 Controller of Examinations
 REVA University
 Rukmini Knowledge Park, Kattigenahalli,
 Yelahanka, Bengaluru - 560064.

1. Introduction

The Examination and Evaluation Department at REVA University is governed by REVA University Regulation. Controller of Examinations heads the Examination and Evaluation Department. The Examination and Evaluation Department offers efficient and quality services to the students and has secured systems and processes. It was approved in the last BOG dated 08th October 2020 and the AC dated 06th October 2020 that the program codes and course codes will be changed for all constituent schools from the year 2020 onwards in a phased manner. The Examination Department has ensured that the changes have been done in a phased manner for Technical Schools (Annexure: Legend)

2. Examination and Result declaration dates

The seating plan is prepared well in advance. Appropriate numbers of invigilators are appointed to ensure one invigilator over thirty six students. The Controller of Examinations appoints the Centre Superintendent and observers, flying squad members and other staff, to smoothly conduct the examination.

3. Setting of Question Papers

The list of paper setter along with the course handouts and the patterns of question papers is submitted to the Controller of Examinations by the Directors of the respective Schools. At least two sets of question papers are prepared by the paper setter(s). The questions are framed in a way that the Student Learning Outcomes of the course are adequately assessed. The weightage given to each module of instruction is properly reflected in questions. The question papers have different formats depending upon the nature of the course subject. The quality check of the question paper is done by the subject experts for which list is provided by the respective Director. The Controller of Examinations selects the question papers for the exam. The Assistant Controller of Examinations along with officials nominated by the Controller of Examinations then prints the question papers at a secured venue of examinations department. The questions papers are sealed in the envelope and are kept secure in the strong room's almira with a double lock at the examination center in the presence of an observer. One key remains in possession of COE and the other with Assistant COE.

4. Examination Committee

Due to COVID-19 Pandemic, the Examination committee decided to conduct the semester end exams (Odd Semester) in offline mode with different options, and the even semesters Semester end exams were conducted online mode using MS-Teams.

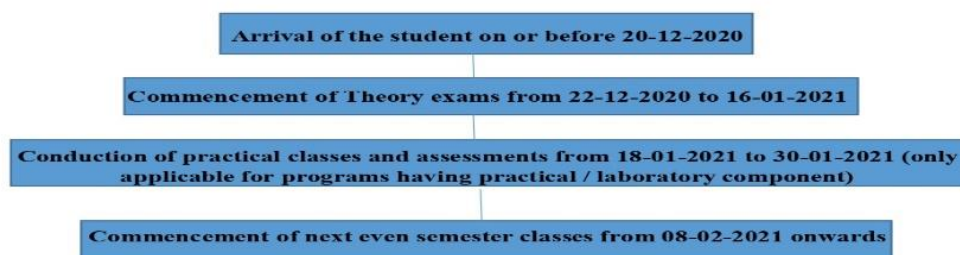

Students are expected to go through the **THREE** options provided below for taking up their Semester end Examination – Theory and Practical of ODD Semester. Students have a choice to choose any **ONE** of the three option stated below depending upon their convenience and it is hereby informed that the mode of examination would be **OFFLINE** only.

Option 1

In option 1 the theory examination would commence from 22nd December 2020 to 16th January 2021 and the practical/ laboratory examination for students who have chosen option 1 will commence from 18th January 2021 to 30th January 2021, from 18th January 2021 to 30th January 2021 laboratory / practical classes will be conducted and assessment also will be completed and even semester classes will commence from 8th February 2021

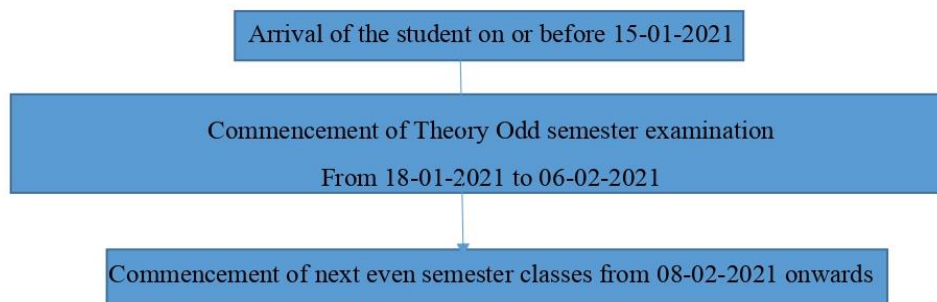

OPTION 1

Option 2A

Option 2A is applicable only for Programs without practical/ laboratory component. Students opting for Option 2A should be from programs where laboratory/ practical component is not involved. In option 2A the theory examination for ODD semester will commence from 18th January 2021 to 6th February 2021 and even semester classes will commence from 8th February 2021

