### CULTURAL ACTIVITY – DECEMBER 2019

The Cultural Committee of School of Management Studies had organised **SECRET SANTA** in eve of Christmas on 24<sup>th</sup> December 2019. The activity started on 19<sup>th</sup> December 2019, when faculties were informed to pick/select their respective chits for the event.

All faculties were randomly assigned a person to whom they give a gift. The identity of the gift was to remain a secret and should not be revealed. The whole activity was filled with surprises and gifts that each one of us received. It was priceless to explain the joy that the surprise gifts got to us. It was real thoughtful idea and initiative that faculties travelled back in time and felt like child-like again.

### **SPIC-MACAY INUAGURATION, 30<sup>th</sup> August 2019**

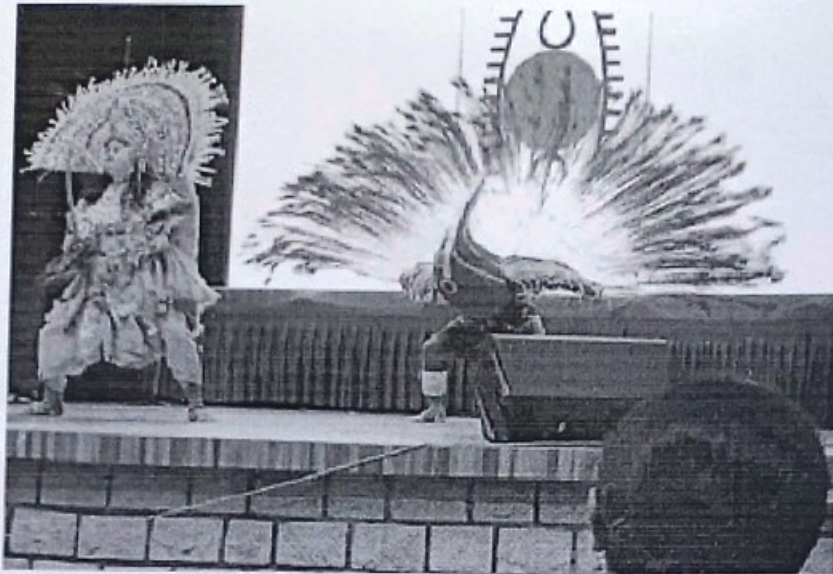

The School of Performing Arts inaugurated the SPIC-MACAY (Society for the Promotion of Indian Culture and Music among Youth) chapter at REVA University on the 30<sup>th</sup> of August at REVA Rangasthala. It was a memorable event as SPIC-MACAY brought a Purulia Chhau troupe with them; Chhau is a folk-art form that originates from the Eastern part of India. One of the traditional dance forms that led to Chhau as we see it today is called paika nritya (paika meand infantry) and hence it is in many ways considered a battle dance.

There are three kinds of Chau that originate from three regions and owe their names to those regions namely – Purulia, Seraikella and Mayurbhanj. Purulia Chhau is mainly characterized by large, colourful masks and acrobatic leaps and flips. Many scholars believe that the word Chhau originated from the word Chhauni which means cantonment and hence it has many elements of martial arts in it. Purulia Chhau belongs to the Purulia district of West Bengal. It draws inspiration from martial arts and that is why the performers execute rigorous and almost acrobatic movements. They wear elaborate costumes and headgear associated with war and battle as this form is mainly intended to tell stories to the audience. It is traditionally performed on a floor rather than an elevated stage with the audience encircling the performance.

Guru Tarapada Rajak's troupe presented the story of the Goddess Durga and Mahishasur Mardini (from the Kalika Purana). The musicians played an extremely vital role in bringing the story alive. They were accompanied by musical instruments such as Mohuri Shehnai, Dhol Dhama and Kharka.

The performance was enthralling and the REVA Rangasthala was packed to capacity demonstrating the true power of the folk art forms of India.

