REVA UNIVERSITY AT A GLANCE

Teaching Beyond Education...

REVA University has been established under the REVA University Act 2012 with the vision to instill awareness, a zeal for higher learning and direct curiosity through education.

REVA University was conceptualized with a view to enable change; a revisualization of the present Indian academic scenario. It breathes and practices the ideology of taking education to greater heights by touching each learner. The Founders of REVA University believe in the adage 'Knowledge is Power'. Driven by this power of transforming lives, REVA thrives. Creating knowledge societies, building futures and imparting education.

An involvement of this level, that REVA exhibits is complemented and enhanced by its environs, a colossal landscape blanketed over 45 acres of land that is a standing testimony to inspiring learning and fluid exchange of ideas.

The University prides itself in contributing to every student's holistic development. The University currently offers 33 full-time Under Graduate Programs, 24 full-time Post Graduate programs, 2 part-time Post Graduate programs, several Certificate/Diploma and Post Graduate Diploma programs in Engineering, Architecture, Science and Technology, Commerce, Management Studies, Law, Arts & Humanities and Performing Arts. Above all, the University facilitates research leading to Doctoral Degree in all disciplines. The programs offered by REVA University are well planned and designed based on methodical analysis and research with emphasis on

knowledge assimilation, practical applications, hands-on training, global and industrial relevance and their social significance.

REVA University believes in preparing students through Choice Based Credit System (CBCS) and Continuous Assessment and Grading Pattern (CAGP) of education. The CBCS & CAGP pattern of education have been introduced in all programs to enable students to opt for subjects of their choice in addition to the core subjects of study and prepare them with required skills. It also provides opportunities for students to earn more credits and thereby acquire additional Proficiency Certificates and Diplomas.

Teachers and instructors with illustrious and unparalleled experience in their respective academic domains and unequalled qualification are the architects of the meticulously and conscientiously designed curriculum and program modules offered at the University. The faculty renowned for their acumen is actively part of ongoing academic dialogue globally. They also come with industry involvement and links that is translated through their teaching, thus bridging the gap between industry and academia.

The ever evolving collection of books, journals and digital content in the library and the latest IT infrastructure, ensure that students have information at their disposal to explore. REVA University is celebrated for its well-equipped laboratories which aid students in their learning and research. The custom-built teaching facilities and classrooms, the indoor and outdoor sports and cultural facilities, the multi-cuisine food court, lung spaces for students to sit with nature and campus stores, provide students an encouraging learning environment.

Letter from the Chancellor

Redefining Perception

There was a time when survival depended on just the realization of physiological needs. We are indeed privileged to exist in a time when 'intellectual gratification' has become indispensable. Information is easily available for the soul that is curious enough to look for it. Technological boons enable information availability anywhere, anytime. The difference, however, lies between those who look for information and those who assimilate knowledge.

It is deemed virtuous to serve seekers of knowledge and as educators it is in the ethos at REVA University to empower every learner who chooses to enter our portals. Driven by our founding philosophy of 'Knowledge is Power, we believe in building a community of perpetual learners by enabling them to look beyond their abilities and achieve what they assumed impossible.

India has always been viewed as a brewing pot of varied talent, incredible intellect and immense potential. All it takes to turn those qualities into power is a spark of opportunity. Being at a University is an exciting and rewarding experience with opportunities to nurture abilities, challenge cognizance and gain competence.

For any University, the secret of excellence lies in the transitional abilities of its Faculty members and its Facilities. I'm always in awe of the efforts that our academic board puts in to develop the team of subject experts at REVA. My teacher colleagues understand our core vision of empowering our Future generation to be ethically, morally and intellectually strong. They practice the art of teaching with a student-centric and transformational approach. The excellent infrastructure at the University, both educational and extra-curricular, magnificently demonstrates the importance of ambience in facilitating focused learning for our students.

A famous British politician and author of the 19th century - Benjamin Disraeli, once said 'A University should be a place of light, of liberty and of learning'. Centuries later this quote still inspires me and join the team of enlightenment and shine in your career. I believe, in team-work to build successful institutions. I welcome you to REVA University where we mould your future with values, wisdom and knowledge.

Dr. P. Shyama Raju
Chancellor, REVA University

SWAMI VIVEKANANDA BLOCK

“Exceptional
Education
Exceptional Value”

Vice Chancellor's message

REVA University has been founded with the vision of affording education to students from all walks of life and society who aspire to enter the portals of our University to gain the best in knowledge. The pillar of our strength at REVA is Innovative teaching and learning experiences offered by top quality faculty, backed with high quality resources. At REVA we offer you a diverse ambience, interaction and support from top-notch faculty, excellent placements and the best in infrastructure which makes life at REVA a joy to every student. We take pride in saying that industry has participated at every stage of the curriculum developed for the University making the curriculum industry focused and skill based.

As a young University aiming to be at the pinnacle of transforming education to the youth of today, we believe in instilling in all our students a strong culture of Research and Innovation. This is evidenced in the campus by the drive that the Faculty have towards Research and the involvement of students in research activities at an early stage. Our Innovation Centres are par excellence and this strengthens our strong industry-academia back up. Our pedagogy calls for hands-on experience from the learned while our curriculum is multidisciplinary in approach. Extensive laboratory and workshop exposure link students to real world problems and situations. The library is equipped to meet the needs of the learners right from internet support to audio-visual services to online access to journals.

Coupled with rigour in academics is the exposure to students in various realms of talent through clubs and extracurricular activities, which builds on the student overall personality. We believe in creativity and nurturing new ideas has been our milestone in the short span of the existence of the University. All these experiences for a student at REVA University culminate into making every student industry-ready, enhancing employability possibilities in the industry.

The University has collaborated with leading international Universities making it seamless for students to study anywhere in the globe apart from gaining a flavour of international education in various disciplines. Ranked amongst the top-league Universities by MHRD, 2018 for Swacchata Rankings and Awards, REVA University has also been in the league in the ranking by Business World, Competition and Success and awarded the best Private University by ASSOCHAM and Global Education Forum, 2018.

The plethora of programmes offered at REVA University give students the option of selecting courses right from Science and Technology to Applications and Life Sciences to Legal Studies, Management, Arts and Humanities, Architecture to Performing Arts; all of them under one roof. REVA has one of the finest learning environments with a perfect blend of infrastructure and Digital learning to faculty who are interactive and student-friendly. The strong backing of the Alumni gives the student the sense of belonging to the larger community and network of REVA. Scholarships that encourage merit and make learning affordable along with residential facilities that make it secure and sound for you to learn and grow are the other highlights at REVA.

I welcome you to this young, vibrant University and invite you to become a part of this journey of REVA!

