL) and MMI Strategic Investments (Pty) Ltd. ABHICL commenced its operations in October 2016. Both these groups have come together with the common vision, commitment and know-how to make a positive impact on the way individuals and families adopt a healthier lifestyle by using smart technology and innovative product and service offerings. ABHICL has entered the Indian health market with the intent to offer health insurance to a wider set of customers while driving awareness and changing existing consumers attitude towards health.

With this differentiated business model, in addition to being a payer of healthcare expenses, ABHICL serves as an enabler and influencer of health and healthcare choices that customers make. Thus, ABHICL would act like a much needed catalyst to grow the prevalent health insurance landscape in India through product innovations and a wider choice of consumer relevant products. ABHICL has connected solutions to the role a customer thinks health plays in their own life – be it as an enabler of good things or as a barrier to achieving life goals.

*'Empowering and motivating families to prioritize health and lead a fulfilling life', is ABHICL's core business philosophy.*

ABHI is part of Aditya Birla Capital which is our holding company, is a universal financial solutions provider and one of the largest financial services players in India. It is committed to serving the end-to-end financial needs of its retail and corporate customers under a unified brand – Aditya Birla Capital. Delivering a wide range of money solutions for protecting, investing and financing, Aditya Birla Capital serves millions of customers across the country.

**Our Employer Value Proposition -**

- One of the Biggest & most trusted brands in India with multiple lines of businesses across industries
- Opportunity to be part of a start-up which gives them a chance for swift growth for the performers
- Work for an organisation known for its values & culture
- Opportunity to move to other roles (like operations and customer service) and other companies post completion of vintage and achievement of performance criteria

An outlook to change the landscape of health insurance in India – therefore an opportunity to source more policies and earn more incentives

Dear Students,

**OG Healthcare** On Campus drive is scheduled on **29th Jan 2019**. Interested students go through the JD and register with the link given below before **2.00 PM, 22nd Jan 2019**.

**Registration Link:** <https://bit.ly/2DkbeKP>

**Reporting Time:** 9.00 AM  
**Venue:** REVA Rangasthala  
**Stream:** B.Com, BBA, B.Sc, BCA, MBA, M.Com, M.Sc & MA  
**CTC:** 4.56 LPA

Please note students who are placed will not be allowed for this drive and students who register must attend the drive, failing which they will not be allowed for further placement drives.

**About OG Healthcare**

OG Healthcare is an Only Group Company partnered with Augmedix, USA. OG Healthcare has launched a massive recruitment drive to hire potential candidates for our high-value healthcare documentation process, Medical Scribing. The scope of this project is so vast that as part of our phase 1 recruitment, we are targeting to induct and train 1000 scribes over the next 2 to 4 years.

**What's the role?**

The job role will involve partnering with senior American physicians remotely and assisting them in their data documentation and medical records creation. The job is critical to the American Healthcare system and integrates several of the sub-processes in the revenue cycle thereby reducing cycle time and increasing efficiency for the entire system. In addition, physicians save 30% of the time that they would have otherwise spent in creating and managing medical records.

In short, Medical Scribes play a vital role in re-humanizing healthcare by handling all the documentation needs of the provider in real-time.

**Who are the best fit for this position?**

We are hiring Life sciences graduates and freshers from other streams with good written English skills to join our growing team of Medical Scribes.

**Who is eligible?**

Freshers with exemplary written English skills and an interest for medicine.

**What kind of training is provided?**

Once a candidate is selected through a screening process, they will undergo our extensive Medical Scribing Training program that includes:

1. Language of Medicine

Dear Students,

OG Healthcare On Campus drive is scheduled on 3rd Dec 2019. In order to register for the drive, please click on the link given below before 4.00 PM, 27th Nov 19 (tomorrow).

Registration Link: <https://bit.ly/2KUQjZM>

Branch: M.Sc & M.Com

CTC: 4.56 LPA

About OG Healthcare

OG Healthcare is an Only Group Company partnered with Augmedix, USA. OG Healthcare has launched a massive recruitment drive to hire potential candidates for our high-value healthcare documentation process, Medical Scribing. The scope of this project is so vast that as part of our phase 1 recruitment, we are targeting to induct and train 1000 scribes over the next 2 to 4 years.