This time Kaladarshana was by the School of Performing Arts. The entire programme was dedicated to the Jagruti – 2 towards Global Warming movement being championed by REVA University. There was a Kuchipudi presentation by Prof. Maalyada and students of SOPA, which depicted the relationship between Mother Yashoda and Lord Krishna, this relationship echoed the macrocosmic relationship between Mother Earth and all its inhabitants. ### Swedish Band Performance, 14<sup>th</sup> Feb, 2020

Swedish Jazz musicians BiggiVinkeloe and NemaVinkeloe had come to REVA university on 14th Feb 2020. They performed Jazz music by playing Flute, Saxophone and even sung some compositions of Kannada poet AkkaMahadevi using a rare Swedish folk style. This singing technique called "kulning" is an ancient Swedish herding call, that was used by women a long time ago to call the cattle back home in the evenings. It was also used as a form of communication, since the high-pitched sounds can be heard over long distances.

Students enjoyed the whole performance that was held at the space Manasollasa, REVA University. The workshop continued for an interactive question-answer session. RULO students from Schools of Arts & Humanities and Computer Science and Applications, and students of the School of Performing Arts were excited to ask questions to the musicians.

Dr. VidyaKumariS, Director of School of Performing Arts, Prof (Dr) Uday, Prof. AnandrajGonwar, Prof. Sachchidananda, Prof. Aswini and Ms. Anjali Raj Urs were very happy to be part of this workshop.

*Kala Sanje: New Path to Creativity.*

By Jyothsna KS and R Rakshitha

As the covid-19 pandemic brought the world to a standstill the faculty and students of School of Performing Arts and Indic Studies, REVA University offers a platform for artists to showcase their talents even in the time of social distancing. With the support of our honorable chancellor Dr Shyanaraju P, REVA University the School of Performing Arts and Indic Studies organized its very first *Kala Sanje*, a weekly concert series.

The event was held on 6 August 2021 at the Nartana Nirnaya gazebo situated within the REVA University campus. The evening's cultural performances were graced by Dr. M. Dhananjaya, Vice-Chancellor, REVA University, Dr. N. Ramesh, Registrar, REVA University and Dr Vidya Shimladka, Director SoPA&IS. The event was attended by numerous viewers both online and offline.

The performance began with a classical Bharatanatyam dance. The young dancers of the department brought to life the devotional Kirti by Muttuswami Deekshitharu, which speaks about the worshipping Lord Shiva in his pancha bhoota. This poised visual performance was followed by a Veena recital by Sai Harshini, a talented Veena player and a student of SoPA&IS. The soulful musical performance was complemented with a contemporary dance performance on medley on film songs. The change of pace left the audience energized and excited for the next episode in the weekly series.

The cultural extravaganza was entertaining enlightening as well as a refreshing experience to all the audience and the artistes dealing with the difficulties of the pandemic. The weekly concert will be a bliss full to watch and provides budding artiste's a space for artistic expression.

## REPORT

Celebrations had come to an end due to the deadly pandemic situation all around the world. Now as everything is easing out, celebrations are also permitted with a very strict restrictions and limitations. With all such limitations reva university managed to put up a very beautiful yet grand celebration of the Indian independence day titled as Aazadi kaAmrit Mahotsav as we commemorate 75 years of independence . This consisted of parade at saugandika stage by the 39 kar battalion national cadet corps (NCC) cadets of reva university . The event was introduced by one of the lecturers Mrs. Anjali Raj Urs followed by singing of the national song Vande Mataram and flag hoisting along with the singing of Indian National anthem.

The event was taken to the Kuvempu auditorium after the flag hoisting for the other cultural and facilitation. The event's introduction was given by the honourable vice chancellor of the university Dr.M Dhananjay. In order for our nation to grow and prosper a collective thought process is required young aspiring generations to be owned and guided, leaders are the key to foster a constructive system the honourable chancellor of reva university Dr. P Shyama Raju was called upon for an inspirational speech .

During this tough time there are a lot of people who volunteered to help the people who suffered from the disease, 73 covid warriors from the university were facilitated for their noble work by the honourable chancellor of the university. Students from various departments in the college were awarded the prizes for some competitions that were conducted in the university. The first cultural event was a dance titled Prakriti rakshithi Rakshith aha performed by the students from the school of performing arts the dance was depicted to show how in India we have a strong affinity towards nature that we worship as a divine mother earth human nature the way it nourishes the birds, bees and the trees and exist peacefully, but unfortunately the human race has been destroying and plundering this beautiful scenario for our own benefit, and how later on the leaders came forward to guide and protect the environment and mother earth. After such a beautiful depiction of nature through art, the students from various departments got together and performed a skit which showed all the obstacles faced to attain the freedom from the British. Today the world is in the grip of disease that has never been seen before human life is battling for survival as reality at times like this the spirit of unity and brotherhood as Indians is of paramount importance as seen, students from the school of performing arts came up with a dance showing this challenging time for the nation. And with this the event had come to an end

A platform that lays out a window of opportunities for the artists to evince and manifest their artistry. This event is organised by the School Of Performing Arts and Indic Studies, REVA University, Bengaluru.