Dr. S. Y. Kulkarni

Vice Chancellor, REVA University

School of Civil Engineering

The School of Civil Engineering offers Under Graduate, Post Graduate and Ph. D. programs. The program emphasizes on all the core areas of Civil Engineering like Design of Structures, Buildings, Bridges, Dams & other infrastructure, Pollution Control, Waste Management. The School offers Post Graduate Diploma in Entrepreneurship and Construction Management and Diploma in Plumbing and Irrigation Systems. All the programs are embedded with Industry Internship and Computer based Models & Analysis. The School offers B. Tech in Civil Engineering, M. Tech in Computer Aided Structural Engineering and M. Tech in Transportation Engineering and Management. The Ph. D Program is offered with an objective of producing quality research output in the cutting-edge technologies of Civil Engineering. The school also undertakes funded projects and consultancy activities.

School of Computing & Information Technology

The School of Computing & Information Technology provides insight into leading-edge techniques for analysis, design and implementation of complex software systems. It aims at supplying industry-ready graduates. The School offers B. Tech in Computer Science and Engineering, B. Tech in Computer Science and Information Technology, M. Tech in Computer Science and Engineering and M. Tech in Data Engineering and Cloud Computing. It also facilitates research leading to Ph. D. in Computing & Information Technology and undertakes funded projects.

School of Electrical & Electronics Engineering

The School of Electrical & Electronics Engineering (EEE) offers programs in Electrical, Electronics and Computer domains and provides a wide range of fundamental scientific knowledge relevant to Electrical sciences. At the School of EEE, young intellects are trained thoroughly in the domains of Electric Machines, Power and Energy Systems, Smart grid, SCADA, Power Electronics, Power quality, Control Engineering, Conservation of Renewable Energy, Computer Control of Power System, Energy and other allied fields. The School offers B. Tech in Electrical & Electronics Engineering, B. Tech in Electrical and Computer Engineering, M. Tech in Power Electronics and M. Tech in Power & Energy Systems. The School also provides Ph. D. programs in the field of Power electronics, Power and Energy systems, integration of Renewable Energy Systems into grid, Automation, Electric Vehicle, Energy Storage Systems, Energy Conservation, Power Quality, Artificial Intelligence in Power System, etc., through the state-of-the-art research facilities.

School of Electronics & Communication Engineering

The Programs of the School of Electronics & Communication Engineering are designed to focus on technology that underpins Signal Processing, Network Technology, Data Communication, Smart Systems design, Embedded System and IoT, etc. with special emphasis on research and development. The School offers B. Tech in Electronics and Communication Engineering, B. Tech in Electronics and Computer Engineering, M. Tech in VLSI and Embedded Systems and M. Tech in Digital Communication & Networking. The School is engaged in research leading to Ph. D. in Electronics & Communication Engineering and undertakes funded research projects.

School of Mechanical Engineering

The Programs of the School of Mechanical Engineering are focused on the management of resources, design and development of new processes and innovative products. The School offers B. Tech in Mechanical Engineering and M. Tech in Machine Design. The School is also engaged in research leading to Ph. D. It also undertakes funded projects and consultancy activities. The School is proactive with innovative work and is in a constant pursuit to achieve novelty in design, structure and mechanism. The School's "Centre of Excellence" is a training ground for students to directly interact with automotive getting hands on exposure of the same.

Faculty of Architecture

School of Architecture

The School of Architecture, recognized by Council of Architecture (COA), is supported by DivyaSree Developers who have nearly four decades of rich experience in Architecture, Construction and Infrastructure development, presently offers B. Arch program of five years and the School aims to establish a Center of Excellence for Architectural education. It facilitates multidisciplinary research to deal with the complexities of human settlements as a whole. The School has developed a network of top architects and designers and has involved them in teaching and guiding. It has a vision to train learners who should be sensitive towards pain, plight, pleasure, happiness, comfort, leisure, aspirations, and expectations of people and responsive towards nature, environment, society and nation, coupled with ethics and human values.

Faculty of Law

School of Legal Studies

The School of Legal Studies is recognized by the Bar Council of India (BCI). The School offers Under Graduate programs with an objective of preparing Law graduates with a sound understanding of the foundations of legal knowledge. The School offers B.A., B.A., LL. B (Hons.), B.B.A., LL. B (Hons.) of five years (10 semesters) duration, LL.M. in Business and Corporate Law, a one year program and undertakes consultancy projects. Equipped with excellent infrastructure including Moot Court, Counseling Cell, fully air conditioned library with variety of print and online resources, the school aims at advancement and dissemination of knowledge of law and legal processes in the context of national development. The school in addition to its well experienced qualified law faculty members, invites regularly practicing lawyers and legal luminaries as adjunct faculty and guest faculty member to facilitate practical exposures on latest judgments.

Faculty of Commerce & Management Studies

School of Commerce

Commerce is one of the most sought after academic program at the Under Graduate, Post Graduate and research level. The School of Commerce offers Bachelor of Commerce (B.Com- Industry Integrated), B. Com (Hons.) and B. Com (Capital Market) that reduces the gap between industry and academia. The School also offers M. Com program facilitating various specializations combined with project and internship. Further the School has research programs leading to Ph. D. and undertakes funded projects and consultancy activities

School of Management Studies

The School of Management Studies offers Master of Business Administration (MBA), Bachelor of Business Administration (BBA - Industry Integrated), BBA (Hons.), BBA (Entrepreneurship in association with EDII) and BBA (Retail Management) programs which have been crafted with utmost care in collaboration with academicians and professionals. The curriculum facilitates students' involvement with skills, abilities and knowledge that enable them to take up positions of higher responsibilities in the corporate world. The School has many International collaborations with reputed Universities, that permeates a global outlook in the demeanor of management students. The School is also engaged in research leading to Ph. D. and undertakes funded projects.

Faculty of Science and Technology

School of Computer Science and Applications

The School offers BCA, B. Sc in Research, MCA and MS in Computer Science, considering job opportunities in various sectors. These programs have been designed to provide knowledge and varied skills about the applications of computers and computer programming in different fields of practical importance including those of writing codes and computer algorithms to deal with various physical systems. The School also facilitates research leading to Ph. D. in Computer Sciences and Computer Application disciplines. The School has collaboration with University of Alabama, Huntsville, USA and offers joint programs.