**What's the role?**

The job role will involve partnering with senior American physicians remotely and assisting them in their data documentation and medical records creation. The job is critical to the American Healthcare system and integrates several of the sub-processes in the revenue cycle thereby reducing cycle time and increasing efficiency for the entire system. In addition, physicians save 30% of the time that they would have otherwise spent in creating and managing medical records.

Fri 1/31/2020 2:28 PM

Dear Students,

**OG Healthcare placement drive is scheduled on 12th Feb 2020.** Interested students can register with the below link before **10.30 AM, 3rd Feb 2020.**

**Registration Link:** <https://bit.ly/3aY1Ai3>

**Selection Process:**

- 1) Online Test
- 2) Face to Face interview

**Branch:** M.Sc & B.Sc

**CTC:** 4.56 LPA

**About OG Healthcare**

OG Healthcare is an Only Group Company partnered with Augmedix, USA. OG Healthcare has launched a massive recruitment drive to hire potential candidates for our high-value healthcare documentation process, Medical Scribing. The scope of this project is so vast that as part of our phase 1 recruitment, we are targeting to induct and train 1000 scribes over the next 2 to 4 years.

**What's the role?**

The job role will involve partnering with senior American physicians remotely and assisting them in their data documentation and medical records creation. The job is critical to the American Healthcare system and integrates several of the sub-processes in the revenue cycle thereby reducing cycle time and increasing efficiency for the entire system. In addition, physicians save 30% of the time that they would have otherwise spent in creating and managing medical records. In short, Medical Scribes play a vital role in re-humanizing healthcare by handling all the documentation needs of the provider in real-time.

**Who are the best fit for this position?**

We are hiring Life sciences graduates and freshers from other streams with good written English skills to join our growing team of Medical Scribes.

**Who is eligible?**

Freshers with exemplary written English skills and an interest for medicine.

**What kind of training is provided?**

Once a candidate is selected through a screening process, they will undergo our extensive Medical Scribing Training program that includes:

1. Language of Medicine
2. Medical Coding

Dear Students,

**Novel Office** is a part of Novel Group based out of Dallas, TX, USA. They are hiring for multiple positions. Kindly go through the JD for each position in the attachment and apply only if interested before **10.30 AM, 27<sup>th</sup> Feb 2020** (Tomorrow).

**Registration Link:** <https://bit.ly/2HXbPmY>

**Current Openings:**

- Accounts executive – upto 3LPA  
 · Eligibility – B.Com & M.Com
- Business Development executive – upto 6 LPA  
 · Eligibility – Any degree
- IT Asset Coordinator – upto 3LPA  
 · Eligibility – Any degree

**Introduction to company:**  
 Novel Office is part of the Novel Group, established in 1993 in Dallas, TX, USA which is engaged into various business activities. We are into the business of office space and provide fully furnished customized offices on rent. We have developed an in-house customizable partition concept, which enables us to customize an office layout any way at any time, without any material wastage. This ability of ours makes us unique in the Office Space Industry; hence nobody offers what we offer in the market.

**In India :**  
 We provide serviced offices and fully furnished customizable offices on rent with No Lock-in and No Deposit options. We have a unique business model; buy vacant office buildings, invest into interiors, find tenants for the vacant space and eventually sell the buildings. And once we sell, we lease it back from the same buyer and continue running our serviced office business. We currently have 4 operating locations across Bangalore and one coming up soon totalling to 7,00,000 square feet of office space.

NSA Fresher JD - Revised.docx  
17 KB

Dear Students,

Sacumen is hiring for the role of Network Security Analyst role; interested students can register before 8.30

**Eligible Branch: MCA**

Eligibility Criteria: Good knowledge in network security along with networking protocols is a must to have. § Candidate must have good analytical skills.

CTC: INR 3.60 LPA (3.30F+30k Variable)

**Overview of Sacumen**

§ Sacumen is an award winning Cybersecurity company. The one thing that differentiates us is our FOCUS.