The eight episode of Kala Sanje was held on 8th October, 5pm. The opening piece was Devi Stuti in devotion of Goddess Durga, the wife of Lord Shiva, portraying the form Goddess Durga takes while vanquishing the demon Mahisha. Elegantly performed in Kathak style by Vaishnavi and Aninditha. The succeeding piece was a Thillana performance, a very exquisite and dynamic bit of the Bharatanatyam Repertoire. This piece renders the divine feminine Mahamaya Shakti appearing in kind and empathetic form as well as fierce untamed manner while she conquers the evils within and out. Composed originally by Dwarka Krishna Swamy. This Thillana set to Raag Valachi and Adi Tala was performed and executed by Harsha, Anagha, Suhasini, Likhita and Shilpa. The ultimate final piece was a vibrant Garba dance brimming high spirited energy and swelling the aura with its medley selection of popular songs dazzlingly performed by Riddhi, Prajwal, Bhargavi, Vaishnavi, Sinchana and Rekha.

And once again the School Of Performing Arts and Indic Studies hosts a sparkling evening. Establishing a lively mood and charging the audience with Navratri Spirit.

The first performance was a classical dance-drama by Anagha Priya from MPA 2<sup>nd</sup> year and Suhasini B V from Indology. The song was 'Adhigo Barathinane', a kriti on Lord Rama in ragamalika, aaditaalam. The piece depicts the arrival of Rama in Mithila for the grand Swayamvaram, organized by Janaka Maharaja.

The second performance was a semi classical dance by Anagha V S and Thejaswi.N from BA PaEP 2<sup>nd</sup> year. The song was a remix of the evergreen classical 'Maha Ganapatim' with modern percussion beats.

The last performance was a skit on 'Gender Shock' by Anwesha Anand, Bushra Fathima, S.Tejasritha, Kiran.M.S, and Keerti Bolusani, from BA PaEP 1<sup>st</sup> year. Aninditha Jayanth, Lenora Jessica, and Rakshith Suresh, from BA PaEP 2<sup>nd</sup> year. Samkith Jain from BA PaEP 3<sup>rd</sup> year. Raksha, Mahadevi, Srinivasa Reddy, and Revanth, from Applied Sciences Branch, with Mallesha Sir, a PU professor as one of the supporting characters and Sudhanva A K sir, an assistant professor in SOPA and IS as the narrator. **KALA SANJE:**  
**Another Nartana Nirmaya Gazebo Success Uncovers the Talent**  
By Arshi Shaikh

Namaskar!

On October 22, 2021, we gathered at Nartana Nirmaya Gazebo for a glittering celebration of showering the amazing talent of artists Kala Sanje, a weekly concert series conducted by REVA University's School of Performing Arts and Indic Studies. The concert series began at 3:30 p.m., with the support of our esteemed Chancellor Sir Dr. P Shyama Raju, Vice Chancellor Sir Dr. M Dhananjaya, Registrar Sir Dr. N Ramesh, and beloved director SoPA&IS Dr. Vidya Kumari Mam.

It was week 9 of this breathtaking live performance hosted by Sana Khan. Shilpa Radhan from the MPA program opened the program with a truly stunning performance of Mohiniyattam Cholakattu, an invocatory piece of Lord Ganesh. Following the performance, Sai Harshini and Krupa Nerali from BAPaEP performed a unique Tamil-Hindi medley of the Alaipaayuthey/Saathiya. Furthermore, BAPaEP students Vandya Mahesh and S. Rakshith performed Bharatnatyam, a portrayal of Goddess Kali.

We witnessed the details in relation to the Bharatnatyam performance - Her most common for armed image shows each hand carrying a sword, a trident, a severed head of a demon, and a kapala, respectively. Her eyes are fiery red, and her hair is disheveled. A consort of Shiva who took up violent means to protect the world from evil.

The entire concert series was breathtaking to witness. Please join us again next week, as there were many people to attend both online and offline.