School of Applied Sciences

The School of Applied Sciences offers Under Graduate and Post Graduate programs which are incredibly fascinating and practice oriented. It aims to attract talented youth and train them to acquire knowledge and skills useful to industrial sectors, research laboratories, and educational institutions. The School presently offers B.Sc. (Mathematics, Statistics and Computer Science), B.Sc. (Physics, Mathematics and Chemistry), B.Sc. (Mathematics, Statistics and Physics), B.Sc. (Physics, Mathematics and Computer Science), B.Sc. (Mathematics, Computer Science and Economics), B. Sc. (Biotechnology, Biochemistry and Genetics), B. Sc. (Biotechnology, Biochemistry and Microbiology), B. Sc. (Biotechnology, Chemistry and Microbiology), B.Sc. (Biology, Computer Science and Mathematics), B.Sc. (Medical Laboratory Technology), M.Sc. in Mathematics, M.Sc. in Physics, M.Sc. in Chemistry, M.Sc. in Bio-Chemistry, M.Sc. in Bio-Technology and PG Diploma on Functional Genomics and Bioinformatics, PG Diploma in Clinical Research Management in Association with Clini India. The School also facilitates research leading to Ph.D. in Physical, Chemical and Biological disciplines.

Faculty of Arts, Humanities and Performing Arts

School of Arts and Humanities

The School of Arts & Humanities offers B. A. in Journalism, English and Psychology, B. A. in Political Science, Economics and Journalism, M. A. in English and M. A. in Journalism and Communication programs that prepare students who are aware of and can interact with contemporary thought and research in their respective specializations and utilize such in their professional lives. The learners will also be equipped with foundation of subjects and variety of skills required to compete in the global job market. The School is also engaged in research leading to Ph. D. in Humanities disciplines.

School of Performing Arts

The School of Performing Arts offers courses like B. A. in Performing Arts (Dance, Music, Theatre), English and Psychology, Certificate Program in Kuchipudi, Bharatanatyam, Mohiniyattam, Kathak, Carnatic Music, Hindustani Music, Odissi & Diploma in Kuchipudi, Bharatanatyam, Mohiniyattam, Kathak, Carnatic Music, Hindustani Music, Odissi & Theatre Arts. MPA in Bharatanatyam, Kuchipudi, Mohiniattam along with Ph. D. programs. The Syllabus is world class and is benchmarked. Performing Arts school is concentrating on collaborating with Universities abroad for short term and semester exchange programs and also introduce Indian Performing Arts to the foreign students. Internationally acclaimed artists visit the campus often as visiting faculty members and guest Faculty members to interact with the students. The Performing Wing at School of Performing Arts have performing opportunities all over the country and abroad. The seminars, workshops, guest classes enhance them to face the world of Arts that is an amalgamation of a spectrum of experiences and choices. Career Opportunities for students can be Professional Dancers/Musicians/Actors, Scholars, Event Managers, Choreographers, Teachers and more.

REVA Academy for Corporate Excellence (RACE)

RACE is created with a vision to develop Visionary Enterprise Leaders for corporate through progressive and integrated learning capabilities. It offers a range of specialized techno-functional and interdisciplinary programs designed to suit the needs of working professionals. The pedagogy of each program revolves around social and experiential training, learner empowerment and building transformative proficiencies in every participant.

After comprehensive research and consultations with key stakeholders from the industry, each program is planned, designed and delivered by renowned corporate leaders and trainers. The career enhancing programs offered by RACE combines latest tools, technologies and skillsets which are in synch with the futuristic demands of the industry.

The key highlights of the programs are its blended learning management system with 24/7 online LMS support, certifications from REVA University and several industry partners including IBM, DSCI NASSCOM and Security Innovation, hands-on training on over 30 analytical and cybersecurity tools, capstone projects with real-time datasets and lateral placement assistance.

Currently RACE offers following postgraduate, diploma and short-term programs for working professionals:

PGDM/MBA in Business Analytics – In association with IBM

- * 1 Year PGDM and 2 Year MBA with weekend contact classes
- * Analytics India ranked business analytics program
- * 4 specialized domains – Supply Chain, Marketing, Social Media and Financial Analytics
- * Six global certifications, including IBM Skills Academy Mastery Award badges
- * Hands-on training on over 15 tools, including Python & R

PG Diploma/MS/MTech in Cybersecurity – Powered by AforeCybersec | In Association with IBM

- * 1 Year PG Diploma and 2 Year MS/MTech with weekend contact classes
- * India's first simulation integrated cybersecurity program
- * Certifications from IBM, DSCI NASSCOM and Security Innovation
- * Cyber Range simulated cyber warfare training
- * Live Security Operations Centre (SOC)

Diploma and Short-term certification courses for working professionals:

- * Diploma in HR Analytics, in Association with Jig Saw Academy
- * Diploma in Supply Chain Analytics
- * Certificate Program in Artificial Intelligence
- * Certificate Program in Vulnerability Assessment & Penetration Testing (VAPT)
- * Certificate Program in Security Operation Centre (SOC)
- * Certificate program in Cybersecurity for Banking Professionals

Eligibility Criteria

PGDM/MBA in Business Analytics

- * Minimum 50% in UG Program
- * Minimum 4 Years of Work Experience

PG Diploma/MS/MTech in Cybersecurity

- * Minimum 50% in UG Program
- * Minimum 2 Years of Work Experience in IT Domain

University - Industry Interaction and Skill Development Centre

Staying Relevant

The University Industry Interaction Centre (UIIC) is one of the strategic centres, committed to work as a catalyst for promoting collaboration amongst academicians, scientists and industrialists to achieve competitiveness in developing the technical manpower for socio economic development under the present scenario of global competition and challenges.

- **REVA Skills Development Academy**

The Skills Development Academy is a progressively viable, self-sustaining institution, dedicated to the advancement of aptitude, skills and knowledge among students & faculty members.

- **Innovation & Entrepreneurship Development Centre (IEDC)**

Innovation & Entrepreneurship Development Centre (IEDC) is functioning in the University with the intention of nurturing Innovation & Entrepreneurship skills among the students. IEDC is associated with EDII Ahmedabad. Students showcase their innovative ideas participate in national and International events.

- **Intellectual Property Rights Cell**

IPR Cell at REVA is working with a mission to create awareness and provide guidance to academic and non-academic staff, students, scholars and outside agencies on the practices and the rules of institute regarding intellectual property rights and obligations within the framework of the IPR policy of the University.