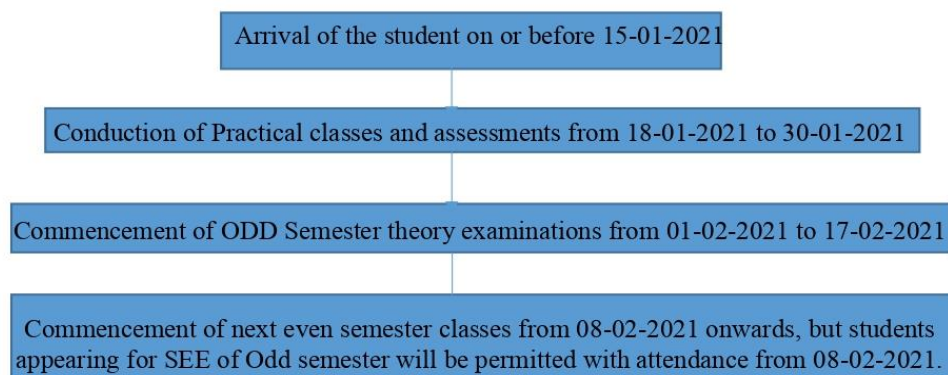

OPTION 2A (For programs without practical / Lab component)

Option 2B

Option 2B is applicable only for Programs with practical/ laboratory component. Students opting for Option 2B should be from programs where laboratory/ practical component is involved. In option 2B the Practical / Laboratory examination for ODD semester will commence from 18th January 2021 to 30th January 2021 and theory examination would commence from 1st February 2021 to 17th February 2021 and even semester classes will commence from 8th February 2021 but students appearing for SEE of ODD semester will be permitted with attendance to take up their odd semester theory examination.

OPTION 2B (For programs with practical / Lab component)

Option 3

Students opting for Option 3 should be students who are travelling from other countries only. In option 3 students will be allowed to take up both Odd and even semester theory and practical/ laboratory examination together after conclusion of even semester 2021. This option will be given only to Fresher student who have not appeared for theory or practical / laboratory examination in option 1 and option 2.

This option is not applicable to students who have already appeared for Odd semester Theory and practical examinations in option-1 and option- 2 and who have not cleared their papers

OPTION 3 (Students who have missed option 1 and option 2 – Theory and Practical exams)

(Applicable only to International Students)

Conduction of ODD and Even semester theory and practical exams after the conclusion of even semester 2021 for only students who were not able to travel (International students).

This option is not applicable to students who have already appeared for Odd semester Theory and practical examinations in option-1 and option – 2 and who have not cleared their papers.

Note

1. Students are expected to read the options clearly and select the suitable option and inform it to their respective mentors
2. Students are expected to pay their examination fee by filling the online exam application form as per the dates notified by Controller of Examination whether they choose option 1 , option 2 or option 3 examination fee payment dates remains unchanged .
3. Supplementary examination candidates kindly note that the supplementary examination will be conducted with OPTION 1 only , if the student is not able to take up during Option 1 then supplementary examination can be next taken only after completion of even semester.

5. Malpractice & Lapses Enquiry Committee (MPLEC)

The student using any unfair means while writing their exams are reported to the Controller of Examinations by the Centre Superintendent after conducting examinations. The unfair mean case committee is constituted by the Controller of Examinations with due approval from the Vice- Chancellor. The decisions of the MPLEC committee are forwarded through the Controller of Examinations to the Vice- Chancellor for approval.

All the members of the committee are requested to make it convenient to participate in the MPLEC meeting.