**CARNATIC MUSIC WORKSHOP**

**29.05.22**

The first day of SPIC MACAY Anubhav workshop's Carnatic vocal intensive begun with Guru Sri Malladi Ravikumar Sir singing a Ganapathi Sthuthi. Immediately we participants were taught and blessed with a lot of Kruthis, Keerthanams, Varnams, Bhajans, Patriotic songs etc.

The first song we learnt from Guru Sri Malladi Ravikumar Sir was a Tharangam in Bilahari Raga and the second song he taught was a Ramadasa Kruthi which was set to Tilag Ragam and Adi talam. In the first class he taught these two vivid pieces and the rest of the 20 minutes Malladi Sir gave an opportunity for the participants to show their talents in front of him. It was not an easy thing to sing in front of such a legend, and it was a great opportunity for all the participants. And thus the first day of the workshop helped the students in building their confidence.

**Event organized by:** School of CSA, REVA University.

**Date/Place:** 16/09/2021 / Bangalore

The School of CSA team members visited **ORPHANAGE HOME** to support and distribute Rice, Cloths and books. We were lucky to get an opportunity to visit an Orphanage on September 16, 2021. There were around 16 children with 4 care-takers and a woman in charge. In this 3 Faculty members visited to “**JMJ SNEHA SADAN**”.

After reaching the destination at 9:00 am we were happy to meet the children and members of the organization. Most of the children were working in farm when we entered. Few children were having breakfast. The age group of the children were ranging from 12 years to 16 years.

Everyone were so active and happy there. Elder children were informing us about the rules and regulation that everyone in the shelter is supposed to follow.

After interacting with children, we distributed the Rice, Clothes and books. From 10:00 am to 11:00 am. We had a nice time with the members present in the organization. It was a great experience to interact with the members and children.

I would like to also thank all the members who have supported directly and indirectly for the visit.

**REPORT ON CULTURAL CLUB DASARA CELEBRATION**

**Dates:** 11<sup>th</sup> October, 2021

**Faculty coordinator:** Asst. Prof. Dr. Anupama R M

**Student Coordinators:** Greeshitha P M, Tejaswini B S

**Event:** DASARA CELEBRATION

**Venue:** Art Room

**No of student:** 60

**Agenda:** Vijayadashami (Dasara) Celebration to show the importance of festivals and to educate the students about our culture.

Vijayadashami also known as Dussehra, Dasara or Dashain, is a major Hindu festival celebrated at the end of Navaratri every year. Which typically falls in the Gregorian months of September and October. Vijayadashami is observed for different reasons and celebrated differently in various parts of the Indian subcontinent. In the southern, eastern, northeastern, and some northern states of India, Vijayadashami marks the end of Durga Puja, remembering goddess Durga's victory over the buffalo demon Mahishasura to restore and protect dharma. In the northern, central and western states, the festival is synonymously called Dussehra (also spelled Dasara, Dashahara). In these regions, it marks the end of Ramlila and remembers god Rama's victory over Ravana. Alternatively, it marks a reverence for one of the aspects of goddess Devi, such as Durga or Saraswati.

**Southern India**

Mysore Dasara procession and celebrations in Karnataka are a major tourist attraction.

**Southern India**

Mysore Dasara procession and celebrations in Karnataka are a major tourist attraction.

Vijayadashami is celebrated in a variety of ways in South India. Celebrations range from worshipping Durga, lighting up temples and major forts such as at Mysore, to displaying colourful figurines, known as a golu.

The festival played a historical role in the 14th-century Vijayanagara Empire, where it was called Mahanavami. The Italian traveller Niccolò de' Conti described the festival's intensity and importance as a grandeur religious and martial event with royal support. The event revered Durga as the warrior goddess (some texts refer to her as Chamundeshwari). The celebrations hosted athletic competitions, singing and dancing, fireworks, a pageantry military parade and charitable giving to the public.

The city of Mysore has traditionally been a major center of Dasara-Vijayadashami celebrations.

Another significant and notable tradition of several South Indian regions has been the dedication of this festival to Saraswati, the Hindu goddess of knowledge, learning, music and arts. She is worshipped, along with instruments of one's trade during this festival. In South India, people maintain, clean and worship their instruments, tools of work and implements of their livelihood during this festival, remembering Goddess Saraswati and Durga.