Modes of Engagements

- Training and Internship
- Research Projects
- Incubation Center
- Work on cutting-edge technology
- Open Innovation
- Knowledge Transfer
- Develop Skills appropriate for Job / Entrepreneur
- Consultation Work
- Product Commercialization
- Incubation Centre
- Start-ups
- Mentoring

Industry Collaborations

- VMware
- Intel
- Salesforce
- Dell-EMC
- Assocham India
- Oracle
- NEN
- AMZ Automotive (formerly called Elite Techno Groups)
- Imperial Society of Innovative Engg
- TCS
- IBhubs
- IBM, Dexterous Lab, ISRO, NAL, BHEL

Research and Innovation at REVA

Research in REVA University is a culture and to promote this, the University offers Ph.D. programs in various disciplines such as Engineering, Technology, Applied Sciences, Arts & Humanities, Commerce & Management, Performing Arts, Legal Studies and Architecture. The University provides seed funds to establish research centers and to carry out research. All Schools engage in cutting edge research and have undertaken funded projects. Dedicated and qualified faculty members guide candidates to pursue research. Strict regulations complying with UGC are in place to ensure quality. The IPR (Intellectual Property Right) Cell, Incubation Centre, research circles mentored by senior members and supportive management make REVA a conducive place for research.

A close-up photograph of a globe centered on the African continent. The globe is illuminated from the side, creating a bright highlight on the right edge. The map shows various countries in different colors, with labels for many of them, including Morocco, Algeria, Tunisia, Libya, Egypt, Sudan, Ethiopia, Kenya, Tanzania, and South Africa. The background is a soft-focus bokeh of warm, golden lights.

Quality Education with International Standards

Exclusive offering at REVA

RAY Foundation- REVA NEST

RAY (REVA Aspiring Youth) Foundation also known as REVA NEST, aims to build the entrepreneurial eco system by empowering and nurturing student start-ups and incubating innovative technology based start-ups at REVA University campus.

The University faculty members and industry mentors associated with REVA NEST advice incubate companies on Technology Product Development, Patenting, Commercialization, Marketing, Business Set up and Operations, and Human Resource Sourcing and Development.

REVA NEST is recognized by MSME, supported by Government of Karnataka (KCTU), Department of Science and Technology. REVA NEST has access to the University's State-of-the-Art Centre of Excellence in the sector of Electronics and Communication, Design & Manufacturing, Construction and Bio-technology. It supports entrepreneurship by translating innovative technology ideas into successful ventures offering products, processes and services that greatly benefit the society at large.

Internal Quality Division

In its pursuit to offer quality education, REVA University has established a dedicated Internal Quality division. The division conceives, plans and implements quality measures in all programs offered by REVA University. It develops quality benchmarks / parameters for various academic and administrative activities, facilitates the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt required knowledge and technology for participatory teaching and learning process. The division helps in preparing documents related to Course Design, Course Planning, Course Delivery, Course Monitoring, Course Evaluation and Course Quality Enhancement based on the Program Outcomes and Course Outcomes. The division also trains all the Faculty members in effective implementation of all the quality practices.

The division arranges feedback from students, parents and other stakeholders on quality-related institutional processes, disseminates information on various quality parameters of higher education, organizes inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles. Further, the division prepares and maintains documentation of the various programs / activities leading to quality improvement, develops and maintains institutional database through MIS for the purpose of maintaining / enhancing the institutional quality. It harnesses every opportunity to develop quality culture in the University and acts as a nodal agency of the University for Coordinating quality-related Activities, including adoption and dissemination of best practices. This division also prepares the University for various National and International Rankings and for accreditations

REVA on the Globe

REVA University offers a plethora of dynamic and engaging academic linkages with various international Universities across the globe. Our aim is to promote and develop integration of professional and academic education with top Universities that we partner with. The objective of the International Centre at REVA is to provide the best programs in collaboration with top-league International Universities so as to ensure students get the right cultural environment and learning at these Universities. The goal is to make knowledge accessible to students while pursuing their Under Graduate or Post Graduate Programs at REVA from a transnational community of academia under the expertise of international faculty and industry personnel. REVA invites students from all around the globe and also invites students at REVA to enroll in the various opportunities provided to study abroad.

Our Global Academic Partners:

1. RWTH Aachen University (We will be using the LOGO)
2. IQS School of Management – Universitat Ramon LLull
3. University of California
4. Florida International University
5. Management Development Institute of Singapore
6. Universal College of Learning, New Zealand
7. ETSAB, Barcelona
8. NEXUS
9. Arkansas State University
10. The University of Alabama
11. University of Central Oklahoma
12. Oklahoma State University
13. Georgian College of Applied Arts and Technology
14. Lakehead University
15. Michigan Technological University
16. Institut Transportasidan Logistik Trisakti
17. Universitas Borobudur
18. Institut Sainsdan Teknologi Pradipta
19. Universitas Dirgantara Marsekal Suryadarma
20. Universitas Darma Persada
21. Universitas Budi Luhur
22. Universitas Yarsi
23. Universitas Mercu Buana
24. STIE Pariwisata International
25. Sekolah Tinggi Ilmu Ekonomi Indonesia
26. PUTRA Business School
27. University of South Australia
28. University of Salford, Manchester
29. University of Strathclyde

An Education
with a
Difference

Career Counselling, Training and Placements

A future to look forward to.

REVA University has an all-inclusive placement program that engages students with pre placement training early on. Commencing in the first semester, the program progresses along with mainstream studies. This facilitates learning for 'industry readiness' provided by the University's Training and Placement Centre. The Centre has an exclusive in-house Soft skills training program for students, imparted by experts in the field. This course at REVA helps students develop competencies and capabilities. The course involves developing interpersonal, communication, team building and leadership skills, for greater productivity and performance and above all 'employability'. The Soft Skills training sessions covers everything that will enable a student to stand out in a crowd of career builders. It is designed to help them gain personal insight and practical skills to develop and implement a mental framework for a good and professional approach to their career.

Achievements of REVA

- The Hindu recognized REVA as “The Doyen”, Guardians of Knowledge.
- Economic Times foresaw its potential and named it as a “Promising Upcoming Private University in the Country”.
- AITMC acknowledged it as the “Emerging Best University in Placement in South Region”.
- REVA University’s Grand Staircase featured in Bentley’s 2017 Year Book as an “Engineering Marvel”.
- 6th Place in Prestigious Swacchh Campus Ranking Award 2018 by MHRD under Higher Educational Institutions Category
- Most Promising University by Global India Education Forum, 2018
- Leadership Award in Higher Education at ASSOCHAM
- 3rd Rank under, “The Most Promising B- Schools” category in GHRDC-CSR B-SCHOOL ALL INDIA/ NATIONAL SURVEY 2018.