Committee Members:

Sl. No	Name	Designation
1	Dr.Narayanaswamy K S Director, School of ME	Chairman
2	Prof.Rajesh Malik School of Architecture	Member
3	Dr.Chamundeshwari C School of Arts & Humanities	Member
4	Mr.Anand Raju Special Officer, COE office	Co-ordinator

A copy of the regulation pertaining to malpractice & lapses in the REVA University examinations, 2014-15 is enclosed herewith for your information.

One malpractice case in the Semester end examination June/July 2021 reported to our office. The candidate has been served show cause notice and informed to appear before the committee on 26-10-2021 at 11.00 am. All the documents and materials concerned with mal practice case will be submitted to the committee at the time of the meeting.

With regards,

Dr. Beena G
Controller of Examinations

6. Central Evaluation

The evaluation is conducted centrally under the supervision of the Assistant Controller of Examination. The solution of question papers provided by experts are submitted to the office of Controller of Examination before the beginning of the evaluation. The coded answer books handed over to the evaluators. The appropriate number of Evaluators/Reviewers/Checking Assistants is deputed during evaluations. The award lists along with answer books are submitted to the evaluation section.

For online Examination conducted during pandemic, evaluation was also done online.

7. Declaration of Result

Marks scored by the students in their IA as well as in SEE in all the courses of a given semester must be tabulated into the software installed for the purpose by the University. The same must be done for all the semesters of UG and PG within the Specified date by the Controller of Examination.

The Controller of Examinations will announce the results of the students in each semester on the Faculty notice board as well as on the University website after Director of School confirms about the result to COE.

8. Revaluation

After declaration of the results of programs within next 10 days, if any candidate wishes to apply for Photocopy/Revaluation (only theory courses), s/he shall apply to the Controller of Examinations, by paying the prescribed fees notified by the University from time to time. The photocopies of the said answer books shall be made available within next TEN working days after the last date prescribed for receipt of the application at the Office of the Controller of Examinations. Photocopies will not be issued for practical/drawing/audit courses. During 2020-21 examination **total of 34** applications were received for Revaluation and resolved.

9. Award of Degree

Degree is awarded at the end of the completion of the Program and accumulation of specified number of credits for the given program. Students are issued-Grade Cards/Marks card for each semester, consolidated grade Card/Marks card and degree Certificate. Such of those students who have accumulated credits by studying in more than one university, but finally completing their degree at REVA University by accumulating the required number of credits, will be issued grade cards for such of the courses completed at REVA University and a transcript by mentioning as 'credit transferred from other university' against the credits earned. Students are required to possess all the grade cards issued by different institutions as a proof to the accumulation of Credits.

Award of Gold Medal Guidelines

- The candidate with highest CGPA will be awarded gold medal. The University shall issue the certificate indicating the name of the medal awarded to the students
- If two or more students have secured the same CGPA, then the marks secured by the student in the external examination only shall be taken in consideration in awarding the gold medalist.
- If both students also secure to the same external marks then both the students should be awarded the gold medal.
- A student who has been fined or expelled from the hostel/university for any act of indiscipline shall not be eligible for the award of gold medal(s). A student who has failed in any course and has cleared the course in the repeat examination shall not be eligible for award for gold medals/certificate.

10. Examination Automation

In keeping with the requirements of transparency, objectivity and efficiency, the COE office adopts an automated examination system. This initiative has transformed the conventional examination and evaluation process to a digital platform. As a result, the entire process inclusive of registration, payment of examination fee, generation of hall tickets, computation of results and announcement of results etc. are automated. With effective use of technology, the administration and management of examination system ensures confidentiality, transparency and enhanced efficiency with minimal human intervention. Timely reviews, sound feedback system and clear guidelines from the COE office ensures strict monitoring and functioning of examination and evaluation system.

11. Examination Reforms

- Course Code – New course codes have been generated to be implemented by schools. Engineering programs 2020-21 and Non-engineering programs 2021-22 onwards. The rationale for the new course code is (a) To avoid duplication of codes among schools (b) To provide logic of code generation unique to courses.
- The course code handbook provides guidelines to generate codes program-wise and school-wise.