Key events:

- Dance performance
- Musical performances from faculties

**Dates:** 2<sup>nd</sup> November, 2021

**Faculty coordinator:** Asst. Prof. Dr. Anupama R M

**Student Coordinators:** Greeshitha P M

**Event:** DEEPAVALI CELEBRATION

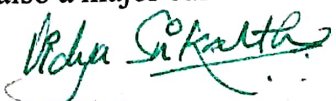

**Venue:** SMV Block Entrance

**No of student:** 10

**Agenda:** Deepavali Celebration to show the importance of festivals and to educate the students about our culture.

One of the most popular festivals of Hinduism, Diwali symbolizes the spiritual "victory of light over darkness, good over evil, and knowledge over ignorance". The festival is widely associated with Lakshmi, goddess of prosperity, with many other regional traditions connecting the holiday to Sita and Rama, Vishnu, Krishna, Yama, Yami, Durga, Kali, Hanuman, Ganesha, Kubera, Dhanvantari, or Vishvakarman. Furthermore, it is, in some regions, a celebration of the day Rama returned to his kingdom Ayodhya with his wife Sita and his brother Lakshmana after defeating Ravana in Lanka and serving 14 years of exile.

In the lead-up to Diwali, celebrants will prepare by cleaning, renovating, and decorating their homes and workplaces with diyas (oil lamps) and rangolis (colorful art circle patterns). During Diwali, people wear their finest clothes, illuminate the interior and exterior of their homes with diyas and rangoli, perform worship ceremonies of Lakshmi, the goddess of prosperity and wealth, light fireworks, and partake in family feasts, where mithai (sweets) and gifts are shared. Diwali is also a major cultural event for the Hindu, Sikh and Jain diaspora.

Diwali is also a major cultural event for the Hindu, Sikh and Jain diaspora.

The five-day long festival originated in the Indian subcontinent and is mentioned in early Sanskrit texts. Diwali is usually celebrated twenty days after the Vijaya-dashami (Dussehra, Dasara, Dasain) festival, with Dhanteras, or the regional equivalent, marking the first day of the festival when celebrants prepare by cleaning their homes and making decorations on the floor, such as rangolis.] The second day is Naraka Chaturdashi. The third day is the day of Lakshmi Puja and the darkest night of the traditional month. In some parts of India, the day after Lakshmi Puja is marked with the Govardhan Puja and Balipratipada (Padwa). Some Hindu communities mark the last day as Bhai Dooj or the regional equivalent, which is dedicated to the bond between sister and brother, while other Hindu and Sikh craftsmen communities mark this day as Vishwakarma Puja and observe it by performing maintenance in their work spaces and offering prayers.

On this occasion the faculty members students of V semester, under the guidance of faculty Dr. Anupama R M, organized a program to celebrate **Deepavali** by drawing the rangoli and lighting the lamps all over the block.

**Event: Tourism Week 2021**

**Date: 27<sup>th</sup> September to 1<sup>st</sup> Oct 2021**

World tourism day is celebrated across the world on 27<sup>th</sup> September every year. This day was designated as World Tourism Day from 1980, as on that day in 1970, the statutes of the United Nations World Tourism Organisation (UNWTO) were adopted. The adoption of these statutes is considered a milestone in global tourism. The purpose of this day is to raise awareness on the role of tourism within the international community and to demonstrate its social, cultural, political and economic value and its contribution in Sustainable Development Goals.

The theme for World Tourism Day 2021 is "Tourism For Inclusive Growth". The idea behind this is to look beyond tourism statistics and acknowledge that, behind every number, there is a person.

Keeping the above objectives in mind The School of Arts, Humanities & Social Sciences organized Tourism week 2021 from 27<sup>th</sup> Sep to 1<sup>st</sup> Oct 2021.