- Digitization
- LEED Certified Eco- Friendly Campus
- Well Furnished Halls of Residence
- Uninterrupted Power Supply
- Multiple Sports Arenas
- Eco Friendly Environment
- Diversified Student Community
- Anti- Ragging Committee
- Social Outreach Programs
- 24 Hour Security (Digital/Personnel)

Academic Excellence

An Inspiring Experience

- Contemporary Curriculum
- Choice Based Credit System (CBCS) & Continuous Assessment and Grading Pattern (CAGP)
- Education Scholarship for deserving students
- Highly Accomplished Faculty Members
- Levitating Research Culture

FORMING A COMMUNITY

THE REVA WAY OF LIFE

Students Speak

"REVA is home to many diverse identities and cultures. We live amidst the most palpable academic energy and are constantly surrounded by the buzz of activity. Away from the chaotic city, REVA has breathed life back into the fading memory of Bengaluru and how it used to be; green, welcoming, beatific and culturally panoramic. Be it the mouthwatering delicacies in campus or the great sports arenas, every amenity is a hop away. The best part though is the sense of belonging we feel here as students, creating knowledge societies and making lasting relationships with teachers and peers"

- Juveria Roman Khan
School of ECE

Library and Information Centre

The Central Library is located in the heart of the campus and is housed in an independent building with a carpet area of 3,316 Sq. mtrs. The air conditioned library has 800 seating capacity. It possesses huge collection of books & journals both in print and e-form. The library is kept open from 8.00am to 12.00 midnight and it provides a mix of learning environments to meet different student needs. The library has gone digital with various options, making access and reading easy and convenient. Online access to a vast range of information, including 3,000+ electronic journal titles and huge number of e-books are available to all our students, researchers and faculty members. Student experience an exciting experience of accessing IEL online database of IEEE that contains 1.7 million full text searchable journal articles, conference papers and IEEE standards. One can also access business source elite collection of 1800+ e-journals and magazines through EBSCO database. Not just that, through NPTEL's E-Vidya Media Streaming System students can view videos of all programs/courses brought out by the NPTEL.

The University has also incorporated RFID (Radio Frequency Identification Devices), for better security and safety in campus.

ICT Resource

University staff are continuously developing innovative ways of using technology to support teaching and learning through our virtual learning environment, including e-portfolios, podcasts, streaming media and online discussion groups and quizzes. In our physical classrooms and laboratories, a number of smart classrooms offer enhanced technology, such as, interactive whiteboards and classroom response systems to improve the overall learning experience of students and staff.

REVA has well planned systematically furnished classrooms with digital facilities and learning. The classrooms are designed to facilitate the students with congenial atmosphere to study. The laboratories are well equipped with modern gadgets and necessary equipment's for practicing purpose. REVA also uses Learning Management System (LMS) to facilitate efficient learning.

Auditorium and Seminar Halls

REVA believes that the students apart from their in-depth subject knowledge, need to upkeep themselves with a variety of skills coupled with team spirit and leadership qualities. Therefore, it promotes varied kinds of activities apart from class room lectures and lab practice. REVA has adequate number of auditorium and seminar halls to facilitate such curricular and co-curricular activities.

Media Centre

To facilitate a rich learning experience that includes hands on simulated education, REVA has its own Media Centre with an in built recording studio and live broadcasting podium.

Counselling Centre

REVA has a Counselling Centre, with trained and experienced Counsellors that are present for student grievances and support. The Counselling Centre was built to answer students' special learning counselling needs and providing them with an unbiased environment.

Studios

REVA has many studios and galleries to showcase students' interaction with study material and enhance their skills and interests. REVA Beats is an exclusive music room, to hone students' diverse talent in music, with a mix of contemporary and classical set up, and a sound proof venue. The Architecture Studio- Gallery, situated in the School of Architecture has students' works, exhibiting their contact with different elements and the resulting artwork. Apart from this there are Laboratories in each school, like, science, technology and language.

Green Park

At the heart of the campus is the Green Park with variety of trees and bushes, and lush green lawn that attracts any nature lovers. Amidst the beauty of nature, one can quietly refer to books, meet friends, discuss in groups or simply relax. The Green Park keeps the campus cool and fills it with fresh and clean air.

Open Air Theatre

Built at the Green Park, the open air theater always brings a variety of cultural programs by different groups of students representing different states /countries making the evenings more colorful and fascinating.

Sports and Fitness

Taking part in sports at the University is a great way to keep fit, make friends and unwind after academic work. REVA has outdoor and indoor sports facilities including Gymnasium, Badminton, Table Tennis, Volley ball, Basketball, Football and Cricket stadium. The multi-gym station helps students to do exercise of their interest and keep them fit and healthy.

University Brand Store: Pride Forever

Another pride of REVA University campus is its Brand Store located opposite the playground and next to hostels. It contains variety of REVA branded articles, apparels, University hoodies, gift articles, and a wide range of stationeries. It would be a privilege for all the students, staff, alumni and the visitors to possess and use these REVA branded items. There is also bound to be something in the store that will make a fitting gift for proud friends, parents and others.

Student Housing

REVA Student Housing is a home away from home. REVA has Housing for boys and girls on the campus providing accommodation Facility. The Housing blocks are aesthetically built and are situated amidst lush greenery. The University also has a Guest house to Facilitate parents and guests to stay when they come to visit their wards.

Food Court

The huge Food Court with comfortable sitting facility is located along with the brand store. The Food Court offers a variety of brands to cater to every one's needs from Café Coffee Day, mouthwatering chats, to North Indian, South Indian, Chinese Dishes, Ice Cream, Juices and beverages.

Transportation

REVA operates a fleet of buses to and from all parts of Bengaluru city for the benefit of students, staff and faculty members. Public transport facility run by the Bengaluru Metropolitan Transport Corporation (BMTC) is also available near the Campus.

Annual Programs

Every year, each School in campus presents Kaladarshan, a series of cultural performances that are presented with a thematic thread that speaks of the School's ethos. This event is a platform for students to work closely with faculty members and display their latent talents. Another important Annual tradition is REVAMP- a cultural Fest organized every year that provides great opportunity to all students to exhibit their skills, talent and hobbies.

ERP

Enterprise Resource Planning (ERP) System is a customized software accessible to REVA students and parents, enabling student centric services, teaching and learning in the classroom or online, automated admissions and feedback, faculty management and record organization system.

Students' Clubs

The University has a variety of clubs to engage and transform students with diverse skill sets. The clubs include: Literary Club, Science Clubs, Sports Club, Robotics, Eco Club, Quiz Club, Dance and Drama Club and a host of Other Clubs. Students are encouraged to participate in co-curricular activities, such as, literary, cultural and sports activities, intercollegiate, inter-University competitions. REVA has its in-house fortnightly Magazine, REVA Insight, in circulation that is a detailed panorama of news, activities, special features and insights into the University's life and educational landscape.

AN ATTEMPT AT GIVING BACK

Building a Humane Planet

National Cadet Corps (NCC)

NCC provides a suitable environment to motivate the youth to take up a career in the armed forces, to develop character, comradeship, discipline, hardships, and secular outlook, Spirit of Adventure, and ideals of Selfless service amongst the youth of the Country. To consolidate this ethos further, NCC at REVA undertakes many social and awareness centric activities and initiatives. REVA University NCC wing has been awarded for their distinguished Service. NCC functions under the Defence Minister of India at the National level and under the Education Ministry in State.