We work only with Cyber security product companies. § We work extensively with them to develop innovative products and solutions. We have our products as well. § We have worked with 50+ Security Product Companies (many of them are Fortune 500 companies) such as AT&T, Symantec, Palo Alto Networks § We have won multiple awards in providing Product Engineering Services to Cybersecurity product companies. SACUMEN had witnessed more than 100% year on year growth over the past 3 years § Cybersecurity space is one of the hottest domain. You get a chance to work with Top developers and testers of the world and quality standards are so high that mediocre people will not survive. § You get to work on different products in security space and get to interact directly with clients. § Flexibility is given. We don't believe in micro management. It's a performance driven environment and your growth is in your hands. § Sacumen's leave policies, long weekend policy (ensures you get one long weekend every month! You get around 7 to 8 additional leaves per year). § As a network security analyst, you get a chance to work with our clients based out in US and Europe. § You get a chance to work on network security firewalls such as Palo alto, Fortinet, Checkpoint, Cisco ASA etc. in a lab environment.

Please cascade below given information with non placed students of 2022 batch.

TEK Systems is looking at students from MBA, BTech, MCA, BCA backgrounds for the hiring. Interested students can register before 9.30 AM, 25<sup>th</sup> Feb 2022.

Please find the Job Description below :

**Who are we?** We are the nation's leading IT Service and Staffing company. We're partners in transformation. We help clients activate ideas and solutions to take advantage of a new world of opportunity. We are a team of 80,000 strong, working with over 6,000 clients, including 80% of the Fortune 500, across North America, Europe, and Asia. As an industry leader in Full-Stack Technology Services, Talent Services, and real-world application, we work with progressive leaders to drive change. That's the power of true partnership. TEKsystems is an Allegis Group company. TEKsystems® unmatched success in the IT Services and Talent Management marketplace is driven by one thing – our employees. Consistently recognized as a top workplace in a thriving IT industry has caused us to grow at a rapid pace. We offer great opportunities for advancement, personal and professional growth, and unlimited earning potential. TEKsystems® seeks professional individuals with competitive spirit, drive, team mentality, commitment, perseverance, and a desire to build a long-term career in a rewarding environment.

**Why Us?** We believe in cultivating an environment that breeds opportunity and encourages people to be the best version of themselves. Our team members see work as more than just a job—it's a career built on passion, grit, and ambition. We help people achieve their goals—and then some. Our culture is centred around making an impact. Whatever direction you're headed, you'll find talented, driven, and passionate members of the TEKsystems family creating meaningful work. Our comprehensive recruiter training program allows you to learn terminology, job functions, and applicable practices within the information technology industry.

**Qualifications:**

- Interest in a performance-based environment
- Enthusiasm to network and communicate with others
- Hustle, tenacity, and determination
- Pervious sales or recruiting experience is a plus (internships count)

**What you will contribute:**

- Recruit top IT consultants and serve as the main point of contact throughout the entire recruiting cycle

Dear Students,

iOPEX technologies hiring registration has been started, interested students can register with the link before 10.00 AM, 25<sup>th</sup> Feb 2022.

**iOPEX Technologies – Trainee Engineer – Linux fresher**

**About the company:**  
 iOPEX is a new-generation Digital services provider offering optimized Digital Engineering, Operations and Studio services. We are process innovators focused on extracting the best out of the investments you have already made. At iOPEX, we help you realize that golden ratio where your technology and business are in complete synergy, making your company greater than the sum of its parts. Founded in 2009, the demand for our specialized optimization services has helped us grow 60% YoY.

We don't believe in a "one size fits all" policy and have seen the difference that a tailor-made offering can bring to businesses. Exactly why we love building custom solutions for all our clients. We take pride in challenging ourselves and extending boundaries to create new products and novel solutions for traditional and new age business. Our suite of tools are high on performance but low on costs, and put your existing infrastructure to judicious use. Our customer-centricity, ability to take on challenges and financial risks, and go-getter DNA bring to you a partner who is easy to work with, and who delivers beyond promises. No wonder we boast of a marquee list of Fortune 500 clients, and many more, each being 100% reference able.