Below is a gist of the activities of World Tourism Week 2021

- Day 1 - 27<sup>th</sup> Sep Street play and Inaugural Talk
- Day 2 - 28<sup>th</sup> Sep Photography Competition and Exhibition
- Day 3 - 29<sup>th</sup> Sep Collage Making Competition
- Day 4 - 30<sup>th</sup> Sep Open Mic Competition

## Day 5 - 1<sup>st</sup> Oct Ethnic Day Competition and Valedictory

On the first day, 27<sup>th</sup> September 2021, The school organised a Webinar for the students of Arts, Humanities and Sciences on the topic "Prospects of Tourism and Hospitality-based entrepreneurship in the post-COVID era" through online conferencing platform, Microsoft Teams at 2.30 pm. The resource person for the lecture was Dr. Vijay Kumar, Assistant Professor, Jamia Millia University, New Delhi. Around 50 students attended the session. Dr Vijay stressed on Pilgrimage Rejuvenation and Spiritual Heritage Augmentation Drive (PRASHAD) for development of tourism infrastructure in the country including historical places and heritage cities. He also emphasized on Rebuilding Consumer Trust and Confidence, Domestic Tourism, Caravan Tourism, Self-Drive Vehicle Short Tours and Medical Tourism.

The session was enlightening and the students learned how to integrate design and concept alterations; bringing about innovation in the design of the products and the concepts that we, as businesses, are offering to overcome the challenge posed by the pandemic. The topic was pertinent to the Tourism course and oriented towards prospects on Tourism entrepreneurship post-covid.

A street play was performed by the Students of B.A THJ I and III Sem (Tourism students) on the theme "Tourist behaviour at tourist destinations in India" to foster awareness on cleanliness and to disseminate the message on safety and security to make India a favourable destination for all.

On the 2<sup>nd</sup> day, 28<sup>th</sup> Sep, a competition on Symmetry And Abstract Photography was held and the pictures had to be captured within Reva Campus.

On Day 3, 29<sup>th</sup> Sep, a Collage Competition was organized on the theme "Tradition & World Heritage Sites", The collages made by the students highlighted the astounding tourism sites and cultures in India.

On Day 4, 30th Sep, conducted an Open Mic competition where Singing, Dance, Poetry Recitation, Stand-Up Acts, Rap Music, etc were performed by the students from various departments of the Schools.

On the 5<sup>th</sup> day, 1<sup>st</sup> Oct, Ethnic Day was held, where in, all the teachers and students of the School came in their respective ethnic dresses. Ethnic dress Competition was arranged and many students from the school participated with great zeal. The various ensembles once again reminded us of the diversity of cultures, religions and ethnicities in India and its uniqueness in the world.

All the above events were judged by different faculty members and first, second and third places were awarded in each competition. Certificates were given to all the winners.

And lastly, the Tourism week ended with a Valedictory talk on "Career Opportunities In Hospitality Sector" and the resource person for the lecture was Mr Karthik Bhat, Human Resource Manager at Dubai Marriott Harbour Hotel & Suites through online conferencing platform, Microsoft Teams at 2.30 pm.

The lecture was organised for the students of Arts, Humanities & Social Sciences. Around 50 students attended the session. Mr Karthik emphasised on job opportunities for ambitious and dedicated workers and possibilities to combine work with travel and meet new challenges along with the measures to enhance safety and hygiene at the hotels.

The session was remarkably informative and the lecture ended with a 'Question and Answer Session' that was both enlightening and motivating. The students approached the resource person with specific queries which were clarified effectively.

Over all, Tourism Week 2021 at REVA University achieved its objectives, thereby making it a resounding success. My sincere appreciation goes out to all

the students who participated, faculty who facilitated and the Director and Management who inspired.

**Title:** Report on –“Dandiya competition”

**Event organized by:** School of Arts and Humanities.

**Date/Place:** 2/11/2021 / Bangalore

Inculcating a sense of culture and unity is the essence of any Indian festival and Navratri is a portrait of colour, action, music and togetherness.

As nine days of non-stop fun, dance and festivities was around the corner, REVA University celebrated Dandiya Vibes on 2nd November 2021 at the Saugandhika open air stage with the help of perfect traditional attires, the dolled-up look and dancing skills. That marks the celebration of Navratri and Diwali. This event is a symbol of unity among the youth of the institute.

All the students, teaching and non-teaching faculty present there joined in the celebration, tapping to the spectacular music. A strong bond was visualized between teachers and students. It was huge family tapping their toes with the rejoicing music.

The DJ made sure the visitors glued to the floor all through the evening with Traditional dandiya music along with some peppy Bollywood dandiya numbers.

The delightful sight of energetic light-footed young boys and girls swirling in graceful rhythmic garba and enthusiastically playing Dandiya evoked admiration among all present there.

Here are some memories :