National Service Scheme (NSS)

NSS is involved in causes related to youth and volunteers organize and participate in awareness camps, blood donation camps and health related initiatives. REVA University NSS Unit endeavors to spread the word of safety and positivity.

Social Outreach

Students and faculty are actively involved in social work, such as, organizing medical camps, blood donation camps, camps in rural areas where in they join in rural reconstruction programs, such as construction / repair of roads, water tanks, and sanitation rooms, education of masses, creating awareness about health, hygiene, and other important social issues. REVA also closely works with Rotary Club. Students and faculty represent the University as volunteers in their social initiative and altruistic causes.

The image shows a vast, multi-story atrium of a building. The central feature is a complex, symmetrical staircase system with multiple levels and landings, all supported by a network of yellow-painted structural columns and beams. The architecture is modern and functional, with a focus on vertical circulation. At the top, a large skylight allows natural light to illuminate the space. The ground floor has a polished floor with a decorative pattern. The overall impression is one of a well-engineered and aesthetically pleasing infrastructure project.

An Infrastructure
that matches
"global standards"

School of Civil Engineering	Advanced Certificate Program	Plumbing & Irrigation System	Full Time (Regular)	2 Semesters (1 year)	Pass in 10TH STD/ PUC [10+2] of any Semesters recognized Board / Council or any other (1 year) qualification recognized as equivalent there to.
School of Computing and Information Technology	M. Tech	Data Engineering and Cloud Computing	Full Time (Regular)	4 Semesters (1 year)	B E / B. Tech. in ECE / CSE / ISE /TE / MCA / M Sc in Computer Science or Mathematics or Information Science or Information Technology with a minimum of 50% (45% in case of SC/ST) marks in aggregate of any recognized University / Institution or AMIE or any other qualification recognized as equivalent there to.
		Computer Science and Engineering	Full Time (Regular)	4 Semesters (2 years)	B E / B. Tech. in ECE / IT / EEE / CSE / ISE / TE / MCA / M.Sc. in Computer Science or Mathematics or Information Science or Information Technology with a minimum of 50% [45% in case of SC/ST] marks in aggregate of any recognized University / Institution or AMIE or any other qualification recognized as equivalent there to.
			Part Time (Regular)	6 Semesters (3 years)	
School of Electrical and Electronics Engineering	M. Tech	a) Power Electronics b) Power and Energy System	Full Time (Regular)	4 Semesters (2 years)	BE/ B. Tech. in EE/ EEE/ ECE/ C5E/ M5 / M.Sc. in Mathematics/Physics/Electronics / Information Technology or Information Science with a minimum of 50% (45% in case of SC/ST) marks in aggregate of any recognized University / Institution or AMIE or any other qualification recognized as equivalent there to.
School of Electronics and Communication Engineering	M. Tech	Digital Communication and Networking	Full Time (Regular)	4 Semesters (2 years)	B E / B. Tech. in ECE /TE / EEE / CSE / ISE / Instrumentation Technology / Medical Electronics/M Sc in Electronics with a minimum of 50% (45% in case of SC/ST) marks in aggregate of any recognized University/Institution or AMIE or any other qualification recognized as equivalent there to.
		VLSI and Embedded Systems	Full Time (Regular)	4 Semesters (2 years)	B E / B. Tech. in ECE /TE / EEE / CSE / ISE / Instrumentation Technology/ Medical Electronics/M Sc in Electronics with a minimum of 50% (45% in case of SC/ST) marks in aggregate of any recognized University/Institution or AMIE or any other qualification recognized as equivalent there to.
			Part Time (Regular)	6 Semesters (3 years)	
School of Civil Engineering	M Tech	a) Computer Aided Structural Engineering b) Transportation Engineering and Management c) Construction Technology and Management	Full Time (Regular)	4 Semesters (2 years)	B E/ B. Tech. in Civil Engineering with a minimum of 50% (45% in case of SC/ST) marks in aggregate of any recognized University / Institution or AMIE or any other qualification recognized as equivalent there to.
School of Mechanical Engineering	M Tech	Machine Design	Full Time (Regular)	4 Semesters (2 years)	B E / B. Tech. in Mechanical/Aeronautical / Automobile / Industrial Production Engineering with a minimum of 50% (45% in case of candidate belonging to SC/ST category) marks in aggregate, of any recognized University / Institution or AMIE or any other qualification recognized as equivalent there to.

School of Architecture	B Arch	Bachelor of Architecture	Full Time (Regular)	10 Semesters (5 years)	Pass in PUC/10+2 / Pre-University Course or equivalent with minimum 50% in PCM scores and Overall marks in aggregate. OR 10+3 Diploma (Architecture, Civil, and Interior design) or equivalent recognized by the Central/State Governments with minimum 50% aggregate marks. OR International Baccalaureate Diploma, after 10 years of schooling with not less than 50% of marks in aggregate and with Mathematics as compulsory subject of examination. Student should have passed the National Aptitude Test in Architecture [NATA] conducted by Council of Architecture. JEE part 2 is considered equivalent to NATA.
School of Legal Studies	a) B.A., LL. B. (Hons.) b) B.B.A., LL. B. (Hons.)	a) Bachelor of Arts, Bachelor of Law (Honours) b) Bachelor of Business Administration, Bachelor of Law (Honours)	Full Time (Regular)	10 Semesters (5 years)	Pass in PUC or Senior Secondary School course ('+2) or equivalent (such as 11+1, 'A' level in Senior School Leaving certificate course) from a recognized University of India or outside or from a Senior Secondary Board or equivalent, constituted or recognized by the Union or by a State Government securing in the aggregate, marks not less than 45% (40% in case of SC/ST, 42% incase of OBC) of the total marks. Note: 1) Candidates who have obtained 10 + 2 or graduation / Post graduation through Open universities system directly without having any basic qualification for prosecuting such studies are not eligible For admission in the law courses B.A., LL. B. (Hons.), B.B.A., LL. B. (Hons.) candidates having possessed job oriented course and diploma course are not eligible to seek admission to Law courses. Admission is date on CLAT/ LSAT/REVA CLAT.
	LL.M.	Master of Law in Business and Corporate Law	Full Time (Regular)	2 Semesters (1 year)	3 years/ 5 Year Degree in Law from recognized university / Institution with minimum 50% (45% incase of SC/ST) Admission is based on CLAT / LSAT/REVA CLAT.
School of Commerce	B Com (Industry Integrated)	Bachelor of Commerce (Industry Integrated)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC/10+2 with minimum 50% marks of any recognized board / Council or any other qualification recognized as equivalent there to.
	B Com (Honours)	Bachelor of Commerce (Honours)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC /10+2 with an aggregate of 75% of any recognized Board / Council or any other qualification recognized as equivalent there to.
	B Com (Capital Market)	Bachelor of Commerce (Capital Market)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC/10+2 with minimum 60% marks of any recognized board / Council or any other qualification recognized as equivalent there to.
	M Com	Master of Commerce	Full Time (Regular)	4 Semesters (2 years)	B.Com. /BBM /BBA /BBS with 45% (40% in 4 case of candidates belonging to SC/ST) of Semesters marks in aggregate of any recognized (2 Years) University / Institution or any other qualification recognized as equivalent there to.
School of Management Studies	BBA (Industry Integrated)	Bachelor of Business Administration (Industry Integrated)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC/10+2 with minimum 50% marks of any recognized board / Council or any other qualification recognized as equivalent there to.
	BBA (Honours)	Bachelor of Business Administration (Honours)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC /10+2 with an aggregate of 75% of any recognized Board / Council or any other qualification recognized as equivalent there to.

School of Management Studies	BBA (Entrepreneurship)	Bachelor of Business Administration (Entrepreneurship)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC /10+2 with an aggregate of 75% of any recognized Board / Council or any other qualification recognized as equivalent there to.
	BBA (Retail Management)	Bachelor of Business Administration (Retail Management)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC/10+2 with minimum 60% marks of any recognized board / Council or any other qualification recognized as equivalent there to.
	MBA	Master of Business Administration	Full Time (Regular)	4 Semesters (2 years)	i) Bachelors degree of three years in any stream or B E / B. Tech. with 50% (45% in case of candidates belonging to SC/ST) of marks in aggregate from any recognized University / Institution or any other qualification recognized as equivalent there to. ii) Good score in REVA University Management Aptitude Test [REVA MAT) or CAT / MAT / C-MAT or any other equivalent examination conducted by recognized Institute / Agency.
School of Computer Science and Applications	BCA	Bachelor of Computer Applications	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC/10+2 with at least 45% marks (40% in case of candidate belonging to SC/ST category) of any recognized Board/Council of any other qualification recognized as equivalent there to.
	MCA	Master of Computer Applications	Full Time (Regular)	6 Semesters (3 years)	Bachelors Degree of three years with Mathematics / Statistics / Computer Science Programming / Computer Application / Business Mathematics / Business Statistics as one of the major/optional subjects with minimum of 50% (45% in case of SC/ST) marks in aggregate From any recognized University/Institution or any other qualification recognized as equivalent there to.
		Lateral Entry Master of Computer Applications	Full Time (Regular)	4 Semesters (2 years)	Candidates who have completed Bachelors Degree of minimum three years duration with at least 50% (45% in case of ST/ST category) of marks in BCA or B.Sc. (IT / Computer Science) with Mathematics as a subject at 10+2 level or at graduate level are directly admitted to the 3rd semester (2nd year) of the 6th semester MCA program.
	B Sc. in Research	Computer Science (with specialization in Cloud Computing & Big Data)	Full Time (Regular)	8 Semesters (4 years)	Pass in PUC /10+2 examination with Physics and Mathematics as compulsory subjects along with at least one of the Chemistry / Biotechnology / Biology / Computer Science / Electronics / Technical Vocational subjects and obtained minimum 45% marks (40% in case of candidate belonging to SC/ST category) in the above subjects taken together of any Board recognized by the respective State Government / Central Government / Union Territories or any other qualification recognized as equivalent there to.
	M S	Computer Science (in association with University of Alabama, Huntsville, USA)	Full Time (Regular)	4 Semesters (2 years)	B E / B. Tech. in ECE / IT / EEE / CSE / ISE / TE / BCA / M.Sc. or B.Sc. in Computer Science / Mathematics / Information Science / Information Technology with a minimum of 50% (45% in case of SC/ST) marks in aggregate of any recognized University / Institution or AMIE or any other qualification recognized as equivalent there to.

School of Applied Sciences	B Sc	a) Physics, Chemistry and Mathematics (PCM) b) Mathematics, Statistics and Computer science (MSTCs) c) Physics, Mathematics and Statistics (PMSI). d) Physics, Mathematics and Computer science (PMCs) e) Mathematics, Computer science and Economics (MCSE)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC/10+2 with Mathematics as compulsory subjects and at least 45% marks (40% in case of candidate belonging to SC/ST category) of any recognized Board/Council or any other qualification recognized as equivalent there to.	
		a) Bioinformatics – Biology, Computer Science & Mathematics (BCsM) b) Biotechnology, Biochemistry, Genetics c) Biotechnology, Chemistry, Microbiology d) Biotechnology, Biochemistry, Microbiology e) Medical Laboratory Technology (BMLT)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC/10+2 with Biology as compulsory subject and at least 45% marks (40% in case of candidate belonging to SC/ST category) of any recognised Board/Council or any other qualification recognised as equivalent there to.	
	M Sc	Mathematics	Full Time (Regular)	4 Semesters (2 years)	Bachelors Degree of 3 years with Mathematics/Computer Science as one of the major / optional Subjects with 45% (40% in case of SC / ST) of marks in aggregate from any recognized University / Institution or any other qualification recognized as equivalent there to.	
		Physics	Full Time (Regular)	4 Semesters (2 years)	Three years Bachelors Degree in Science with Physics as one of the major / optional Subjects with 45% (40% in case of SC / ST) of marks in aggregate from any recognized University / Institution or any other qualification recognized as equivalent there to.	
		Chemistry	Full Time (Regular)	4 Semesters (2 years)	Bachelors Degree of 3 years with Chemistry as one of the major / optional Subjects with 45% (40% in case of SC / ST) of marks in aggregate from any recognized University / Institution or any other qualification recognized as equivalent there to.	
		Biochemistry	Full Time (Regular)	4 Semesters (2 years)	Bachelors Degree of 3 years with Chemistry / Biochemistry as one of the major / optional Subjects with 45% (40% in case of SC / ST) of marks in aggregate From any recognized University/ Institution or any other qualification recognized as equivalent there to.	
		Biotechnology	Full Time (Regular)	4 Semesters (2 years)	B.Sc. graduates with any Life Science subject securing at least 45% (40% in case of candidates belonging to SC/ST) marks in aggregate of all optional subjects from any recognized University/Institute or any other qualification recognized as equivalent there to are eligible.	
	School of Arts & Humanities	BA	a) Journalism, English & Psychology (JEP) b) Political Science, Economics, Journalism (PEJ)	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC /10+2 of any recognized Board / Semesters Council or any other qualification recognized (3 Years) as equivalent there to.
		MA	English	Full Time (Regular)	4 Semesters (2 years)	1) Bachelors Degree of 3 years duration in Arts with English as a major / optional subject with a minimum 45% (40% in case of candidates belonging to SC/ST) of marks in aggregate from any recognized University/ Institution; OR ii) Any Degree of 3 years duration with minimum 50% (45% in case of candidates belonging to SC/ST) of marks in English language or English minor from any recognized University or Institution or any other qualification recognized as equivalent there to.

School of Arts & Humanities	MA	Journalism & Communication	Full Time (Regular)	4 Semesters (2 years)	Bachelors degree of three years in any stream or B E/ B. Tech. with 50% (45% in case of candidates belonging to SC/ST) of marks in aggregate from any recognized University / institution or any other qualification recognized as equivalent there to.
	Certificate	Kuchipudi / Bharatanatyam / Mohiniyattam	Full Time (Regular)	1 Semester (6 Months)	10th or SSLC or any equivalent exam conducted by other state/ Board.
School of Performing Arts	Diploma	Kuchipudi / Bharatanatyam / Mohiniyattam	Full Time / Part Time	2 Semesters (1 year)	Pre- University/ Higher secondary/10+2 examination or equivalent in any discipline From Recognized board or council or candidates successfully completed certificate programme from our University.
	BA	Performing Arts, English & Psychology	Full Time (Regular)	6 Semesters (3 years)	Pass in PUC /10+2 of any recognized Board / Council or any other qualification recognized as equivalent there to.
	MPA	Master of Performing Arts in Kuchipudi/ Bharathanatyam / Kathak/ Odissi/ Carnatic Vocal/Hindustani Vocal/Theatre Arts	Full Time	4 Semesters (2 years)	A graduate in any degree from a recognized University along with any Govt conducted Examination certificate in Karnataka (or an equivalent body from other states) A minimum of 5 years of learning experience From a reputed dance institution or guru/ An under graduate in Dance
	Ph D	Civil Engineering Computer Science & Engineering Electrical & Electronics Engineering Electronics & Communication Engineering Mechanical Engineering Management Studies Commerce Biochemistry Biotechnology Chemistry Library & Information Science Mathematics Physics Kannada English Hindi Education	Full Time		(i) The candidates shall have Master's Degree of any University / Institution or any other degree / diploma recognized as equivalent thereto with a minimum of 55% (50% in case of candidates belonging to SC/ST category) marks or equivalent Cumulative Grade Point Average (CGPA) or an equivalent grade. (ii) Admission to Ph. D through the REVA University Ph. D Entrance Test (REVA PET), interview and counselling. (iii) UGC - JRF / UGC-CSIR JRF, UGC-NET, SET / SLET, GATE and M Phil qualified candidates are exempted from entrance test. However, interview-cum-counselling is applicable.
All Faculties		Performing Arts	Full Time		Eligibility:- The candidate shall have masters degree of any recognized university in any of the performing Arts/ institution equivalent there to with a minimum of 55% (50% in case of candidate belonging to SC/ST Category) marks or equivalent cumulative grade point Average (CGPA) or an equivalent grade Admission to Ph. D through the REVA University Ph. D Entrance Test (REVA PET) interview and counselling.

Note:

In Addition to the above programs REVA University designs and offers tailor made courses / programs leading to certificate, PG Diploma, Degree and PG Degree in collaboration with industries based on their requirements. The University also undertakes research projects relevant to industrial requirements.

Numbers of REVA

- 35000+ Alumni Network
- 15000+ Students Mix on Campus
- 4000+ Students Reside on Campus
- 800+ Highly Qualified Faculty Members
- 250+ Recruiting Partners
- 45+ Acres of Lush Green Campus
- 24+ Nationality of Students

State-of-the-art Infrastructure

PARENT'S SPEAK

Active Academic Atmosphere

The reason for shortlisting and admitting my son in REVA University is the wholesome academic atmosphere built and sustained inside the campus. Focused management, choice of programs, highly qualified faculty, research scholars, large centralized library, skill development centre and the peaceful campus makes REVA University a top educational hub within Bengaluru.

Mr. Ashwani Kumar Datt
Parent of Yuvraj Shaurya Singh
B.Tech. in Computer Science
2018 Admission

International Collaboration

Thanks to the collaboration that REVA University has with several leading global institutions. It would help my ward gain academic knowledge and professional acumen on par with international students.

Mr. L. B. Byresh Bilichodu
Parent of Parashuram
Bachelor in Computer Application
2018 Admission

STUDENT'S SPEAK

Alumni Student

REVA University has provided a great platform for transforming an Engineering graduate into an Engineer. The University placement training has helped me during the Campus Place Drive and today I'm part of the Capgemini professional family. During my association with REVA University, it has nurtured me to become a better person with great career.

Vinay Kumar K V
Placed: Capgemini
School of C & IT

Alumni Student

While on my quest to find the right path to superior knowledge and a hub which also teaches the practicalities of life, I found REVA University. The extremely efficient academic structure, the infusion of life's wisdom from highly experienced individuals and growing up with like minded individuals are my biggest takeaway from the life at REVA University.

Chandana N
Placed: DHL
School of Civil Engineering

Admissions

Admission to any Under Graduate, Post Graduate, Post Graduate Diploma and Ph D program of REVA University is strictly based on merit. REVA University conducts a series of entrance examinations which include:

- **Engineering - REVA EET (REVA University Engineering Entrance Test)**
- **LAW - REVA CLAT (REVA University Common Law Aptitude Test)**
- **Management - REVA MAT (REVA University Management Aptitude Test)**
- **Doctoral Program - REVA PET (REVA University Ph. D. Entrance Test)**

However, for some of the programs such as B Tech, M Tech & MBA the candidates ranked in the CET, PG CET, COMED-K, GATE, CAT, MAT & other Entrance Examinations conducted by the Govt. of Karnataka or other recognized agencies are also considered. The eligibility criteria for each of the program are also available in the University website: www.reva.edu.in. Prospective students seeking admission for B. Arch Program should have NATA eligibility.

How to Apply

- Applications are available online at www.reva.edu.in
- The Application Form and Prospectus For all programs are also available at the Admission Office, REVA University.

Scholarships and Awards

Every year REVA University awards several scholarships, prizes and medals to encourage and support meritorious and talented students, deserving financially weaker students and achievers in academics and co-curricular activities as per the norms of the University. Students are aptly recognized with awards and scholarships for merit in qualifying board exams, social service bravery and sports. There are special scholarships for differently abled students.
